

# RIGHT HERE WAITING

*RICHAD MARX*

Oceans apart day after day  
And I slowly go insane  
I hear your voice on the line  
But it doesn't stop the pain

If I see you next to never  
How can we say forever

Wherever you go  
Whatever you do  
I will be right here waiting for you  
Whatever it takes  
Or how my heart breaks  
I will be right here waiting for you

I took for granted, all the times  
That I thought would last somehow  
I hear the laughter, I taste the tears  
But I can't get near you now

Oh, can't you see it baby  
You've got me goin' crazy

Wherever you go...

I wonder how we can survive  
This romance  
But in the end if I'm with you  
I'll take the chance

Oh, can't you see it baby  
You've got me goin' crazy

Wherever you go...

# WITHOUT YOU

## *HARRY NILSSON*

No, I can't forget this evening  
Or your face as you were leaving  
But I guess that's just the way the story goes  
You always smile but in your eyes your sorrow shows  
Yes, it shows

No, I can't forget tomorrow  
When I think of all my sorrow  
When I had you there but then I let you go  
And now it's only fair that I should let you know  
What you should know

I can't live if living is without you  
I can't live, I can't give any more  
I can't live if living is without you  
I can't give, I can't give any more

No, I can't forget this evening  
Or your face as you were leaving  
But I guess that's just the way the story goes  
You always smile but in your eyes your sorrow shows  
Yes, it shows

I can't live if living is without you  
I can't live, I can't give anymore  
I can't live if living is without you  
I can't live, I can't give anymore

# INTO THE WEST

*ANNIE LENNOX*

Lay down  
Your sweet and weary head  
Night is falling  
You have come to journey's end

Sleep now  
And dream of the ones who came before  
They are calling  
From across the distant shore

Why do you weep?  
What are these tears upon your face?  
Soon you will see  
All of your fears will pass away

Safe in my arms  
You're only sleeping

What can you see  
On the horizon?  
Why do the white gulls call?

Across the sea  
A pale moon rises  
The ships have come  
To carry you home  
And all will turn to silver glass  
Lights on the water  
All souls pass

Hope fades  
Into the world of night  
Through shadows falling  
Out of memory and time

Don't say  
We have come now to the end  
White shores are calling  
You and I will meet again

And you'll be here in my arms  
Just sleeping

What can you see  
On the horizon?  
Why do the white gulls call?

Across the sea  
A pale moon rises  
The ships have come  
To carry you home  
And all will turn to silver glass  
Lights on the water  
Grey ships pass  
Into the West

# POISON

## *ALICE COOPER*

Your cruel device  
Your blood like ice  
One look could kill  
My pain, your thrill

I wanna love you but I better not touch (don't touch)  
I wanna hold you, but my senses tell me to stop  
I wanna kiss you but I want it too much (too much)  
I wanna taste you but your lips are venomous poison  
You're poison, running through my veins  
You're poison, I don't wanna break these chains

Your mouth so hot  
Your web, I'm caught  
Your skin so wet  
Black lace on sweat

I hear you calling and it's needles and pins (and pins)  
I wanna hurt you just to hear you screaming my name  
Don't wanna touch you but you're under my skin (deep in)  
I wanna kiss you but your lips are venomous poison  
You're poison, running through my veins  
Your poison  
I don't wanna break these chains  
Poison...

One look, could kill  
My pain, your thrill

I wanna love you...  
Poison...

# THIS IS THE LIFE

*AMY MACDONALD*

Oh, the wind whistles down  
The cold dark street tonight  
And the people, they were dancing  
To the music vibe  
And the boys chase the girls  
With the curls in their hair  
While the shy tormented youth  
Sit way over there  
And the songs they get louder  
Each one better than before

And you're singing the songs  
Thinking this is the life  
And you wake up in the morning  
And your head feels twice the size  
Where you gonna go,  
Where you gonna go?  
Where you gonna sleep tonight?

And you're singing the songs...

So you're heading down the road  
In your taxi for four  
And your waiting  
Outside Jimmy's front door  
But nobody's in, nobody's home till four  
So you're sitting there with nothing to do  
Talking about Robert Riger  
And his motley crew  
And where you're gonna go?  
Where you're gonna sleep tonight?

And you're singing the songs...

# HOUSE OF THE RISING SUN

## *ANIMALS*

There is a house in New Orleans  
They call The Rising Sun  
And it's been the ruin of many a poor boy  
And God, I know I'm one

My mother was a tailor  
Sewed my new blue jeans  
My father was a gamblin' man  
Down in New Orleans

Now the only thing a gambler needs  
Is a suitcase and a trunk  
And the only time he'll be satisfied  
Is when he's all drunk

Oh, mother, tell your children  
Not to do what I have done  
Spend your lives in sin and misery  
In the house of The Rising Sun

Well I've got one foot on the platform  
The other foot on the train  
I'm going back to New Orleans  
To wear that ball and chain

Well there is a house in New Orleans  
They call the Rising Sun  
And it's been the ruin of many a poor boy  
And God, I know I'm one

# MEMORY

*BARBRA STREISAND*

Midnight, not a sound from the pavement.  
Has the moon lost her memory?  
She is smiling alone.  
In the lamp light the withered leaves collect at my feet.  
And the wind begins to moan.

Memory! All alone in the moonlight  
I can dream of the old days,  
Life was beautiful then.  
I remember the time  
I knew what happiness was,  
Let the memory live again.

Every street lamp seems to beat a fatalistic warning.  
Someone mutters  
And the street lamp gutters  
And soon it will be morning.

Daylight, I must wait for the sunrise,  
I must think of a new life  
And I mustn't give in.  
When the dawn comes, tonight will be a memory too  
And a new day will begin.

Burnt out ends of smoky days, the still cold smell of morning.  
A street lamp dies,  
Another night is over,  
Another day is dawning.

Touch me. It's so easy to leave me  
All alone with the memory  
Of my days in the sun.  
If you touch me, you'll understand what happiness is.  
Look – a new day has begun.

# WOMAN IN LOVE

## *BARBRA STREISAND*

Life is a moment in space,  
When the dream is gone  
It's a lonelier place.  
I kiss the morning goodbye,  
But down inside,  
You know we never know why.

The road is narrow and long  
When eyes meet eyes  
And the feeling is strong.  
I turn away from the wall.  
I stumble and fall,  
But I give you it all.

I am a woman in love  
And I'd do anything  
To get you into my world,  
And hold you within.  
It's a right I defend  
Over and over again.  
What do I do?

With you eternally mine,  
In love there is  
No measure of time.  
We planned it all at the start  
That you and I live  
In each others heart.

We may be oceans away,  
You feel my love  
I hear what you say.  
No truth is ever a lie.  
I stumble and fall,  
But I give you it all.

I am a woman in love  
And I'd do anything  
To get you into my world,  
And hold you within.  
It's a right I defend  
Over and over again.  
What do I do?

Ooo!

