

RIGHT HERE WAITING

RICHAD MARX

Oceans apart day after day
And I slowly go insane
I hear your voice on the line
But it doesn't stop the pain

If I see you next to never
How can we say forever

Wherever you go
Whatever you do
I will be right here waiting for you
Whatever it takes
Or how my heart breaks
I will be right here waiting for you

I took for granted, all the times
That I thought would last somehow
I hear the laughter, I taste the tears
But I can't get near you now

Oh, can't you see it baby
You've got me goin' crazy

Wherever you go
Whatever you do
I will be right here waiting for you
Whatever it takes
Or how my heart breaks
I will be right here waiting for you

I wonder how we can survive
This romance
But in the end if I'm with you
I'll take the chance

Oh, can't you see it baby
You've got me goin' crazy

Wherever you go
Whatever you do
I will be right here waiting for you
Whatever it takes
Or how my heart breaks
I will be right here waiting for you

WITHOUT YOU

HARRY NILSSON

No, I can't forget this evening
Or your face as you were leaving
But I guess that's just the way the story goes
You always smile but in your eyes your sorrow shows
Yes, it shows

No, I can't forget tomorrow
When I think of all my sorrow
When I had you there but then I let you go
And now it's only fair that I should let you know
What you should know

I can't live if living is without you
I can't live, I can't give any more
I can't live if living is without you
I can't give, I can't give any more

No, I can't forget this evening
Or your face as you were leaving
But I guess that's just the way the story goes
You always smile but in your eyes your sorrow shows
Yes, it shows

I can't live if living is without you
I can't live, I can't give anymore
I can't live if living is without you
I can't live, I can't give anymore

INTO THE WEST

ANNIE LENNOX

Lay down
Your sweet and weary head
Night is falling
You have come to journey's end

Sleep now
And dream of the ones who came before
They are calling
From across the distant shore

Why do you weep?
What are these tears upon your face?
Soon you will see
All of your fears will pass away

Safe in my arms
You're only sleeping

What can you see
On the horizon?
Why do the white gulls call?

Across the sea
A pale moon rises
The ships have come
To carry you home
And all will turn to silver glass
Lights on the water
All souls pass

Hope fades
Into the world of night
Through shadows falling
Out of memory and time

Don't say
We have come now to the end
White shores are calling
You and I will meet again

And you'll be here in my arms
Just sleeping

What can you see
On the horizon?
Why do the white gulls call?

Across the sea
A pale moon rises
The ships have come
To carry you home
And all will turn to silver glass
Lights on the water
Grey ships pass
Into the West

POISON

ALICE COOPER

Your cruel device
Your blood like ice
One look could kill
My pain, your thrill

I wanna love you but I better not touch (don't touch)
I wanna hold you, but my senses tell me to stop
I wanna kiss you but I want it too much (too much)
I wanna taste you but your lips are venomous poison
You're poison, running through my veins
You're poison, I don't wanna break these chains

Your mouth so hot
Your web, I'm caught
Your skin so wet
Black lace on sweat

I hear you calling and it's needles and pins (and pins)
I wanna hurt you just to hear you screaming my name
Don't wanna touch you but you're under my skin (deep in)
I wanna kiss you but your lips are venomous poison
You're poison, running through my veins
Your poison
I don't wanna break these chains
Poison...

One look, could kill
My pain, your thrill

I wanna love you...
Poison...

THIS IS THE LIFE

AMY MACDONALD

Oh, the wind whistles down
The cold dark street tonight
And the people, they were dancing
To the music vibe
And the boys chase the girls
With the curls in their hair
While the shy tormented youth
Sit way over there
And the songs they get louder
Each one better than before

And you're singing the songs
Thinking this is the life
And you wake up in the morning
And your head feels twice the size
Where you gonna go,
Where you gonna go?
Where you gonna sleep tonight?

And you're singing the songs...

So you're heading down the road
In your taxi for four
And your waiting
Outside Jimmy's front door
But nobody's in, nobody's home till four
So you're sitting there with nothing to do
Talking about Robert Riger
And his motley crew
And where you're gonna go?
Where you're gonna sleep tonight?

And you're singing the songs...

HOUSE OF THE RISING SUN

ANIMALS

There is a house in New Orleans
They call The Rising Sun
And it's been the ruin of many a poor boy
And God, I know I'm one

My mother was a tailor
Sewed my new blue jeans
My father was a gamblin' man
Down in New Orleans

Now the only thing a gambler needs
Is a suitcase and a trunk
And the only time he'll be satisfied
Is when he's all drunk

Oh, mother, tell your children
Not to do what I have done
Spend your lives in sin and misery
In the house of The Rising Sun

Well I've got one foot on the platform
The other foot on the train
I'm going back to New Orleans
To wear that ball and chain

Well there is a house in New Orleans
They call the Rising Sun
And it's been the ruin of many a poor boy
And God, I know I'm one

MEMORY

BARBRA STREISAND

Midnight, not a sound from the pavement.
Has the moon lost her memory?
She is smiling alone.
In the lamp light the withered leaves collect at my feet.
And the wind begins to moan.

Memory! All alone in the moonlight
I can dream of the old days,
Life was beautiful then.
I remember the time
I knew what happiness was,
Let the memory live again.

Every street lamp seems to beat a fatalistic warning.
Someone mutters
And the street lamp gutters
And soon it will be morning.

Daylight, I must wait for the sunrise,
I must think of a new life
And I mustn't give in.
When the dawn comes, tonight will be a memory too
And a new day will begin.

Burnt out ends of smoky days, the still cold smell of morning.
A street lamp dies,
Another night is over,
Another day is dawning.

Touch me. It's so easy to leave me
All alone with the memory
Of my days in the sun.
If you touch me, you'll understand what happiness is.
Look – a new day has begun.

WOMAN IN LOVE

BARBRA STREISAND

Life is a moment in space,
When the dream is gone
It's a lonelier place.
I kiss the morning goodbye,
But down inside,
You know we never know why.

The road is narrow and long
When eyes meet eyes
And the feeling is strong.
I turn away from the wall.
I stumble and fall,
But I give you it all.

I am a woman in love
And I'd do anything
To get you into my world,
And hold you within.
It's a right I defend
Over and over again.
What do I do?

With you eternally mine,
In love there is
No measure of time.
We planned it all at the start
That you and I live
In each others heart.

We may be oceans away,
You feel my love
I hear what you say.
No truth is ever a lie.
I stumble and fall,
But I give you it all.

I am a woman in love
And I'd do anything
To get you into my world,
And hold you within.
It's a right I defend
Over and over again.
What do I do?

Ooo!

I am a woman in love
And I'm talkin' to you.
You know (I know) how you feel
What a woman can do.
It's a right I defend
Over and over again

I am a woman in love
And I'd do anything
To get you into my world,
And hold you within.
It's a right I defend
Over and over again.
What do I do?

STAYIN' ALIVE

BEE GEES

Well, you can tell by the way I use my walk,
I'm a woman's man, no time to talk.
Music loud and women warm
I've been kicked around since I was born.
And now it's all right. It's OK.
And you may look the other way.
We can try to understand the New York Time's effect on man.

Whether you're a brother or whether you're a mother,
You're stayin' alive, stayin' alive.
Feel the city breakin' and everybody shakin',
And we're stayin' alive, stayin' alive.
Ah, ha, ha, ha, stayin' alive, stayin' alive.
Ah, ha, ha, ha, stayin' alive.

Well now, I get low and I get high,
And if I can't get either, I really try.
Got the wings of heaven on my shoes.
I'm a dancin' man and I just can't lose.
You know it's all right. It's OK.
I'll live to see another day.
We can try to understand the New York Time's effect on man.

Whether you're a brother or whether you're a mother...

Life goin' nowhere.
Somebody help me.
Somebody help me, yeah.
Life goin' nowhere.
Somebody help me, yeah.

Well, you can tell by the way I use my walk...

Whether you're a brother or whether you're a mother...

LEAVE A LIGHT ON

BELINDA CARLISLE

Take my hand
Tell me what you are feeling
Understand
This is just the beginning
Although I have to go
It makes me feel like crying
I don't know when I'll see you again

Darling leave a light on for me
I'll be there before you close the door
To give you all the love that you need
Darling leave a light on for me
'cause when the world takes me away
You are still the air that I breathe

I can't explain
I don't know
Just how far I have to go
But darling, I'll keep the key
Just leave a light on for me

Yes, I know
What I'm asking is crazy
You could go
Just get tired of waiting
But if I lose your love
Torn out by my desire
That would be the one regret of my life

Darling leave a light on for me...

Just like a spark lights up the dark
Baby that's your heart
Baby that's your heart
Baby that's your heart!

THE TIME OF MY LIFE

BILL MEDLEY & JENNIFER WARNES

Now I've had the time of my life
No, I never felt like this before
Yes, I swear it's the truth
And I owe it all to you

'Cause I've had the time of my life
And I owe it all to you

I've been waiting for so long
Now I've finally found someone
To stand by me

We saw the writing on the wall
And we felt this magical fantasy

Now with passion in our eyes
There's no way we could disguise it secretly
So we take each others hand
'Cause we seem to understand the urgency

Just remember
You're the one thing
I can't get enough of
So I'll tell you something
This could be love

Because I've had the time of my life
No, I never felt this way before
Yes, I swear it's the truth
And I owe it all to you
'Cause I've had the time of my life
And I've searched through every open door
Till I found the truth
And I owe it all to you

Hey baby, oh yeah yeah yeah

With my body and soul
I want you more than you'll ever know
So we'll just let it go
Don't be afraid to lose control, no

Yes, I know what's on your mind
When you say "Stay with me tonight"
(Stay with me)

Just remember
You're the one thing
I can't get enough of
So I'll tell you something
This could be love

Because I've had the time of my life
No, I never felt this way before
Yes I swear it's the truth
And I owe it all to you
'Cause I've had the time of my life
And I've searched through every open door
(Never felt this way)
Till I found the truth
And I owe it all to you

Yeah, yeah, yeah, yeah
Oh, whoa, oh, oh

Now I've had the time of my life...

I've had the time of my life...

IT'S MY LIFE

BON JOVI

This ain't a song for the broken hearted.
No silent prayer for the faith departed.
I ain't gonna be just the face in the crowd,
You're gonna hear my voice when I shout it out loud!

It's my life!
And it's now or never!
I ain't gonna live forever!
I just want to live while I'm alive!
It's my life!
My heart is like an open highway!
Like Frankie said, I did it my way!
I just wanna live while I'm alive!
It's my life!

This is for the ones who stood their ground.
For Tommy and Gina who never backed down.
Tomorrow's getting harder make no mistake,
Luck ain't even lucky,
Got to make your own breaks!

It's my life...

Better stand tall when they're calling you out.
Don't bend, don't break, baby, don't back down.

It's my life...

HOLDING OUT FOR A HERO

BONNIE TYLER

Where have all the good men gone
And where are all the gods?
Where's the streetwise Hercules
To fight the rising odds?

Isn't there a white knight
Upon a fiery steed?
Late at night I toss and I turn
And I dream of what I need

I need a hero
I'm holding out for a hero
Till the end of the night
He's gotta be strong
And he's gotta be fast
And he's gotta be fresh from the fight

I need a hero
I'm holding out for a hero
Till the morning light
He's gotta be sure
And he's gotta be soon
And he's gotta be larger than life
Larger than life

Somewhere after midnight
In my wildest fantasies
Somewhere just beyond my reach
There's someone reaching back for me

Racing on the thunder
And rising with the heat
It's gonna take a Superman
To sweep me off my feet

I need a hero
I'm holding out for a hero
Till the end of the night
He's gotta be strong
And he's gotta be fast
And he's gotta be fresh from the fight

I need a hero
I'm holding out for a hero
Till the morning light
He's gotta be sure
And he's gotta be soon
And he's gotta be larger than life

I need a hero
I'm holding out for a hero
Till the end of the night

Upwhere the mountains
Meet the heavens above
Out where the lightning splits the sea
I could swear
That there's someone
Somewhere watching me

Through the wind
And the chill
And the rain
And the storm
And the flood
I can feel his approach
Like a fire in my blood

I need a hero...

DUST IN THE WIND

KANSAS

I close my eyes
Only for a moment
And the moment's gone
All my dreams
Pass before my eyes
A curiosity

Dust in the wind
All they are is dust in the wind

Same old song
Just a drop of water
In an endless sea
All we do
Crumbles to the ground
Though we refuse to see

Dust in the wind
All we are is dust in the wind

Now, don't hang on
Nothing lasts forever
But the earth and sky
It slips away
And all your money
Won't another minute buy

Dust in the wind
All we are is dust in the wind
Dust in the wind
Everything is dust in the wind

STAIRWAY TO HEAVEN

LED ZEPPELIN

There's a lady who's sure
All that glitters is gold
And she's buying a stairway to heaven.
When she gets there she knows,
If the stores are all closed
With a word she can get
What she came for. Ooh, ooh.
And she's buying
A stairway to heaven.

There's a sign on the wall
But she wants to be sure
'Cause you know
Sometimes words have two meanings.
In a tree by the brook,
There's a songbird who sings,
Sometimes all of our thoughts
Are misgiven.
Ooh, it makes me wonder.
Ooh, it makes me wonder.

There's a feeling I get
When I look to the west,
And my spirit is crying for leaving.
In my thoughts I have seen
Rings of smoke through the trees,
And the voices of those
Who stand looking.
Ooh, it makes me wonder.
Ooh, really makes me wonder.

And it's whispered that soon
If we all call the tune
Then the piper will lead us to reason.
And a new day will dawn
For those who stand long
And the forests will echo with laughter.

If there's a bustle in your hedgerow,
Don't be alarmed now,
It's just a spring clean for the May queen.
Yes, there are two paths you can go by,
But in the long run
There's still time
to change the road you're on.
And it makes me wonder. Ooh...

Your head is humming and it won't go,
In case you don't know,
The piper's calling you to join him,
Dear lady, can you hear the wind blow,
And did you know
Your stairway lies on the whispering wind.

And as we wind on down the road
Our shadows taller than our souls.
There walks a lady we all know
Who shines white light and wants to show
How everything still turns to gold.
And if you listen very hard
The tune will come to you at last.
When all are one and one is all
To be a rock and not to roll.

And she's buying
A stairway to heaven...

HELLO

LIONEL RICHIE

I've been alone with you inside my mind
And in my dreams I've kissed your lips a thousand times
I sometimes see you pass outside my door

Hello!
Is it me you're looking for?
I can see it in your eyes
I can see it in your smile
You're all I've ever wanted
And my arms are open wide
'Cause you know just what to say
And you know just what to do
And I want to tell you so much
I love you

I long to see the sunlight in your hair
And tell you time and time again how much I care
Sometimes I feel my heart will overflow

Hello!
I've just got to let you know
'Cause I wonder where you are
And I wonder what you do
Are you somewhere feeling lonely?
Or is someone loving you?
Tell me how to win your heart
For I haven't got a clue
But let me start by saying
I love you

PERFECT DAY

LOU REED

Just a perfect day, drink Sangria in the park
And then later, when it gets dark, we go home

Just a perfect day, feed animals in the zoo
Then later a movie, too, and then home

Oh, it's such a perfect day
I'm glad I spend it with you
Oh, such a perfect day
You just keep me hanging on
You just keep me hanging on

Just a perfect day, problems all left alone
Weekenders on our own – it's such fun

Just a perfect day, you made me forget myself
I thought I was someone else, someone good

Oh, it's such a perfect day
I'm glad I spent it with you
Oh, such a perfect day
You just keep me hanging on
You just keep me hanging on

You're going to reap just what you sow
You're going to reap just what you sow
You're going to reap just what you sow
You're going to reap just what you sow

RUNAWAY TRAIN

SOUL ASYLUM

Call you up in the middle of the night
Like a firefly without a light
You were there like a blowtorch burning
I was a key that could use a little turning

So tired that I couldn't even sleep
So many secrets I couldn't keep
I promised myself I wouldn't weep
One more promise I couldn't keep

It seems no one can help me now,
I'm in too deep; there's no way out
This time I have really led myself astray

Runaway train, never going back
Wrong way on a one-way track
Seems like I should be getting somewhere
Somehow I'm neither here nor there

Can you help me remember how to
smile?
Make it somehow all seem worthwhile
How on earth did I get so jaded?
Life's mystery seems so faded

I can go where no one else can go
I know what no one else knows
Here I am just a-drownin' in the rain
With a ticket for a runaway train

And everything seems cut and dried,
Day and night, earth and sky,
Somehow I just don't believe it