I am a woman in love  
And I'm talkin' to you.  
You know (I know) how you feel  
What a woman can do.  
It's a right I defend  
Over and over again

I am a woman in love  
And I'd do anything  
To get you into my world,  
And hold you within.  
It's a right I defend  
Over and over again.  
What do I do?

# **SURFIN' U.S.A.**

## *BEACH BOYS*

If everybody had an ocean  
Across the U.S.A.  
Then everybody'd be surfin'  
Like California  
You'd seem 'em wearing their baggies  
Huarachi sandals too  
A bushy bushy blonde hairdo  
Surfin' U.S.A.

You'd catch 'em surfin' at Del Mar (Inside outside U.S.A.)  
Ventura County line (Inside outside U.S.A.)  
Santa Cruz and Trestles (Inside outside U.S.A.)  
Australia's Narrabeen (Inside outside U.S.A.)  
All over Manhattan (Inside outside U.S.A.)  
And down Doheny way (Inside outside)  
Everybody's gone surfin'  
Surfin' U.S.A.

We'll all be planning out a route  
We're gonna take real soon  
We're waxing down our surfboards  
We can't wait for June  
We'll all be gone for the summer  
We're on safari to stay  
Tell the teacher we're surfin'  
Surfin' U.S.A.

Haggerty's and Swami's (Inside outside U.S.A.)  
Pacific Palisades (Inside outside U.S.A.)  
San Onofre and Sunset (Inside outside U.S.A.)  
Redondo Beach L.A. (Inside outside U.S.A.)  
All over La HOLLA (Inside outside U.S.A.)  
At Waimea Bay (Inside outside)  
Everybody's gone surfin'  
Surfin' U.S.A.

# STAYIN' ALIVE

*BEE GEES*

Well, you can tell by the way I use my walk,  
I'm a woman's man, no time to talk.  
Music loud and women warm  
I've been kicked around since I was born.  
And now it's all right. It's OK.  
And you may look the other way.  
We can try to understand the New York Time's effect on man.

Whether you're a brother or whether you're a mother,  
You're stayin' alive, stayin' alive.  
Feel the city breakin' and everybody shakin',  
And we're stayin' alive, stayin' alive.  
Ah, ha, ha, ha, stayin' alive, stayin' alive.  
Ah, ha, ha, ha, stayin' alive.

Well now, I get low and I get high,  
And if I can't get either, I really try.  
Got the wings of heaven on my shoes.  
I'm a dancin' man and I just can't lose.  
You know it's all right. It's OK.  
I'll live to see another day.  
We can try to understand the New York Time's effect on man.

Whether you're a brother or whether you're a mother...

Life goin' nowhere.  
Somebody help me.  
Somebody help me, yeah.  
Life goin' nowhere.  
Somebody help me, yeah.

Well, you can tell by the way I use my walk...

Whether you're a brother or whether you're a mother...

# LEAVE A LIGHT ON

*BELINDA CARLISLE*

Take my hand  
Tell me what you are feeling  
Understand  
This is just the beginning  
Although I have to go  
It makes me feel like crying  
I don't know when I'll see you again

Darling leave a light on for me  
I'll be there before you close the door  
To give you all the love that you need  
Darling leave a light on for me  
'cause when the world takes me away  
You are still the air that I breathe

I can't explain  
I don't know  
Just how far I have to go  
But darling, I'll keep the key  
Just leave a light on for me

Yes, I know  
What I'm asking is crazy  
You could go  
Just get tired of waiting  
But if I lose your love  
Torn out by my desire  
That would be the one regret of my life

Darling leave a light on for me...

Just like a spark lights up the dark  
Baby that's your heart  
Baby that's your heart  
Baby that's your heart!

# THE TIME OF MY LIFE

*BILL MEDLEY & JENNIFER WARNES*

Now I've had the time of my life  
No, I never felt like this before  
Yes, I swear it's the truth  
And I owe it all to you

'Cause I've had the time of my life  
And I owe it all to you

I've been waiting for so long  
Now I've finally found someone  
To stand by me

We saw the writing on the wall  
And we felt this magical fantasy

Now with passion in our eyes  
There's no way we could disguise it secretly  
So we take each others hand  
'Cause we seem to understand the urgency

Just remember  
You're the one thing  
I can't get enough of  
So I'll tell you something  
This could be love

Because I've had the time of my life  
No, I never felt this way before  
Yes, I swear it's the truth  
And I owe it all to you  
'Cause I've had the time of my life  
And I've searched through every open door  
Till I found the truth  
And I owe it all to you

Hey baby, oh yeah yeah yeah

With my body and soul  
I want you more than you'll ever know  
So we'll just let it go  
Don't be afraid to lose control, no

Yes, I know what's on your mind  
When you say "Stay with me tonight"  
(Stay with me)

Just remember  
You're the one thing  
I can't get enough of  
So I'll tell you something  
This could be love

Because I've had the time of my life  
No, I never felt this way before  
Yes I swear it's the truth  
And I owe it all to you  
'Cause I've had the time of my life  
And I've searched through every open door  
(Never felt this way)  
Till I found the truth  
And I owe it all to you

Yeah, yeah, yeah, yeah  
Oh, whoa, oh, oh

Now I've had the time of my life...

I've had the time of my life...

# IT'S MY LIFE

*BON JOVI*

This ain't a song for the broken hearted.  
No silent prayer for the faith departed.  
I ain't gonna be just the face in the crowd,  
You're gonna hear my voice when I shout it out loud!

It's my life!  
And it's now or never!  
I ain't gonna live forever!  
I just want to live while I'm alive!  
It's my life!  
My heart is like an open highway!  
Like Frankie said, I did it my way!  
I just wanna live while I'm alive!  
It's my life!

This is for the ones who stood their ground.  
For Tommy and Gina who never backed down.  
Tomorrow's getting harder make no mistake,  
Luck ain't even lucky,  
Got to make your own breaks!

It's my life...

Better stand tall when they're calling you out.  
Don't bend, don't break, baby, don't back down.

It's my life...

# HOLDING OUT FOR A HERO

*BONNIE TYLER*

Where have all the good men gone  
And where are all the gods?  
Where's the streetwise Hercules  
To fight the rising odds?

Isn't there a white knight  
Upon a fiery steed?  
Late at night I toss and I turn  
And I dream of what I need

I need a hero  
I'm holding out for a hero  
Till the end of the night  
He's gotta be strong  
And he's gotta be fast  
And he's gotta be fresh from the fight

I need a hero  
I'm holding out for a hero  
Till the morning light  
He's gotta be sure  
And he's gotta be soon  
And he's gotta be larger than life  
Larger than life

Somewhere after midnight  
In my wildest fantasies  
Somewhere just beyond my reach  
There's someone reaching back for me

Racing on the thunder  
And rising with the heat  
It's gonna take a Superman  
To sweep me off my feet

I need a hero  
I'm holding out for a hero  
Till the end of the night  
He's gotta be strong  
And he's gotta be fast  
And he's gotta be fresh from the fight

I need a hero  
I'm holding out for a hero  
Till the morning light  
He's gotta be sure  
And he's gotta be soon  
And he's gotta be larger than life

I need a hero  
I'm holding out for a hero  
Till the end of the night

Upwhere the mountains  
Meet the heavens above  
Out where the lightning splits the sea  
I could swear  
That there's someone  
Somewhere watching me

Through the wind  
And the chill  
And the rain  
And the storm  
And the flood  
I can feel his approach  
Like a fire in my blood

I need a hero...