Runaway train, never going back
Wrong way on a one-way track
Seems like I should be getting somewhere
Somehow I'm neither here nor there

Bought a ticket for a runaway train
Like a madman laughing at the rain
A little out of touch, a little insane
It's just easier than dealing with the pain

Runaway train, never going back
Wrong way on a one-way track
Seems like I should be getting somewhere
Somehow I'm neither here nor there

Runaway train, never coming back
Runaway train, tearing up the track
Runaway train, burning in my veins
I run away but it always seems the same

TONIGHT I CELEBRATE MY LOVE FOR YOU

ROBERTA FLACK & PAEBO BRYSON

Tonight I celebrate my love for you
It seems the natural thing to do
Tonight no one's gonna find us
We'll leave the world behind us
When I make love to you

Tonight I celebrate my love for you
And hope that deep inside you feel it too
Tonight our spirits will be climbing
To the sky lit up with diamonds
When I make love to you
Tonight

Tonight I celebrate my love for you (ooh)
And that midnight song is gonna come shining through
Tonight there'll be no distance between us
What I want most to do
Is to get close to yo
Tonight

Tonight I celebrate my love for you
And soon this old world will seem brand new
Tonight we will both discover
How friends turn into lovers
When I make love to you

Tonight I celebrate my love for you (ooh)
And that midnight song is gonna come shining through
Tonight there'll be no distance between us
What I want most to do
Is to get close to you

Tonight I celebrate my love for you
Tonight

EYE OF THE TIGER

SURVIVOR

Risin' up, back on the street
Did my time, took my chances
Went the distance, now I'm back on my feet
Just a man and his will to survive

So many times, it happens too fast
You change your passion for glory
Don't lose your grip on the dreams of the past
You must fight just to keep them alive

It's the eye of the tiger, it's the thrill of the fight
Risin' up to the challenge of our rival
And the last known survivor stalks his prey in the night
And he's watchin' us all with the eye of the tiger

Face to face, out in the heat
Hangin' tough, stayin' hungry
They stack the odds 'till we take to the street
For we kill with the skill to survive

It's the eye of the tiger, it's the thrill of the fight...
Risin' up, straight to the top
Have the guts, got the glory
Went the distance, now I'm not gonna stop
Just a man and his will to survive

It's the eye of the tiger, it's the thrill of the fight...

The eye of the tiger...

UNBREAK MY HEART

TONI BRAXTON

Don't leave me in all this pain
Don't leave me out in the rain
Come back and bring back my smile
Come and take these tears away
I need your arms to hold me now
The nights are so unkind
Bring back those nights
When I held you beside me

Unbreak my heart
Say you'll love me again
Undo this hurt you caused
When you walked out the door
And walked outta my life
Uncry these tears
I cried so many nights
Unbreak my heart
My heart

Take back that sad word goodbye
Bring back the joy to my life
Don't leave me here with these tears
Come and kiss this pain away
I can't forget the day you left
Time is so unkind
And life is so cruel
Without you here beside me

Unbreak my heart
Say you'll love me again
Undo this hurt you caused
When you walked out the door
And walked outta my life
Uncry these tears
I cried so many nights
Unbreak my heart
My heart

Don't leave me in all this pain
Don't leave me out in the rain
Bring back the nights
When I held you beside me

Unbreak my heart
Say you'll love me again
Undo this hurt you caused
When you walked out the door
And walked outta my life
Uncry these tears
I cried so many nights
Unbreak my heart
My heart

Unbreak my heart, oh baby
Come back and say you love me
Unbreak my heart, sweet darlin'
Without you I just can't go on
Can't go on

IT'S A SIN

PET SHOP BOYS

When I look back upon my life
It's always with a sense of shame
I've always been the one to blame

For everything I long to do
No matter when or where or who
Has one thing in common too
It's a, it's a, it's a, it's a sin
It's a sin
Everything I've ever done
Everything I ever do
Every place I've ever been
Everywhere I'm going to
It's a sin

At school they taught me how to be
So pure in thought and word and deed
They didn't quite succeed

For everything I long to do...

Father, forgive me, I tried not to do it
Turned over a new leaf,
Then tore right through it
Whatever you taught me,
I didn't believe it
Father, you fought me, 'cause I didn't care
And I still don't understand

So I look back upon my life
Forever with a sense of shame
I've always been the one to blame

For everything I long to do...

DON'T STOP ME NOW

QUEEN

Tonight I'm gonna have myself a real good time
I feel alive and the world turning inside out, yeah!
And floating around in ecstasy
So don't stop me now, don't stop me
'Cause I'm having a good time, having a good time

I'm a shooting star leaping through the sky
Like a tiger defying the laws of gravity
I'm a racing car passing by like Lady Godiva
I'm gonna go go go
There's no stopping me

I'm burning through the sky, yeah!
Two hundred degrees
That's why they call me Mister Fahrenheit
I'm trav'ling at the speed of light
I wanna make a supersonic man out of you

Don't stop me now, I'm having such a good time
I'm having a ball, don't stop me now
If you wanna have a good time, just give me a call
Don't stop me now ('cause I'm havin' a good time)
Don't stop me now (yes I'm havin' a good time)
I don't want to stop at all

I'm a rocket ship on my way to Mars
On a collision course
I am a satellite, I'm out of control
I am a sex machine ready to reload
Like an atom bomb about to
Oh oh oh oh oh explode

I'm burning through the sky, yeah...

AMERICAN PIE

DON MCLEAN

A long, long time ago
I can still remember
How that music used to make me smile
And I knew if I had my chance
That I could make those people dance
And, maybe, they'd be happy for a while

But february made me shiver
With every paper I'd deliver
Bad news on the doorstep
I couldn't take one more step

I can't remember if I cried
When I read about his widowed bride
But something touched me deep inside
The day the music died

So
Bye-bye, miss american pie
Drove my chevy to the levee
But the levee was dry
And them good old boys
Were drinkin' whiskey and rye
Singin', 'this'll be the day that I die'
'This'll be the day that I die'

Did you write the book of love
And do you have faith in God above
If the Bible tells you so?
And do you believe in rock'n'roll
Can music save your mortal soul
And can you teach me
How to dance real slow?

Well, I know that you're in love with him
'Cause I saw you dancin' in the gym
You both kicked off your shoes
Man, I dig those rhythm and blues

I was a lonely teenage broncin' buck
With a pink carnation and a pickup truck
But I knew I was out of luck
The day the music died.

I started singin'
Bye-bye, miss american pie...

Now for ten years we've been on our own
And moss grows fat on a rollin' stone
But that's not how it used to be
When the jester sang
For the king and queen,
In a coat he borrowed from james dean
And a voice that came from you and me

Oh, and while the king was looking down
The jester stole his thorny crown
The courtroom was adjourned
No verdict was returned
And while Lennon read a book of marx
The quartet practiced in the park
And we sang dirges in the dark
The day the music died

We were singing
Bye-bye, miss american pie...

Helter skelter in a summer swelter
The birds flew off with a fallout shelter
Eight miles high and falling fast
It landed foul on the grass
The players tried for a forward pass
With the jester on the sidelines in a cast

Now the half-time air
Was sweet perfume
While the sergeants
Played a marching tune
We all got up to dance
Oh, but we never got the chance!
'Cause the players tried to take the field
The marching band refused to yield
Do you recall what was revealed
The day the music died?

We started singing
Bye-bye, miss american pie...

Oh, and there we were all in one place
A generation lost in space
With no time left to start again
So come on: jack be nimble, jack be quick!
Jack flash sat on a candlestick
Cause fire is the devil's only friend

Oh, and as I watched him on the stage
My hands were clenched in fists of rage
No angel born in hell
Could break that satan's spell
And as the flames
Climbed high into the night
To light the sacrificial rite
I saw satan laughing with delight
The day the music died

He was singing
Bye-bye, miss american pie...

I met a girl who sang the blues
And I asked her for some happy news
But she just smiled and turned away
I went down to the sacred store
Where I'd heard the music years before
But the man there said
The music wouldn't play

And in the streets
The children screamed
The lovers cried, and the poets dreamed
But not a word was spoken
The church bells all were broken
And the three men I admire most
The father, son, and the holy ghost
They caught the last train for the coast
The day the music died

And they were singing
Bye-bye, miss american pie...

They were singing
Bye-bye, miss american pie...