# DUST IN THE WIND

## *KANSAS*

I close my eyes  
Only for a moment  
And the moment's gone  
All my dreams  
Pass before my eyes  
A curiosity

Dust in the wind  
All they are is dust in the wind

Same old song  
Just a drop of water  
In an endless sea  
All we do  
Crumbles to the ground  
Though we refuse to see

Dust in the wind  
All we are is dust in the wind

Now, don't hang on  
Nothing lasts forever  
But the earth and sky  
It slips away  
And all your money  
Won't another minute buy

Dust in the wind  
All we are is dust in the wind  
Dust in the wind  
Everything is dust in the wind

# STAIRWAY TO HEAVEN

## *LED ZEPPELIN*

There's a lady who's sure  
All that glitters is gold  
And she's buying a stairway to heaven.  
When she gets there she knows,  
If the stores are all closed  
With a word she can get  
What she came for. Ooh, ooh.  
And she's buying  
A stairway to heaven.

There's a sign on the wall  
But she wants to be sure  
'Cause you know  
Sometimes words have two meanings.  
In a tree by the brook,  
There's a songbird who sings,  
Sometimes all of our thoughts  
Are misgiven.  
Ooh, it makes me wonder.  
Ooh, it makes me wonder.

There's a feeling I get  
When I look to the west,  
And my spirit is crying for leaving.  
In my thoughts I have seen  
Rings of smoke through the trees,  
And the voices of those  
Who stand looking.  
Ooh, it makes me wonder.  
Ooh, really makes me wonder.

And it's whispered that soon  
If we all call the tune  
Then the piper will lead us to reason.  
And a new day will dawn  
For those who stand long  
And the forests will echo with laughter.

If there's a bustle in your hedgerow,  
Don't be alarmed now,  
It's just a spring clean for the May queen.  
Yes, there are two paths you can go by,  
But in the long run  
There's still time  
to change the road you're on.  
And it makes me wonder. Ooh...

Your head is humming and it won't go,  
In case you don't know,  
The piper's calling you to join him,  
Dear lady, can you hear the wind blow,  
And did you know  
Your stairway lies on the whispering wind.

And as we wind on down the road  
Our shadows taller than our souls.  
There walks a lady we all know  
Who shines white light and wants to show  
How everything still turns to gold.  
And if you listen very hard  
The tune will come to you at last.  
When all are one and one is all  
To be a rock and not to roll.

And she's buying  
A stairway to heaven...

# HELLO

## *LIONEL RICHIE*

I've been alone with you inside my mind  
And in my dreams I've kissed your lips a thousand times  
I sometimes see you pass outside my door

Hello!  
Is it me you're looking for?  
I can see it in your eyes  
I can see it in your smile  
You're all I've ever wanted  
And my arms are open wide  
'Cause you know just what to say  
And you know just what to do  
And I want to tell you so much  
I love you

I long to see the sunlight in your hair  
And tell you time and time again how much I care  
Sometimes I feel my heart will overflow

Hello!  
I've just got to let you know  
'Cause I wonder where you are  
And I wonder what you do  
Are you somewhere feeling lonely?  
Or is someone loving you?  
Tell me how to win your heart  
For I haven't got a clue  
But let me start by saying  
I love you

# PERFECT DAY

*LOU REED*

Just a perfect day, drink Sangria in the park  
And then later, when it gets dark, we go home

Just a perfect day, feed animals in the zoo  
Then later a movie, too, and then home

Oh, it's such a perfect day  
I'm glad I spend it with you  
Oh, such a perfect day  
You just keep me hanging on  
You just keep me hanging on

Just a perfect day, problems all left alone  
Weekenders on our own – it's such fun

Just a perfect day, you made me forget myself  
I thought I was someone else, someone good

Oh, it's such a perfect day  
I'm glad I spent it with you  
Oh, such a perfect day  
You just keep me hanging on  
You just keep me hanging on

You're going to reap just what you sow  
You're going to reap just what you sow  
You're going to reap just what you sow  
You're going to reap just what you sow

# RUNAWAY TRAIN

## *SOUL ASYLUM*

Call you up in the middle of the night  
Like a firefly without a light  
You were there like a blowtorch burning  
I was a key that could use a little turning

So tired that I couldn't even sleep  
So many secrets I couldn't keep  
I promised myself I wouldn't weep  
One more promise I couldn't keep

It seems no one can help me now,  
I'm in too deep; there's no way out  
This time I have really led myself astray

Runaway train, never going back  
Wrong way on a one-way track  
Seems like I should be getting somewhere  
Somehow I'm neither here nor there

Can you help me remember how to  
smile?  
Make it somehow all seem worthwhile  
How on earth did I get so jaded?  
Life's mystery seems so faded

I can go where no one else can go  
I know what no one else knows  
Here I am just a-drownin' in the rain  
With a ticket for a runaway train

And everything seems cut and dried,  
Day and night, earth and sky,  
Somehow I just don't believe it

Runaway train, never going back  
Wrong way on a one-way track  
Seems like I should be getting somewhere  
Somehow I'm neither here nor there

Bought a ticket for a runaway train  
Like a madman laughing at the rain  
A little out of touch, a little insane  
It's just easier than dealing with the pain

Runaway train, never going back  
Wrong way on a one-way track  
Seems like I should be getting somewhere  
Somehow I'm neither here nor there

Runaway train, never coming back  
Runaway train, tearing up the track  
Runaway train, burning in my veins  
I run away but it always seems the same

# TONIGHT I CELEBRATE MY LOVE FOR YOU

*ROBERTA FLACK & PAEBO BRYSON*

Tonight I celebrate my love for you  
It seems the natural thing to do  
Tonight no one's gonna find us  
We'll leave the world behind us  
When I make love to you

Tonight I celebrate my love for you  
And hope that deep inside you feel it too  
Tonight our spirits will be climbing  
To the sky lit up with diamonds  
When I make love to you  
Tonight

Tonight I celebrate my love for you (ooh)  
And that midnight song is gonna come shining through  
Tonight there'll be no distance between us  
What I want most to do  
Is to get close to yo  
Tonight

Tonight I celebrate my love for you  
And soon this old world will seem brand new  
Tonight we will both discover  
How friends turn into lovers  
When I make love to you

Tonight I celebrate my love for you (ooh)  
And that midnight song is gonna come shining through  
Tonight there'll be no distance between us  
What I want most to do  
Is to get close to you

Tonight I celebrate my love for you  
Tonight

# EYE OF THE TIGER

## *SURVIVOR*

Risin' up, back on the street  
Did my time, took my chances  
Went the distance, now I'm back on my feet  
Just a man and his will to survive

So many times, it happens too fast  
You change your passion for glory  
Don't lose your grip on the dreams of the past  
You must fight just to keep them alive

It's the eye of the tiger, it's the thrill of the fight  
Risin' up to the challenge of our rival  
And the last known survivor stalks his prey in the night  
And he's watchin' us all with the eye of the tiger

Face to face, out in the heat  
Hangin' tough, stayin' hungry  
They stack the odds 'till we take to the street  
For we kill with the skill to survive

It's the eye of the tiger, it's the thrill of the fight...  
Risin' up, straight to the top  
Have the guts, got the glory  
Went the distance, now I'm not gonna stop  
Just a man and his will to survive

It's the eye of the tiger, it's the thrill of the fight...

The eye of the tiger...

# UNBREAK MY HEART

*TONI BRAXTON*

Don't leave me in all this pain  
Don't leave me out in the rain  
Come back and bring back my smile  
Come and take these tears away  
I need your arms to hold me now  
The nights are so unkind  
Bring back those nights  
When I held you beside me

Unbreak my heart  
Say you'll love me again  
Undo this hurt you caused  
When you walked out the door  
And walked outta my life  
Uncry these tears  
I cried so many nights  
Unbreak my heart  
My heart

Take back that sad word goodbye  
Bring back the joy to my life  
Don't leave me here with these tears  
Come and kiss this pain away  
I can't forget the day you left  
Time is so unkind  
And life is so cruel  
Without you here beside me

Unbreak my heart  
Say you'll love me again  
Undo this hurt you caused  
When you walked out the door  
And walked outta my life  
Uncry these tears  
I cried so many nights  
Unbreak my heart  
My heart

Don't leave me in all this pain  
Don't leave me out in the rain  
Bring back the nights  
When I held you beside me

Unbreak my heart  
Say you'll love me again  
Undo this hurt you caused  
When you walked out the door  
And walked outta my life  
Uncry these tears  
I cried so many nights  
Unbreak my heart  
My heart

Unbreak my heart, oh baby  
Come back and say you love me  
Unbreak my heart, sweet darlin'  
Without you I just can't go on  
Can't go on

# IT'S A SIN

## *PET SHOP BOYS*

When I look back upon my life  
It's always with a sense of shame  
I've always been the one to blame

For everything I long to do  
No matter when or where or who  
Has one thing in common too  
It's a, it's a, it's a, it's a sin  
It's a sin  
Everything I've ever done  
Everything I ever do  
Every place I've ever been  
Everywhere I'm going to  
It's a sin

At school they taught me how to be  
So pure in thought and word and deed  
They didn't quite succeed

For everything I long to do...

Father, forgive me, I tried not to do it  
Turned over a new leaf,  
Then tore right through it  
Whatever you taught me,  
I didn't believe it  
Father, you fought me, 'cause I didn't care  
And I still don't understand

So I look back upon my life  
Forever with a sense of shame  
I've always been the one to blame

For everything I long to do...

# DON'T STOP ME NOW

*QUEEN*

Tonight I'm gonna have myself a real good time  
I feel alive and the world turning inside out, yeah!  
And floating around in ecstasy  
So don't stop me now, don't stop me  
'Cause I'm having a good time, having a good time

I'm a shooting star leaping through the sky  
Like a tiger defying the laws of gravity  
I'm a racing car passing by like Lady Godiva  
I'm gonna go go go  
There's no stopping me

I'm burning through the sky, yeah!  
Two hundred degrees  
That's why they call me Mister Fahrenheit  
I'm trav'ling at the speed of light  
I wanna make a supersonic man out of you

Don't stop me now, I'm having such a good time  
I'm having a ball, don't stop me now  
If you wanna have a good time, just give me a call  
Don't stop me now ('cause I'm havin' a good time)  
Don't stop me now (yes I'm havin' a good time)  
I don't want to stop at all

I'm a rocket ship on my way to Mars  
On a collision course  
I am a satellite, I'm out of control  
I am a sex machine ready to reload  
Like an atom bomb about to  
Oh oh oh oh oh explode

I'm burning through the sky, yeah...

# AMERICAN PIE

*DON MCLEAN*

A long, long time ago  
I can still remember  
How that music used to make me smile  
And I knew if I had my chance  
That I could make those people dance  
And, maybe, they'd be happy for a while

But february made me shiver  
With every paper I'd deliver  
Bad news on the doorstep  
I couldn't take one more step

I can't remember if I cried  
When I read about his widowed bride  
But something touched me deep inside  
The day the music died

So  
Bye-bye, miss american pie  
Drove my chevy to the levee  
But the levee was dry  
And them good old boys  
Were drinkin' whiskey and rye  
Singin', 'this'll be the day that I die'  
'This'll be the day that I die'

Did you write the book of love  
And do you have faith in God above  
If the Bible tells you so?  
And do you believe in rock'n'roll  
Can music save your mortal soul  
And can you teach me  
How to dance real slow?

Well, I know that you're in love with him  
'Cause I saw you dancin' in the gym  
You both kicked off your shoes  
Man, I dig those rhythm and blues

I was a lonely teenage broncin' buck  
With a pink carnation and a pickup truck  
But I knew I was out of luck  
The day the music died.

I started singin'  
Bye-bye, miss american pie...

Now for ten years we've been on our own  
And moss grows fat on a rollin' stone  
But that's not how it used to be  
When the jester sang  
For the king and queen,  
In a coat he borrowed from james dean  
And a voice that came from you and me

Oh, and while the king was looking down  
The jester stole his thorny crown  
The courtroom was adjourned  
No verdict was returned  
And while Lennon read a book of marx  
The quartet practiced in the park  
And we sang dirges in the dark  
The day the music died

We were singing  
Bye-bye, miss american pie...

Helter skelter in a summer swelter  
The birds flew off with a fallout shelter  
Eight miles high and falling fast  
It landed foul on the grass  
The players tried for a forward pass  
With the jester on the sidelines in a cast

Now the half-time air  
Was sweet perfume  
While the sergeants  
Played a marching tune  
We all got up to dance  
Oh, but we never got the chance!  
'Cause the players tried to take the field  
The marching band refused to yield  
Do you recall what was revealed  
The day the music died?

We started singing  
Bye-bye, miss american pie...

Oh, and there we were all in one place  
A generation lost in space  
With no time left to start again  
So come on: jack be nimble, jack be quick!  
Jack flash sat on a candlestick  
Cause fire is the devil's only friend

Oh, and as I watched him on the stage  
My hands were clenched in fists of rage  
No angel born in hell  
Could break that satan's spell  
And as the flames  
Climbed high into the night  
To light the sacrificial rite  
I saw satan laughing with delight  
The day the music died

He was singing  
Bye-bye, miss american pie...