SEALED WITH A KISS

BRIAN HYLAND

Though we've got to say goodbye for the summer
Darling, I promise you this
I'll send you all my love
Everyday in a letter
Sealed with a kiss

Yes it's gonna be cold, lonely summer
But I'll fill the emptiness
I'll send you all my dreams
Everyday in a letter
Sealed with a kiss

I'll see you in the sunlight
I'll hear your voice everywhere
I'll run to tenderly hold you
But, Darlin', you won't be there

I don't wanna say goodbye for the summer
Knowing the love we'll miss
Oh, let us make a pledge
To meet in September
And seal it with a kiss

Yes it's gonna be cold, lonely summer...

Sealed with a kiss
Sealed with a kiss
Sealed with a kiss

HOTEL CALIFORNIA

THE EAGLES

On a dark desert highway
Cold wind in my hair
Warm smell of colitas
Rising up through the air
Up ahead in the distance
I saw a shimmering light
My head grew heavy
And my sight grew dim
I had to stop for the night

There she stood in the doorway
I heard the mission bell
And I was thinkin' to myself
This could be heaven or this could be hell
Then she lit up a candle
And she showed me the way
There were voices down the corridor
I thought I heard them say

Welcome to the Hotel California
Such a lovely place
(Such a lovely place)
Such a lovely face
Plenty of room at the Hotel California
Any time of year
(Any time of year)
You can find it here

Her mind is Tiffany-twisted
She got the Mercedes Bends
She got a lot of pretty, pretty boys
She calls friends
How they dance in the courtyard
Sweet summer sweat
Some dance to remember
Some dance to forget

So I called up the Captain
'Please bring me my wine
He said 'We haven't had that spirit here
Since nineteen sixty-nine'
And still those voices are calling
From far away
Wake you up in the middle of the night
Just to hear them say

Welcome to the Hotel California
Such a lovely place
(Such a lovely place)
Such a lovely face
They livin' it up at the Hotel California
What a nice surprise
(What a nice surprise)
Bring your alibis

Mirrors on the ceiling
The pink champagne on ice
And she said
'We are all just prisoners here
Of our own device'
And in the masters chambers
They gathered for the feast
They stab it with their steely knives
But they just can't kill the beast

Last thing I remember
I was running for the door
I had to find the passage
back to the place I was before
'Relax,' said the night man,
'We are programmed to receive
You can check out anytime you like
But you can never leave.'

ENJOY THE SILENCE

DEPECHE MODE

Words like violence
Break the silence
Come crashing in
Into my little world
Painful to me
Pierce right through me
Can't you understand
Oh my little girl

All I ever wanted
All I ever needed
Is here in my arms
Words are very unnecessary
They can only do the harm

Vows are spoken
To be broken
Feelings are intense
Words are trivial
Pleasures remain
So does the pain
Words are meaningless
And forgettable

All I ever wanted...

Enjoy the silence

ALL FOR ONE, ALL FOR LOVE

BRYAN ADAMS & ROD STEWART & STING

When it's love you give
I'll be your man of good faith
Then in love you live
I'll make a stand, I won't break
I'll be the rock you can build on
Be there when you're old
To have and to hold

When there's love inside
I swear I'll always be strong
Then there's a reason why
I'll prove to you we belong
I'll be the wall that protects you
From the wind and the rain
From the hurt and the pain, yeah!

Let's make it all for one and all for love
Let the one you hold be the one you want
The one you need
'Cause when it's all for one it's one for all
When there's someone that should know
Then just let your feelings show
And make it all for one and all for love

When it's love you make
I'll be the fire in our night
Then it's love you take
I will defend, I will fight
I'll be there when you need me
When honor's at stake
This vow I will make, yeah!

That it's all for one and all for love...

Don't lay our love to rest
'Cause we could stand up to the test
We got everything and more
Than we had planned
More than the rivers that run the land
We've got it all in our hands

Now it's all for one and all for love...

500 MILES

THE HOOTERS

If you miss the train I'm on
You will know that I am gone
You can hear the whistle blow a hundred miles
A hundred miles, a hundred miles,
A hundred miles, a hundred miles
You can hear the whistle blow a hundred miles

Not a shirt on my back
Not a penny to my name
And the land that I once curved is not my own
Lord, I'm one, Lord, I'm two,
Lord, I'm three, Lord, I'm four
Lord, I'm five hundred miles away from home

A hundred tanks along the square
One man stands and stops them there
Someday soon the tide will turn and I'll be free
I'll be free, I'll be free
I'll come home to my country
Someday soon the tide will turn and I'll be free

If you missed the train I'm on
You will know that I am gone
You can hear the whistle blow a hundred miles
Lord, I'm one, Lord, I'm two,
Lord, I'm three, Lord, I'm four
Lord, I'm five hundred miles away from home
Lord, I'm five hundred miles away from home

I'll be free, I'll be free, I'll come home to my country
Lord, I'm five hundred miles away from home

You can hear the whistle blow a hundred miles
Lord, I'm five hundred miles away from home

WIND OF CHANGE

THE SCORPIONS

Follow the Moskva down to Gorky Park
Listening to the wind of change
August summer night, soldiers passing by
Listening to the win of change

The world is closing in and did you ever think
That we could be so close like brothers
The future's in the air, can feel it everywhere
I'm blowing with the wind of change

Take me to the magic of the moment on a glory night
Where the children of tomorrow dream away
In the wind of change

Walking down the street and distant memories
Are buried in the past forever
I follow the Moskva down to Gorky Park
Listening to the wind of change

Take me to the magic of the moment on a glory night
Where the children of tomorrow share their dreams
With you and me

Take me to the magic of the moment on a glory night
Where the children of tomorrow dream away
In the wind of change

The wind of change blows straight into the face of time
Like a stormwind that will ring the freedom bell for peace of mind
Let your balalaika sing what my guitar wants to say

Take me to the magic of the moment on a glory night...

I JUST CALLED TO SAY I LOVE YOU

STEVIE WONDER

No new years's day to celebrate
No chocolate covered candy hearts to give away
No first of spring, no song to sing
In fact here's just another ordinary day
No April rain, no flowers bloom
No wedding Saturday within the month of June
But what it is, is something true
Made up of these three words that I must say to you

I just called to say I love you
I just called to say how much I care
I just called to say I love you
And I mean it from the bottom of my heart

No summer's high, no warm July
No harvest moon to light one tender August night
No autumn breeze, no falling leaves
Not even time for birds to fly to southern skies
No libra sun, no Halloween
No giving thanks to all the Christmas joy you bring
But what it is, though old so new
To fill your heart like no three words could ever do

I just called to say I love you
I just called to say how much I care about you
I just called to say I love you
And I mean it from the bottom of my heart

I just called to say I love you...

Of my heart
Of my heart

I WILL ALWAYS LOVE YOU

WHITNEY HOUSTON

If I should stay,
I would only be in your way
So I'll go, but I know
I'll think of you every step of the way

And I will always love you
I will always love you
You, my darling, you, hmm...

Bittersweet memories
that is all I'm taking with me
So, goodbye. Please, don't cry
We both know I'm not what you, you need

And I will always love you
I will always love you

I hope life treats you kind
And I hope you have all you've dreamed of
And I wish to you, joy and happiness
But above all this, I wish you love

And I will always love you
I will always love you
I will always love you
I will always love you
I will always love you
I, I will always love you

You, darling, I love you
Ooh, I'll always, I'll always love you

LADY IN BLACK

URIAH HEEP

She came to me one morning
One lonely Sunday morning
Her long hair flowing
In the midwinter wind
I know not how she found me
For in darkness I was walking
And destruction lay around me
From a fight I could not win
Aaa...

She asked me name my foe then
I said the need within some men
To fight and kill their brothers
Without thought of love or God
And I begged her give me horses
To trample down my enemies
So eager was my passion
To devour this waste of life
Aaa...

But she wouldn't think of battle that
Reduces men to animals
So easy to begin
And yet impossible to end
For she's the mother of all men
Who counselled me so wisely then
I feared to walk alone again
And asked if she would stay
Aaa...

Oh, lady, lend your hand outright
And let me rest here at your side
Have faith and trust in peace she said
And filled my heart with life
There is no strength in numbers
Have no such misconception
But when you need me
Be assured I won't be far away
Aaa...

Thus having spoke she turned away
And though I found no words to say
I stood and watched until I saw
Her black coat disappear
My labour is no easier
But now I know I'm not alone
I find new heart each time
I think upon that windy day
And if one day she comes to you
Drink deeply from her words so wise
Take courage from her as your prize
And say hello from me
Aaa...