I met a girl who sang the blues  
And I asked her for some happy news  
But she just smiled and turned away  
I went down to the sacred store  
Where I'd heard the music years before  
But the man there said  
The music wouldn't play

And in the streets  
The children screamed  
The lovers cried, and the poets dreamed  
But not a word was spoken  
The church bells all were broken  
And the three men I admire most  
The father, son, and the holy ghost  
They caught the last train for the coast  
The day the music died

And they were singing  
Bye-bye, miss american pie...

They were singing  
Bye-bye, miss american pie...

# SEALED WITH A KISS

*BRIAN HYLAND*

Though we've got to say goodbye for the summer  
Darling, I promise you this  
I'll send you all my love  
Everyday in a letter  
Sealed with a kiss

Yes it's gonna be cold, lonely summer  
But I'll fill the emptiness  
I'll send you all my dreams  
Everyday in a letter  
Sealed with a kiss

I'll see you in the sunlight  
I'll hear your voice everywhere  
I'll run to tenderly hold you  
But, Darlin', you won't be there

I don't wanna say goodbye for the summer  
Knowing the love we'll miss  
Oh, let us make a pledge  
To meet in September  
And seal it with a kiss

Yes it's gonna be cold, lonely summer...

Sealed with a kiss  
Sealed with a kiss  
Sealed with a kiss

# HOTEL CALIFORNIA

## *THE EAGLES*

On a dark desert highway  
Cold wind in my hair  
Warm smell of colitas  
Rising up through the air  
Up ahead in the distance  
I saw a shimmering light  
My head grew heavy  
And my sight grew dim  
I had to stop for the night

There she stood in the doorway  
I heard the mission bell  
And I was thinkin' to myself  
This could be heaven or this could be hell  
Then she lit up a candle  
And she showed me the way  
There were voices down the corridor  
I thought I heard them say

Welcome to the Hotel California  
Such a lovely place  
(Such a lovely place)  
Such a lovely face  
Plenty of room at the Hotel California  
Any time of year  
(Any time of year)  
You can find it here

Her mind is Tiffany-twisted  
She got the Mercedes Bends  
She got a lot of pretty, pretty boys  
She calls friends  
How they dance in the courtyard  
Sweet summer sweat  
Some dance to remember  
Some dance to forget

So I called up the Captain  
'Please bring me my wine  
He said 'We haven't had that spirit here  
Since nineteen sixty-nine'  
And still those voices are calling  
From far away  
Wake you up in the middle of the night  
Just to hear them say

Welcome to the Hotel California  
Such a lovely place  
(Such a lovely place)  
Such a lovely face  
They livin' it up at the Hotel California  
What a nice surprise  
(What a nice surprise)  
Bring your alibis

Mirrors on the ceiling  
The pink champagne on ice  
And she said  
'We are all just prisoners here  
Of our own device'  
And in the masters chambers  
They gathered for the feast  
They stab it with their steely knives  
But they just can't kill the beast

Last thing I remember  
I was running for the door  
I had to find the passage  
back to the place I was before  
'Relax,' said the night man,  
'We are programmed to receive  
You can check out anytime you like  
But you can never leave.'

# ENJOY THE SILENCE

## *DEPECHE MODE*

Words like violence  
Break the silence  
Come crashing in  
Into my little world  
Painful to me  
Pierce right through me  
Can't you understand  
Oh my little girl

All I ever wanted  
All I ever needed  
Is here in my arms  
Words are very unnecessary  
They can only do the harm

Vows are spoken  
To be broken  
Feelings are intense  
Words are trivial  
Pleasures remain  
So does the pain  
Words are meaningless  
And forgettable

All I ever wanted...

Enjoy the silence

# ALL FOR ONE, ALL FOR LOVE

*BRYAN ADAMS & ROD STEWART & STING*

When it's love you give  
I'll be your man of good faith  
Then in love you live  
I'll make a stand, I won't break  
I'll be the rock you can build on  
Be there when you're old  
To have and to hold

When there's love inside  
I swear I'll always be strong  
Then there's a reason why  
I'll prove to you we belong  
I'll be the wall that protects you  
From the wind and the rain  
From the hurt and the pain, yeah!

Let's make it all for one and all for love  
Let the one you hold be the one you want  
The one you need  
'Cause when it's all for one it's one for all  
When there's someone that should know  
Then just let your feelings show  
And make it all for one and all for love

When it's love you make  
I'll be the fire in our night  
Then it's love you take  
I will defend, I will fight  
I'll be there when you need me  
When honor's at stake  
This vow I will make, yeah!

That it's all for one and all for love...

Don't lay our love to rest  
'Cause we could stand up to the test  
We got everything and more  
Than we had planned  
More than the rivers that run the land  
We've got it all in our hands

Now it's all for one and all for love...

## 500 MILES

### *THE HOOTERS*

If you miss the train I'm on  
You will know that I am gone  
You can hear the whistle blow a hundred miles  
A hundred miles, a hundred miles,  
A hundred miles, a hundred miles  
You can hear the whistle blow a hundred miles

Not a shirt on my back  
Not a penny to my name  
And the land that I once curved is not my own  
Lord, I'm one, Lord, I'm two,  
Lord, I'm three, Lord, I'm four  
Lord, I'm five hundred miles away from home

A hundred tanks along the square  
One man stands and stops them there  
Someday soon the tide will turn and I'll be free  
I'll be free, I'll be free  
I'll come home to my country  
Someday soon the tide will turn and I'll be free

If you missed the train I'm on  
You will know that I am gone  
You can hear the whistle blow a hundred miles  
Lord, I'm one, Lord, I'm two,  
Lord, I'm three, Lord, I'm four  
Lord, I'm five hundred miles away from home  
Lord, I'm five hundred miles away from home

I'll be free, I'll be free, I'll come home to my country  
Lord, I'm five hundred miles away from home

You can hear the whistle blow a hundred miles  
Lord, I'm five hundred miles away from home

# WIND OF CHANGE

## *THE SCORPIONS*

Follow the Moskva down to Gorky Park  
Listening to the wind of change  
August summer night, soldiers passing by  
Listening to the win of change

The world is closing in and did you ever think  
That we could be so close like brothers  
The future's in the air, can feel it everywhere  
I'm blowing with the wind of change

Take me to the magic of the moment on a glory night  
Where the children of tomorrow dream away  
In the wind of change

Walking down the street and distant memories  
Are buried in the past forever  
I follow the Moskva down to Gorky Park  
Listening to the wind of change

Take me to the magic of the moment on a glory night  
Where the children of tomorrow share their dreams  
With you and me

Take me to the magic of the moment on a glory night  
Where the children of tomorrow dream away  
In the wind of change

The wind of change blows straight into the face of time  
Like a stormwind that will ring the freedom bell for peace of mind  
Let your balalaika sing what my guitar wants to say

Take me to the magic of the moment on a glory night...