SHAPE OF MY HEART

STING

He deals the cards as a meditation
And those he plays never suspect
He doesn't play for the money he wins
He don't play for respect
He deals the cards to find the answer
The secret geometry of chance
The hidden law of probable outcome
The numbers lead a dance

I know that the spades are the swords of a soldier
I know that the clubs are weapons of war
I know that diamonds mean money for this art
But that's not the shape of my heart

He may play the jack of diamonds
He may lay the queen of spades
He may conceal a king in his hand
While the memory of it fades

I know that the spades are the swords of a soldier...

That's not the shape, shape of my heart

And if I told you that I loved you
You'd maybe think there's something wrong
I'm not a man of too many faces
The mask I wear is one
Those who speak know nothing
And find out to their cost
Like those who curse their luck in too many places
And those who fear are lost

I know that the spades are the swords of a soldier...

I'M STILL STANDING

ELTON JOHN

You could never know what it's like
Your blood like winter freezes just like ice
And there's a cold lonely light that shines from you
You'll wind up like the wreck you hide
Behind that mask you use.

And did you think this fool could never win?
Well look at me, I'm coming back again!
I got a taste of love in a simple way
And if you need to know while I'm still standing
You just fade away!

Don't you know, I'm still standing
Better than I ever did?
Looking like a true survivor
Feeling like a little kid!
I'm still standing after all this time
Picking up the pieces of my life without you on my mind!
I'm still standing, yeah, yeah, yeah.
I'm still standing, yeah, yeah, yeah.

Once I never could hope to win
You starting down the road leaving me again
The threats you made were meant to cut me down
And if our love was just a circus
You'd be a clown by now

Don't you know I'm still standing...

CAN'T HELP FALLING IN LOVE

ELVIS PRESLEY

Wise men say only fools rush in
But I can't help falling in love with you
Shall I stay
Would it be a sin
If I can't help falling in love with you

Like a river flows surely to the sea
Darling, so it goes
Some things are meant to be
Take my hand, take my whole life too
For I can't help falling in love with you

Like a river flows surely to the sea
Darling, so it goes
Some things are meant to be
Take my hand, take my whole life too
For I can't help falling in love with you

For I can't help falling in love with you

THE FINAL COUNTDOWN

EUROPE

We're leaving together
But still it's farewell
And maybe we'll come back
To earth, who can tell?
I guess there is no one to blame
We're leaving ground (leaving ground)
Will things ever be the same again?

It's the final countdown!
The final countdown
Ooo!

We're heading for Venus
And still we stand tall
Cause maybe they've seen us
And welcome us all, yeah
With so many light years to go
And things to be found (to be found)
I'm sure that we'll all miss her so

It's the final countdown!
The final countdown
Ooo...

SWEET DREAMS

EURYTHMICS

Sweet dreams are made of this
Who am I to disagree?
I've traveled all world and the seven seas
Everybody's looking for something
Some of them want to use you
Some of them want to get used by you
Some of them want to abuse you
Some of them want to be abused

Sweet dreams are made of this
Who am I to disagree?
I've traveled all world and the seven seas
Everybody's looking for something

Hold your head up
Keep your head up, movin' on
Hold your head up, movin' on
Keep your head up, movin' on
Hold your head up, movin' on
Keep your head up, movin' on
Hold your head up, movin' on
Keep your head up

Some of them want to use you
Some of them want to get used by you
Some of them want to abuse you
Some of them want to be abused

Hold your head up...

Sweet dreams are made of this...

SOMETHING STUPID

FRANK SINATRA & NANCY SINATRA

I know I stand in line until you think you have the time
To spend an evening with me
And if we go some place to dance
I know that there's a chance you won't be leaving with me

Then afterwards we drop into a quiet little place
And have a drink or two
And then I go and spoil it all
By saying something stupid
Like I love you

I can see it in your eyes
That you despise the same old lines
You heard the night before and though it's just a line to you
For me it's true and never seemed so right before

I practice every day to find some clever lines to say
To make the meaning come through
But then I think I'll wait until the evening gets late
And I'm alone with you

The time is right, your perfume fills my head
The stars get red and, oh, the night's so blue
And then I go and spoil it all
By saying something stupid
Like I love you

The time is right...

I love you, I love you, I love you

DON'T CRY FOR ME ARGENTINA

MADONNA

It won't be easy, you'll think it strange
When I try to explain how I feel
That I still need your love
After all that I've done

You won't believe me
All you will see is a girl you once knew
Although she's dressed up to the nines
At sixes and sevens with you

I had to let it happen, I had to change
Couldn't stay all my life down at heel
Looking out of the window,
Staying out of the sun

So I chose freedom
Running around, trying everything new
But nothing impressed me at all
I never expected it to

Don't cry for me Argentina
The truth is I never left you
All through my wild days
My mad existence
I kept my promise
Don't keep your distance

And as for fortune, and as for fame
I never invited them in
Though it seemed to the world
They were all I desired

They are illusions
They're not the solutions
They promised to be
The answer was here all the time
I love you and hope you love me

Don't cry for me Argentina

Don't cry for me Argentina
The truth is I never left you
All through my wild days
My mad existence
I kept my promise
Don't keep your distance

Have I said too much?
There's nothing more I can think of
To say to you
But all you have to do
Is look at me to know
That every word is true

KAYLEIGH

MARILLION

Do you remember chalk hearts melting on a playground wall
Do you remember dawn escapes from moon washed college halls
Do you remember the cherry blossom in the market square
Do you remember I thought it was confetti in our hair

By the way, didn't I break your heart?
Please excuse me, I never meant to break your heart
So sorry, I've never meant to break your heart
But you broke mine

Kayleigh, is it too late to say I'm sorry?
And, Kayleigh, could we get it together again?
I just can't go on pretending that it came to a natural end
Kayleigh, oh, I never thought I'd miss you
And, Kayleigh, I thought that we'd always be friends
We said our love would last forever
So how did it come to this bitter end?

Do you remember barefoot on the lawn with shooting stars
Do you remember loving on the floor in Belsize Park
Do you remember dancing in stilettos in the snow
Do you remember you never understood I had to go

By the way, didn't I break your heart...

Kayleigh, I just wanna say I'm sorry
But, Kayleigh, I'm too scared to pick up the phone
To hear you've found another lover to patch up our broken home...
Kayleigh, I'm still trying to write that love song
Kayleigh, it's more important to me now you're gone
Maybe it will prove that we were right
Or it'll prove that I was wrong?

BANG BANG (MY BABY SHOT ME DOWN)

NANCY SINATRA

I was five and he was six
We rode on horses made of sticks
He wore black and I wore white
He would always win the fight

Bang bang, he shot me down
Bang bang, I hit the ground
Bang bang, that awful sound
Bang bang, my baby shot me down

Seasons came and changed the time
When I grew up, I called him mine
He would always laugh and say
Remember when we used to play

Bang bang, I shot you down
Bang bang, you hit the ground
Bang bang, that awful sound
Bang bang , I used to shoot you down

Music played and people sang
Just for me the church bells rang

Now he's gone, I don't know why
Until this day, sometimes I cry
He didn't even say 'Goodbye'
He didn't take the time to lie

Bang bang, he shot me down
Bang bang, I hit the ground
Bang bang, that awful sound
Bang bang, my baby shot me down

WHERE THE WILD ROSES GROW

KYLIE MINOGUE & NICK CAVE

They call me the Wild Rose
But my name was Elisa Day
Why they call me it, I do not know
For my name was Elisa Day

From the first day I saw her
I knew she was the one
She stared in my eyes and smiled
For her lips were the color of the roses
They grew down the river
All bloody and wild

When he knocked on my door
And entered the room
My trembling subsided in his sure embrace
He would be my first man
And with a careful hand
He wiped up the tears
That ran down my face

They call me the Wild Rose...

On the second day I brought her a flower
She's more beautiful
Than any woman I've seen
And I said: 'Do you know
Where the wild roses grow
So sweet and scarlet and free?'

On the second day he came
With a single rose
He said: 'Give me your loss
And your sorrow'
I nodded my head as I laid on the bed
'If I show you the roses, will you follow?'

They call me the Wild Rose...