# I JUST CALLED TO SAY I LOVE YOU

*STEVIE WONDER*

No new years's day to celebrate  
No chocolate covered candy hearts to give away  
No first of spring, no song to sing  
In fact here's just another ordinary day  
No April rain, no flowers bloom  
No wedding Saturday within the month of June  
But what it is, is something true  
Made up of these three words that I must say to you

I just called to say I love you  
I just called to say how much I care  
I just called to say I love you  
And I mean it from the bottom of my heart

No summer's high, no warm July  
No harvest moon to light one tender August night  
No autumn breeze, no falling leaves  
Not even time for birds to fly to southern skies  
No libra sun, no Halloween  
No giving thanks to all the Christmas joy you bring  
But what it is, though old so new  
To fill your heart like no three words could ever do

I just called to say I love you  
I just called to say how much I care about you  
I just called to say I love you  
And I mean it from the bottom of my heart

I just called to say I love you...

Of my heart  
Of my heart

# I WILL ALWAYS LOVE YOU

*WHITNEY HOUSTON*

If I should stay,  
I would only be in your way  
So I'll go, but I know  
I'll think of you every step of the way

And I will always love you  
I will always love you  
You, my darling, you, hmm...

Bittersweet memories  
that is all I'm taking with me  
So, goodbye. Please, don't cry  
We both know I'm not what you, you need

And I will always love you  
I will always love you

I hope life treats you kind  
And I hope you have all you've dreamed of  
And I wish to you, joy and happiness  
But above all this, I wish you love

And I will always love you  
I will always love you  
I will always love you  
I will always love you  
I will always love you  
I, I will always love you

You, darling, I love you  
Ooh, I'll always, I'll always love you

# LADY IN BLACK

*URIAH HEEP*

She came to me one morning  
One lonely Sunday morning  
Her long hair flowing  
In the midwinter wind  
I know not how she found me  
For in darkness I was walking  
And destruction lay around me  
From a fight I could not win  
Aaa...

She asked me name my foe then  
I said the need within some men  
To fight and kill their brothers  
Without thought of love or God  
And I begged her give me horses  
To trample down my enemies  
So eager was my passion  
To devour this waste of life  
Aaa...

But she wouldn't think of battle that  
Reduces men to animals  
So easy to begin  
And yet impossible to end  
For she's the mother of all men  
Who counselled me so wisely then  
I feared to walk alone again  
And asked if she would stay  
Aaa...

Oh, lady, lend your hand outright  
And let me rest here at your side  
Have faith and trust in peace she said  
And filled my heart with life  
There is no strength in numbers  
Have no such misconception  
But when you need me  
Be assured I won't be far away  
Aaa...

Thus having spoke she turned away  
And though I found no words to say  
I stood and watched until I saw  
Her black coat disappear  
My labour is no easier  
But now I know I'm not alone  
I find new heart each time  
I think upon that windy day  
And if one day she comes to you  
Drink deeply from her words so wise  
Take courage from her as your prize  
And say hello from me  
Aaa...

# SHAPE OF MY HEART

## *STING*

He deals the cards as a meditation  
And those he plays never suspect  
He doesn't play for the money he wins  
He don't play for respect  
He deals the cards to find the answer  
The secret geometry of chance  
The hidden law of probable outcome  
The numbers lead a dance

I know that the spades are the swords of a soldier  
I know that the clubs are weapons of war  
I know that diamonds mean money for this art  
But that's not the shape of my heart

He may play the jack of diamonds  
He may lay the queen of spades  
He may conceal a king in his hand  
While the memory of it fades

I know that the spades are the swords of a soldier...

That's not the shape, shape of my heart

And if I told you that I loved you  
You'd maybe think there's something wrong  
I'm not a man of too many faces  
The mask I wear is one  
Those who speak know nothing  
And find out to their cost  
Like those who curse their luck in too many places  
And those who fear are lost

I know that the spades are the swords of a soldier...

# I'M STILL STANDING

*ELTON JOHN*

You could never know what it's like  
Your blood like winter freezes just like ice  
And there's a cold lonely light that shines from you  
You'll wind up like the wreck you hide  
Behind that mask you use.

And did you think this fool could never win?  
Well look at me, I'm coming back again!  
I got a taste of love in a simple way  
And if you need to know while I'm still standing  
You just fade away!

Don't you know, I'm still standing  
Better than I ever did?  
Looking like a true survivor  
Feeling like a little kid!  
I'm still standing after all this time  
Picking up the pieces of my life without you on my mind!  
I'm still standing, yeah, yeah, yeah.  
I'm still standing, yeah, yeah, yeah.

Once I never could hope to win  
You starting down the road leaving me again  
The threats you made were meant to cut me down  
And if our love was just a circus  
You'd be a clown by now

Don't you know I'm still standing...

# CAN'T HELP FALLING IN LOVE

*ELVIS PRESLEY*

Wise men say only fools rush in  
But I can't help falling in love with you  
Shall I stay  
Would it be a sin  
If I can't help falling in love with you

Like a river flows surely to the sea  
Darling, so it goes  
Some things are meant to be  
Take my hand, take my whole life too  
For I can't help falling in love with you

Like a river flows surely to the sea  
Darling, so it goes  
Some things are meant to be  
Take my hand, take my whole life too  
For I can't help falling in love with you

For I can't help falling in love with you

# THE FINAL COUNTDOWN

## *EUROPE*

We're leaving together  
But still it's farewell  
And maybe we'll come back  
To earth, who can tell?  
I guess there is no one to blame  
We're leaving ground (leaving ground)  
Will things ever be the same again?

It's the final countdown!  
The final countdown  
Ooo!

We're heading for Venus  
And still we stand tall  
Cause maybe they've seen us  
And welcome us all, yeah  
With so many light years to go  
And things to be found (to be found)  
I'm sure that we'll all miss her so

It's the final countdown!  
The final countdown  
Ooo...

# SWEET DREAMS

## *EURYTHMICS*

Sweet dreams are made of this  
Who am I to disagree?  
I've traveled all world and the seven seas  
Everybody's looking for something  
Some of them want to use you  
Some of them want to get used by you  
Some of them want to abuse you  
Some of them want to be abused

Sweet dreams are made of this  
Who am I to disagree?  
I've traveled all world and the seven seas  
Everybody's looking for something

Hold your head up  
Keep your head up, movin' on  
Hold your head up, movin' on  
Keep your head up, movin' on  
Hold your head up, movin' on  
Keep your head up, movin' on  
Hold your head up, movin' on  
Keep your head up

Some of them want to use you  
Some of them want to get used by you  
Some of them want to abuse you  
Some of them want to be abused

Hold your head up...

Sweet dreams are made of this...