On the third day
He took me to the river
He showed me the roses and we kissed
And the last thing I heard
Was a muttered word
As he knelt above me with a rock in his fist

On the last day I took her
Where the wild roses grow
She lay on the bank
The wind light as a thief
And I kissed her goodbye
Said: 'All beauty must die'
And I knelt down
And planted a rose between her teeth

They call me the Wild Rose...

KILLING ME SOFTLY

ROBERTA FLACK

Strumming my pain with his fingers
Singing my life with his words
Killing me softly with his song
Killing me softly with his songs
Telling my whole life with his words
Killing me softly with his song

I heard he sang a good song
I heard he had a style
And so I came to see him to listen for a while
And there he was this young boy
A stranger to my eyes

Strumming my pain with his fingers...

I felt all flushed with fever
Embarrassed by the crowd
I felt he found my letters and read each out loud
I prayed that he would finish
But he just kept right on

Strumming my pain with his fingers...

He sang as if he knew me
In all my dark despair
And then he looked right through me as if I wasn't there
And he just kept on singing
Singing clear and strong

Strumming my pain with his fingers...

SAILING

ROD STEWART

I am sailing
I am sailing
Home again 'cross the sea
I am sailing stormy waters
To be near you to be free

I am flying
I am flying
Like a bird 'cross the sky
I am flying passing high clouds
To be with you to be free

Can you hear me?
Can you hear me?
Thro' the dark night far away
I am dying, forever crying
To be with you who can say

Can you hear me?
Can you hear me?
Thro' the dark night far away
I am dying, forever crying
To be with you who can say

We are sailing
we are sailing
Home again 'cross the sea
We are sailing stormy waters
To be near you to be free

Oh, Lord, to be near you to be free...
Oh, Lord, to be near you to be free...

FRIENDS WILL BE FRIENDS

QUEEN

Another red letter day
So the pound has dropped and the children are creating
The other half ran away
Taking all the cash and leaving you with the lumber
Got a pain in the chest
Doctors on strike what you need is a rest

It's not easy love, but you've got friends you can trust
Friends will be friends
When you're in need of love they give you care and attention
Friends will be friends,
When you're through with life and all hope is lost
Hold out your hand cos friends will be friends
Right till the end

Now it's a beautiful day
The postman delivered a letter from your lover
Only a phone call away
You tried to track him down but somebody stole his number
As a matter of fact
You're getting used to life without him in your way

It's so easy now, cos you got friends you can trust
Friends will be friends
When you're in need of love they give you care and attention,
Friends will be friends
When you're through with life and all hope is lost
Hold out your hand cos friends will be friends
Right till the end

I WANT TO BREAK FREE

QUEEN

I want to break free
I want to break free
I want to break free from your lies
You're so self-satisfied, I don't need you
I've got to break free
God knows, God knows I want to break free

I've fallen in love
I've fallen in love for the first time
And this time I know it's for real
I've fallen in love, yeah
God knows, God knows I've fallen in love

It's strange but it's true
I can't get over the way you love me like you do
But I have to be sure
When I walk out that door
Oh, how I want to be free baby
Oh, how I want to be free
Oh, how I want to break free

But life still goes on
I can't get used to living without, living without
Living without you by my side
I don't want to live alone hey
God knows, got to make it on my own
So, baby, can't you see
I've got to break free

I've got to break free
I want to break free, yeah

I want, I want, I want, I want to break free...

SOMEBODY TO LOVE

QUEEN

Can anybody find me somebody to love?
Each morning I get up I die a little
Can barely stand on my feet (Take a look at yourself)
Take a look in the mirror and cry
Lord, what you're doing to me
I've spend all my years in believing you
But I just can't get no relief, Lord
Somebody (somebody), ooh, somebody (somebody)
Can anybody find me somebody to love?

I work hard (he works hard) everyday of my life
I work till I ache my bones
At the end (at the end of the day)
I take home my hard earned pay all on my own
I get down (down) on my knees (knees)
And I start to pray (praise the Lord)
'Til the tears run down from my eyes
Lord, somebody (somebody), ooh, somebody (please)
Can anybody find me somebody to love?

(He wants help) Every day I try and I try and I try
But everybody wants to put me down
They say I'm goin' crazy
They say I got a lot of water in my brain
Got no common sense
I got nobody left to believe
Yeah, yeah, yeah, yeah...
Ooh, somebody (ooh, somebody)
Can anybody find me somebody to love?
(Anybody find me someone to love)

Got no feel I got no rhythm
I just keep losing my beat (you just keep losing and losing)
I'm OK, I'm alright (he's alright, he's alright)
I ain't gonna face no defeat
I just gotta get out of this prison cell
One day I'm gonna be free, Lord

THESE ARE THE DAYS OF OUR LIVES

QUEEN

Sometimes I get to feeling I was back in the old days long ago
When we were kids, when we were young
Things seemed so perfect, you know?
The days were endless, we were crazy, we were young
The sun was always shinin, we just lived for fun
Sometimes it seems like lately, I just don't know
The rest of my life's been just a show

Those were the days of our lives
The bad things in life were so few
Those days are all gone now but one thing is true
When I look and I find I still love you

You can't turn back the clock, you can't turn back the tide
Ain't that a shame?
I'd like to go back one time on a roller coaster ride
When life was just a game
No use and sitting and thinking on what you did
When you can lay back and enjoy it through your kids
Sometimes it seems like lately I just don't know
Better sit back and go with the flow

'Cause these are the days of our lives
They've flown in the swiftness of time
These days are all gone now but some things remain
When I look and I find no change

Those were the days of our lives, yeah
The bad things in life were so few
Those days are all gone now but one thing's still true
When I look and I find I still love you, I still love you

SMOOTH OPERATOR

SADE

He's laughing with another girl
And playing with another heart
Placing high stakes, making hearts ache
He's loved in seven languages
Diamond nights and ruby lights, high in the sky
Heaven help him when he falls

Diamond life, lover boy
We move in space with minimum waste and maximum joy
City lights and business nights
When you require streetcar desire for higher heights
No place for beginners or sensitive hearts
When sentiment is left to chance
No place to be ending but somewhere to start

No need to ask
He's a smooth operator, smooth operator
Smooth operator, smooth operator
Coast to coast, LA to Chicago
Western male
Across the north and south to Key Largo
Love for sale

Face to face, each classic case
We shadow box and double cross
Yet need the chase
A license to love, insurance to hold
Melts all your memories and change into gold
His eyes are like angels but his heart is cold

No need to ask
He's a smooth operator, smooth operator
Smooth operator, smooth operator
Coast to coast, LA to Chicago
Western male
Across the north and south to Key Largo
Love for sale

BIG IRON

MARTY ROBBINS

To the town of Agua Fria
Rode a stranger one fine day
Hardly spoke to folks around him
Didn't have too much to say
No one dared to ask his business
No one dared to make a slip
The stranger there among them
Had a big iron on his hip
Big iron on his hip

It was early in the morning
When he rode into the town
He came riding from the south side
Slowly lookin' all around
'He's an outlaw, loose and running,'
Came the whisper from each lip
'And he's here to do some business
With the big iron on his hip'
Big iron on his hip

In this town there lived an outlaw
By the name of Texas Red
Many men had tried to take him
And that many men were dead
He was vicious and a killer
Though a youth of twenty four
And the notches on his pistol
Numbered one and nineteen more
One and nineteen more

Now the stranger started talking
Made it plain to folks around
Was an Arizona ranger
Wouldn't be too long in town
He came here to take an outlaw
Back alive or maybe dead
And he said it didn't matter
He was after Texas Red
After Texas Red

Wasn't long before the story
Was relayed to Texas Red
But the outlaw didn't worry
Men that tried before were dead
Twenty men had tried to take him
Twenty men had made a slip
Twenty one would be the ranger
With the big iron on his hip
Big iron on his hip

The morning passed so quickly
It was time for them to meet
It was twenty past eleven
When they walked out in the street
Folks were watching from the windows
Everybody held their breath
They knew this handsome ranger
Was about to meet his death
About to meet his death

There was forty feet between them
When they stopped to make their play
And the swiftness of the ranger
Is still talked about today
Texas Red had not cleared leather
'Fore a bullet fairly ripped
And the ranger's aim was deadly
With the big iron on his hip
Big iron on his hip

It was over in a moment
And the folks had gathered round
There before them lay the body
Of the outlaw on the ground
Oh, he might have went on livin'
But he made one fatal slip
When he tried to match the ranger
With the big iron on his hip
Big iron on his hip