# SOMETHING STUPID

*FRANK SINATRA & NANCY SINATRA*

I know I stand in line until you think you have the time  
To spend an evening with me  
And if we go some place to dance  
I know that there's a chance you won't be leaving with me

Then afterwards we drop into a quiet little place  
And have a drink or two  
And then I go and spoil it all  
By saying something stupid  
Like I love you

I can see it in your eyes  
That you despise the same old lines  
You heard the night before and though it's just a line to you  
For me it's true and never seemed so right before

I practice every day to find some clever lines to say  
To make the meaning come through  
But then I think I'll wait until the evening gets late  
And I'm alone with you

The time is right, your perfume fills my head  
The stars get red and, oh, the night's so blue  
And then I go and spoil it all  
By saying something stupid  
Like I love you

The time is right...

I love you, I love you, I love you

# DON'T CRY FOR ME ARGENTINA

*MADONNA*

It won't be easy, you'll think it strange  
When I try to explain how I feel  
That I still need your love  
After all that I've done

You won't believe me  
All you will see is a girl you once knew  
Although she's dressed up to the nines  
At sixes and sevens with you

I had to let it happen, I had to change  
Couldn't stay all my life down at heel  
Looking out of the window,  
Staying out of the sun

So I chose freedom  
Running around, trying everything new  
But nothing impressed me at all  
I never expected it to

Don't cry for me Argentina  
The truth is I never left you  
All through my wild days  
My mad existence  
I kept my promise  
Don't keep your distance

And as for fortune, and as for fame  
I never invited them in  
Though it seemed to the world  
They were all I desired

They are illusions  
They're not the solutions  
They promised to be  
The answer was here all the time  
I love you and hope you love me

Don't cry for me Argentina

Don't cry for me Argentina  
The truth is I never left you  
All through my wild days  
My mad existence  
I kept my promise  
Don't keep your distance

Have I said too much?  
There's nothing more I can think of  
To say to you  
But all you have to do  
Is look at me to know  
That every word is true

# KAYLEIGH

## *MARILLION*

Do you remember chalk hearts melting on a playground wall  
Do you remember dawn escapes from moon washed college halls  
Do you remember the cherry blossom in the market square  
Do you remember I thought it was confetti in our hair

By the way, didn't I break your heart?  
Please excuse me, I never meant to break your heart  
So sorry, I've never meant to break your heart  
But you broke mine

Kayleigh, is it too late to say I'm sorry?  
And, Kayleigh, could we get it together again?  
I just can't go on pretending that it came to a natural end  
Kayleigh, oh, I never thought I'd miss you  
And, Kayleigh, I thought that we'd always be friends  
We said our love would last forever  
So how did it come to this bitter end?

Do you remember barefoot on the lawn with shooting stars  
Do you remember loving on the floor in Belsize Park  
Do you remember dancing in stilettos in the snow  
Do you remember you never understood I had to go

By the way, didn't I break your heart...

Kayleigh, I just wanna say I'm sorry  
But, Kayleigh, I'm too scared to pick up the phone  
To hear you've found another lover to patch up our broken home...  
Kayleigh, I'm still trying to write that love song  
Kayleigh, it's more important to me now you're gone  
Maybe it will prove that we were right  
Or it'll prove that I was wrong?

# BANG BANG (MY BABY SHOT ME DOWN)

*NANCY SINATRA*

I was five and he was six  
We rode on horses made of sticks  
He wore black and I wore white  
He would always win the fight

Bang bang, he shot me down  
Bang bang, I hit the ground  
Bang bang, that awful sound  
Bang bang, my baby shot me down

Seasons came and changed the time  
When I grew up, I called him mine  
He would always laugh and say  
Remember when we used to play

Bang bang, I shot you down  
Bang bang, you hit the ground  
Bang bang, that awful sound  
Bang bang , I used to shoot you down

Music played and people sang  
Just for me the church bells rang

Now he's gone, I don't know why  
Until this day, sometimes I cry  
He didn't even say 'Goodbye'  
He didn't take the time to lie

Bang bang, he shot me down  
Bang bang, I hit the ground  
Bang bang, that awful sound  
Bang bang, my baby shot me down

# WHERE THE WILD ROSES GROW

*KYLIE MINOGUE & NICK CAVE*

They call me the Wild Rose  
But my name was Elisa Day  
Why they call me it, I do not know  
For my name was Elisa Day

From the first day I saw her  
I knew she was the one  
She stared in my eyes and smiled  
For her lips were the color of the roses  
They grew down the river  
All bloody and wild

When he knocked on my door  
And entered the room  
My trembling subsided in his sure embrace  
He would be my first man  
And with a careful hand  
He wiped up the tears  
That ran down my face

They call me the Wild Rose...

On the second day I brought her a flower  
She's more beautiful  
Than any woman I've seen  
And I said: 'Do you know  
Where the wild roses grow  
So sweet and scarlet and free?'

On the second day he came  
With a single rose  
He said: 'Give me your loss  
And your sorrow'  
I nodded my head as I laid on the bed  
'If I show you the roses, will you follow?'

They call me the Wild Rose...

On the third day  
He took me to the river  
He showed me the roses and we kissed  
And the last thing I heard  
Was a muttered word  
As he knelt above me with a rock in his fist

On the last day I took her  
Where the wild roses grow  
She lay on the bank  
The wind light as a thief  
And I kissed her goodbye  
Said: 'All beauty must die'  
And I knelt down  
And planted a rose between her teeth

They call me the Wild Rose...

# KILLING ME SOFTLY

*ROBERTA FLACK*

Strumming my pain with his fingers  
Singing my life with his words  
Killing me softly with his song  
Killing me softly with his songs  
Telling my whole life with his words  
Killing me softly with his song

I heard he sang a good song  
I heard he had a style  
And so I came to see him to listen for a while  
And there he was this young boy  
A stranger to my eyes

Strumming my pain with his fingers...

I felt all flushed with fever  
Embarrassed by the crowd  
I felt he found my letters and read each out loud  
I prayed that he would finish  
But he just kept right on

Strumming my pain with his fingers...

He sang as if he knew me  
In all my dark despair  
And then he looked right through me as if I wasn't there  
And he just kept on singing  
Singing clear and strong

Strumming my pain with his fingers...

# SAILING

*ROD STEWART*

I am sailing  
I am sailing  
Home again 'cross the sea  
I am sailing stormy waters  
To be near you to be free

I am flying  
I am flying  
Like a bird 'cross the sky  
I am flying passing high clouds  
To be with you to be free

Can you hear me?  
Can you hear me?  
Thro' the dark night far away  
I am dying, forever crying  
To be with you who can say

Can you hear me?  
Can you hear me?  
Thro' the dark night far away  
I am dying, forever crying  
To be with you who can say

We are sailing  
we are sailing  
Home again 'cross the sea  
We are sailing stormy waters  
To be near you to be free

Oh, Lord, to be near you to be free...  
Oh, Lord, to be near you to be free...