ANOTHER ONE BITES THE DUST

QUEEN

Steve walks warily down the street
With his brim pulled way down low
Ain't no sound but the sound of his feet
Machine guns ready to go

Are you ready, hey, are you ready for this?
Are you hanging on the edge of your seat?
Out of the doorway the bullets rip
To the sound of the beat yeah

Another one bites the dust
Another one bites the dust
And another one gone
And another one gone
Another one bites the dust
Hey, I'm gonna get you too
Another one bites the dust

How do you think I'm going to get along
Without you when you're gone
You took me for everything that I had
And kicked me out on my own

Are you happy, are you satisfied?
How long can you stand the heat
Out of the doorway the bullets rip
To the sound of the beat look out

Another one bites the dust
Another one bites the dust
And another one gone
And another one gone
Another one bites the dust
Hey, I'm gonna get you too
Another one bites the dust

Hey
Oh, take it
Bite the dust
Bite the dust

Hey
Another one bites the dust
Another one bites the dust, ow
Another one bites the dust, he, he
Another one bites the dust, haaaa
Ooh, shoot out

There are plenty of ways
That you can hurt a man
And bring him to the ground
You can beat him
You can cheat him
You can treat him bad and leave him
When he's down
But I'm ready yes I'm ready for you
I'm standing on my own two feet
Out of the doorway the bullets rip
Repeating to the sound of the beat

Another one bites the dust
Another one bites the dust
And another one gone
And another one gone
Another one bites the dust, yeah
Hey, I'm gonna get you too
Another one bites the dust
Shoot out

BOHEMIAN RHAPSODY

QUEEN

Is this the real life?
Is this just fantasy?
Caught in a landslide
No escape from reality
Open your eyes
Look up to the skies and see
I'm just a poor boy, I need no sympathy
Because I'm easy come, easy go
Little high, little low
Anyway the wind blows
Doesn't really matter to me, to me

Mama just killed a man
Put a gun against his head
Pulled my trigger, now he's dead
Mama, life had just begun
But now I've gone and thrown it all away
Mama, ooh, didn't mean to make you cry
If I'm not back again this time tomorrow
Carry on, carry on
As if nothing really matters

Too late, my time has come
Sends shivers down my spine
Body's aching all the time
Good bye, everybody, I've got to go
Gotta leave you all behind
And face the truth

Mama, ooh (anyway the winds blow)
I don't wanna die
I sometimes wish I'd never been born at all

I see a little silhouette of a man
Scaramouche, scaramouche
Will you do the Fandango
Thunderbolt and Lightning
Very very fright'ning me

(Galileo), Galileo, (Galileo), Galileo
Galileo figaro, magnifico

I'm just a poor boy
And nobody loves me
He's just a poor boy from a poor family
Spare him his life from this monstrosity

Easy come, easy go, will you let me go?
Bis-mil-lah !

No, we will not let you go (Let him go)
Bis-mil-lah !

We will not let you go (Let me go)
Bis-mil-lah !

We will not let you go (Let me go)
Will not let you go (Let me go)
Will not let you go (Let me go)

Ah. No, no, no, no, no, no, no
(Oh mamma mia, mamma mia)
Mamma mia, let me go
Belzebug has a devil put aside for me
For me, for me

So you think you can stone me
And spit in my eye
So you think you can love me
And leave me to die
Oh, baby, can't do this to me, baby
Just gotta get out
Just gotta get right outta here

Nothing really matters
Anyone can see
Nothing really matters
Nothing really matters to me
Anyway the wind blows

MY HEART WILL GO ON

CELINE DION

Every night in my dreams
I see you, I feel you
That is how I know you go on
Far across the distance
And spaces between us
You have come to show you go on

Near, far, wherever you are
I believe that the heart does go on
Once more you open the door
And you're here in my heart and
My heart will go on and on

Love can touch us one time
And last for a lifetime
And never let go till we're gone
Love was when I loved you
One true time I hold to
In my life we'll always go on

Near, far, wherever you are
I believe that the heart does go on
Once more you open the door
And you're here in my heart and
My heart will go on and on

You're here, there's nothing I fear
And I know that my heart will go on
We'll stay forever this way
You are safe in my heart and
My heart will go on and on

LOST HIGHWAY

BON JOVI

In my rearview mirror
My life is getting clearer
The sunset sighs and slowly disappears
These trinkets once were treasure
Life changes like the weather
You grow up, grow old, or you hit the road 'round here
So I drive (drive, drive)
Watching white lines passing by
With my plastic dashboard Jesus
Waiting there to greet us

Hey, Hey, I finally found my way
Said goodbye to yesterday
Hit the gas, there ain't no brakes on this lost highway
Yeah, I'm busting loose, I'm lettin go
Out on this open road
It's independence day on this lost highway
Hey hey, hey hey

Don't know where I'm going
But I know where I've been
I'm afraid of going back again
So I drive (drive, drive)
Years and miles are flying by
And waiting there to greet us
Is my plastic dashboard Jesus

Hey, Hey, I finally found my way...

Oh patron saint of lonely souls
Tell this boy which way to go
Guide the car, you've got the keys
Farewell to mediocrity
Kicking off the cruise control
And turning up the radio
Got just enough religion
And a half a tank of gas
Come on
Let's go

I finally found my way...

NOTHING COMPARES TO YOU

SINEAD O'CONNOR

It's been seven hours and fifteen days
Since you took your love away
I go out every night and sleep all day
Since you took your love away
Since you been gone I can do whatever I want
I can see whomever I choose
I can eat my dinner in a fancy restaurant
But nothing
I said nothing can take away these blues

'Cause nothing compares
Nothing compares to you

It's been so lonely without you here
Like a bird without a song
Nothing can stop these lonely tears from falling
Tell me, baby, where did I go wrong
I could put my arms around every boy I see
But they'd only remind me of you
I went to the doctor and guess what he told me
Guess what he told me
He said girl you better try to have fun
No matter what you do
But he's a fool

'Cause nothing compares
Nothing compares to you

All the flowers that you planted, mama
In the back yard
All died when you went away
I know that living with you baby was sometimes hard
But I'm willing to give it another try

Nothing compares, nothing compares to you...

DANCING WITH TEARS IN MY EYES

ULTRAVOX

Dancing with tears in my eyes
Weeping for the memory of a life gone by
Dancing with tears in my eyes
Living out a memory of a love that died

It's five and I'm driving home again
That's hard to believe that it's my last time
The man on the wireless cries again
It's over, it's over

Dancing with tears in my eyes...

It's late and I'm with my love alone
We drink to forget the coming storm
We love to the sound of our favourite song
Over and over

Dancing with tears in my eyes...

It's time and we're in each others arms
It's time but I don't think we really care

Dancing with tears in my eyes
Weeping for the memory of a life gone by
Dancing with tears in my eyes
Weeping for the memory of a life gone by
Dancing with tears in my eyes

SOUS LE VENT

GAROU & CELINE DION

Et si tu crois que j'ai eu peur
C'est faux
Je donne des vacances à mon coeur
Un peu de repos
Et si tu crois que j'ai eu tort
Attends
Respire un peu le souffle d'or
Qui me pousse en avant
Et

Fais comme si j'avais pris la mer
J'ai sorti la grand'voile
Et j'ai glissé sous le vent
Fais comme si je quittais la terre
J'ai trouvé mon étoile
Je l'ai suivie un instant
Sous le vent

Et si tu crois que c'est fini
Jamais
C'est juste une pause un répit
Après les dangers
Et si tu crois que je t'oublie
Écoute
Ouvre ton corps aux vents de la nuit
Ferme les yeux
Et

Fais comme si j'avais pris la mer...

Et si tu crois que c'est fini
Jamais (Sous le vent)
C'est juste une pause un répit
Après les dangers

Fais comme si j'avais pris la mer...

LIVING NEXT DOOR TO ALICE

SMOKIE

Sally called when she got the word
And she said: 'I suppose you've heard about Alice'
When I rushed to the window and I looked outside
And I could hardly believe my eyes
As a big limousine rolled up into Alice's drive

Oh, I don't know why she's leaving
Or where she's gonna go
I guess she's got her reasons
But I just don't want to know
'Cos for twenty-four years I've been living next door to Alice
Twenty-four years just waiting for the chance
To tell her how I feel and maybe get a second glance
Now I've got to get used to not living next door to Alice

We grew up together
Two kids in the park
We carved our initials deep in the bark
Me and Alice
Now she walks through the door with her head held high
Just for a moment, I caught her eye
As a big limousine pulled slowly out of Alice's drive

I don't know why she's leaving...

And Sally called back and asked how I felt
And she said: 'I know how to help – get over Alice'
She said: 'Now Alice is gone but I'm still here
You know I've been waiting for twenty-four years'
And a big limousine disappeared

I don't know why she's leaving...

No, I'll never get used to not living next door to Alice

ET SI TU N'EXISTAIS PAS

JOE DASSIN

Et si tu n'existais pas
Dis-moi pourquoi j'existerais
Pour traîner dans un monde sans toi
Sans espoir et sans regret
Et si tu n'existais pas
J'essaierais d'inventer l'amour
Comme un peintre qui voit sous ses doigts
Naître les couleurs du jour
Et qui n'en revient pas

Et si tu n'existais pas
Dis-moi pour qui j'existerais
Des passantes endormies dans mes bras
Que je n'aimerais jamais
Et si tu n'existais pas
Je ne serais qu'un point de plus
Dans ce monde qui vient et qui va
Je me sentirais perdu
J'aurais besoin de toi

Et si tu n'existais pas
Dis-moi comment j'existerais
Je pourrais faire semblant d'être moi
Mais je ne serais pas vrai
Et si tu n'existais pas
Je crois que je l'aurais trouvé
Le secret de la vie, le pourquoi
Simplement pour te créer
Et pour te regarder

Et si tu n'existais pas
Dis-moi pourquoi j'existerais
Pour traîner dans un monde sans toi
Sans espoir et sans regret
Et si tu n'existais pas
J'essaierais d'inventer l'amour
Comme un peintre qui voit sous ses doigts
Naître les couleurs du jour
Et qui n'en revient pas

ONE OF US

ABBA

They passed me by all of those great romances
You were, I felt, robbing me of my rightful chances
My picture clear, everything seemed so easy
And so I dealt you the blow
One of us had to go
Now it's different
I want you to know

One of us is crying
One of us is lying
In her lonely bed
Staring at the ceiling
Wishing she was somewhere else instead
One of us is lonely
One of us is only
Waiting for a call
Sorry for herself
Feeling stupid
Feeling small
Wishing she had never left at all

I saw myself as a concealed attraction
I felt you kept me away from the heat and the action
Just like a child stubborn and misconceiving
That's how I started the show
One of us had to go
Now I've changed and
I want you to know

One of us is crying...

STRONG ENOUGH

CHER

I don't need your sympathy
There's nothing you can say or do for me
And I don't want a miracle
You'll never change for no one
I hear your reasons why
Where did you sleep last night?
And was she worth it, was she worth it?

'Cos I'm strong enough to live without you
Strong enough and I quit crying
Long enough, now I'm strong enough
To know you gotta go
There's no more to say
So, save your breath
And then walk away
No matter what I hear you say
I'm strong enough to know you gotta go

So, you feel misunderstood
Baby, have I got news for you
On being used I could write the book
What you don't wanna hear about it
I've been losing sleep
You've been going cheap
She ain't worth half of me, it's true
Now I'm telling you

Now I'm strong enough to live without you
Strong enough and I quit crying
Long enough, now I'm strong enough
To know you've got to go

Come hell or waters high
You'll never see me cry
This is our last goodbye, it's true
I'm telling you...

Now I'm strong enough to live without you...

KARMA CHAMELEON

CULTURE CLUB

There's a loving in your eyes all the way
If I listen to your lies would you say
I'm a man without conviction
I'm a man who doesn't know
How to sell a contradiction
You come and go
You come and go

Karma, karma, karma, karma, karma chameleon
You come and go
You come and go
Loving would be easy if your colors were like my dream
Red, gold and green
Red, gold and green

Didn't hear your wicked words every day
And you used to be so sweet I heard you say
That my love was an addiction
When we cling our love is strong
When you go, you're gone forever
You string along
You string along

Karma, karma, karma, karma, karma chameleon...

Every day is like a survival
You're my lover, not my rival
Every day is like a survival
You're my lover, not my rival

I'm a man without conviction
I'm a man who doesn't know
How to sell a contradiction
You come and go
You come and go

Karma, karma, karma, karma, karma chameleon...

I WILL SURVIVE

GLORIA GAYNOR

At first I was afraid, I was petrified
Kept thinkin' I could never live without you by my side
But then I spent so many nights thinkin' how you did me wrong
And I grew strong, and I learned how to get along

And so your back, from outerspace
I just walked in to find you here with that sad look upon your face
I should've changed that stupid lock
I should've made you leave your key
If I had known for just one second you'd be back to bother me

Go on now go, walk out the door
Just turn around now, 'cause you're not welcome anymore
Weren't you the one who tried to hurt me with goodbye
You think I'd crumble? You think I'd lay down and die?
Oh no not I, I will survive
Oh as long as I know how to love I know I'll stay alive
I've got all my life to live; I've got all my love to give
And I'll survive, I will survive
Hey, hey!

It took all the strength I had not to fall apart
And trying hard to mend the pieces of my broken heart
And I spent oh so many nights just feeling sorry for myself
I used to cry, but now I hold my head up high
And you'll see me, somebody new
I'm not that chained up little person still in love with you
And so you felt like droppin' in and just expect me to be free
Now I'm savin' all my lovin' for someone who's lovin' me

Go on now go, walk out the door...

HIT THE ROAD JACK

RAY CHARLES

Hit the Road Jack and don't you come back
No more, no more, no more, no more
Hit the Road Jack and don't you come back no more
What'd you say?
Hit the Road Jack and don't you come back
No more, no more, no more, no more
Hit the Road Jack and don't you come back no more

Oh, woman, oh, woman, don't treat me so mean
You're the meanest old woman I have ever seen

I guess if you say so
I have to pack my things and go (that's right!)

Hit the Road Jack and don't you come back...

Now, baby, listen, baby, don't you treat me this a way
Cause I'll be back on my feet some day
Don't care if you do, cause it's understood
You ain't got no money and you just ain't no good

Well, I guess if you say so
I have to pack my things and go (that's right!)

Hit the Road Jack and don't you come back...

Well, oh, what you say? I didn't understand you
You can't mean that... Oh now, baby, please
What you tryin to do to me?

ALL STAR

SMASH MOUTH

Somebody once told me
The world is gonna roll me
I ain't the sharpest tool in the shed
She was looking kind of dumb
With her finger and her thumb
In the shape, of an 'L' on her forehead

Well, the years start coming
And they don't stop coming
Fed to the rules
And I hit the ground running
Didn't make sense not to live for fun
Your brain gets smart
But your head gets dumb

So much to do, so much to see
So what's wrong
With taking the back streets
You'll never know if you don't go
You'll never shine if you don't glow

Hey now, you're an All Star
Get your game on and go play
Hey now, you're a Rock Star
Get the show on and get paid
And all that glitters is gold
Only shooting stars break the mold

It's a cool place
And they say it gets colder
You're bundled up now
But wait 'til you get older
But the meteor men beg to differ
Judging by the hole
In the satellite picture

The ice we skate
Is getting pretty thin
The waters getting warm
So you might as well swim
My world's on fire, how about yours?
That's the way I like it
And I never get bored

Hey now, you're an All Star...

Hey now, you're an All Star...

Somebody once asked
'Could I spare some change for gas
I need to get myself away from this place'
I said yep, what a concept
I could use a little fuel myself
And we could all use a little change

Well, the years start coming
And they don't stop coming
Fed to the rules
And I hit the ground running
Didn't make sense not to live for fun
Your brain gets smart
But your head gets dumb

So much to do, so much to see
So what's wrong
With taking the back streets
You'll never know if you don't go
You'll never shine if you don't glow

Hey now, you're an All Star...

I'M A BELIEVER

SMASH MOUTH

I thought love was only true in fairy tales
Meant for someone else but not for me
Love was out to get to me
That's the way it seems
Disappointment haunted all my dreams

And then I saw her face
Now I'm a believer
Not a trace
Of doubt in my mind
I'm in love
I'm a believer
I couldn't leave her
If I tried

I thought love was more or less a given thing
But the more I gave the less I got, oh yeah
What's the use in trying
All you get is pain
When I wanted sunshine I got rain

And then I saw her face...

What's the use in trying
All you get is pain
When I wanted sunshine I got rain

And then I saw her face...