# FRIENDS WILL BE FRIENDS

*QUEEN*

Another red letter day  
So the pound has dropped and the children are creating  
The other half ran away  
Taking all the cash and leaving you with the lumber  
Got a pain in the chest  
Doctors on strike what you need is a rest

It's not easy love, but you've got friends you can trust  
Friends will be friends  
When you're in need of love they give you care and attention  
Friends will be friends,  
When you're through with life and all hope is lost  
Hold out your hand cos friends will be friends  
Right till the end

Now it's a beautiful day  
The postman delivered a letter from your lover  
Only a phone call away  
You tried to track him down but somebody stole his number  
As a matter of fact  
You're getting used to life without him in your way

It's so easy now, cos you got friends you can trust  
Friends will be friends  
When you're in need of love they give you care and attention,  
Friends will be friends  
When you're through with life and all hope is lost  
Hold out your hand cos friends will be friends  
Right till the end

# I WANT TO BREAK FREE

*QUEEN*

I want to break free  
I want to break free  
I want to break free from your lies  
You're so self-satisfied, I don't need you  
I've got to break free  
God knows, God knows I want to break free

I've fallen in love  
I've fallen in love for the first time  
And this time I know it's for real  
I've fallen in love, yeah  
God knows, God knows I've fallen in love

It's strange but it's true  
I can't get over the way you love me like you do  
But I have to be sure  
When I walk out that door  
Oh, how I want to be free baby  
Oh, how I want to be free  
Oh, how I want to break free

But life still goes on  
I can't get used to living without, living without  
Living without you by my side  
I don't want to live alone hey  
God knows, got to make it on my own  
So, baby, can't you see  
I've got to break free

I've got to break free  
I want to break free, yeah

I want, I want, I want, I want to break free...

# SOMEBODY TO LOVE

*QUEEN*

Can anybody find me somebody to love?  
Each morning I get up I die a little  
Can barely stand on my feet (Take a look at yourself)  
Take a look in the mirror and cry  
Lord, what you're doing to me  
I've spend all my years in believing you  
But I just can't get no relief, Lord  
Somebody (somebody), ooh, somebody (somebody)  
Can anybody find me somebody to love?

I work hard (he works hard) everyday of my life  
I work till I ache my bones  
At the end (at the end of the day)  
I take home my hard earned pay all on my own  
I get down (down) on my knees (knees)  
And I start to pray (praise the Lord)  
'Til the tears run down from my eyes  
Lord, somebody (somebody), ooh, somebody (please)  
Can anybody find me somebody to love?

(He wants help) Every day I try and I try and I try  
But everybody wants to put me down  
They say I'm goin' crazy  
They say I got a lot of water in my brain  
Got no common sense  
I got nobody left to believe  
Yeah, yeah, yeah, yeah...  
Ooh, somebody (ooh, somebody)  
Can anybody find me somebody to love?  
(Anybody find me someone to love)

Got no feel I got no rhythm  
I just keep losing my beat (you just keep losing and losing)  
I'm OK, I'm alright (he's alright, he's alright)  
I ain't gonna face no defeat  
I just gotta get out of this prison cell  
One day I'm gonna be free, Lord

# THESE ARE THE DAYS OF OUR LIVES

## *QUEEN*

Sometimes I get to feeling I was back in the old days long ago  
When we were kids, when we were young  
Things seemed so perfect, you know?  
The days were endless, we were crazy, we were young  
The sun was always shinin, we just lived for fun  
Sometimes it seems like lately, I just don't know  
The rest of my life's been just a show

Those were the days of our lives  
The bad things in life were so few  
Those days are all gone now but one thing is true  
When I look and I find I still love you

You can't turn back the clock, you can't turn back the tide  
Ain't that a shame?  
I'd like to go back one time on a roller coaster ride  
When life was just a game  
No use and sitting and thinking on what you did  
When you can lay back and enjoy it through your kids  
Sometimes it seems like lately I just don't know  
Better sit back and go with the flow

'Cause these are the days of our lives  
They've flown in the swiftness of time  
These days are all gone now but some things remain  
When I look and I find no change

Those were the days of our lives, yeah  
The bad things in life were so few  
Those days are all gone now but one thing's still true  
When I look and I find I still love you, I still love you

# SMOOTH OPERATOR

*SADE*

He's laughing with another girl  
And playing with another heart  
Placing high stakes, making hearts ache  
He's loved in seven languages  
Diamond nights and ruby lights, high in the sky  
Heaven help him when he falls

Diamond life, lover boy  
We move in space with minimum waste and maximum joy  
City lights and business nights  
When you require streetcar desire for higher heights  
No place for beginners or sensitive hearts  
When sentiment is left to chance  
No place to be ending but somewhere to start

No need to ask  
He's a smooth operator, smooth operator  
Smooth operator, smooth operator  
Coast to coast, LA to Chicago  
Western male  
Across the north and south to Key Largo  
Love for sale

Face to face, each classic case  
We shadow box and double cross  
Yet need the chase  
A license to love, insurance to hold  
Melts all your memories and change into gold  
His eyes are like angels but his heart is cold

No need to ask  
He's a smooth operator, smooth operator  
Smooth operator, smooth operator  
Coast to coast, LA to Chicago  
Western male  
Across the north and south to Key Largo  
Love for sale

# BIG IRON

## *MARTY ROBBINS*

To the town of Agua Fria  
Rode a stranger one fine day  
Hardly spoke to folks around him  
Didn't have too much to say  
No one dared to ask his business  
No one dared to make a slip  
The stranger there among them  
Had a big iron on his hip  
Big iron on his hip

It was early in the morning  
When he rode into the town  
He came riding from the south side  
Slowly lookin' all around  
'He's an outlaw, loose and running,'  
Came the whisper from each lip  
'And he's here to do some business  
With the big iron on his hip'  
Big iron on his hip

In this town there lived an outlaw  
By the name of Texas Red  
Many men had tried to take him  
And that many men were dead  
He was vicious and a killer  
Though a youth of twenty four  
And the notches on his pistol  
Numbered one and nineteen more  
One and nineteen more

Now the stranger started talking  
Made it plain to folks around  
Was an Arizona ranger  
Wouldn't be too long in town  
He came here to take an outlaw  
Back alive or maybe dead  
And he said it didn't matter  
He was after Texas Red  
After Texas Red

Wasn't long before the story  
Was relayed to Texas Red  
But the outlaw didn't worry  
Men that tried before were dead  
Twenty men had tried to take him  
Twenty men had made a slip  
Twenty one would be the ranger  
With the big iron on his hip  
Big iron on his hip

The morning passed so quickly  
It was time for them to meet  
It was twenty past eleven  
When they walked out in the street  
Folks were watching from the windows  
Everybody held their breath  
They knew this handsome ranger  
Was about to meet his death  
About to meet his death

There was forty feet between them  
When they stopped to make their play  
And the swiftness of the ranger  
Is still talked about today  
Texas Red had not cleared leather  
'Fore a bullet fairly ripped  
And the ranger's aim was deadly  
With the big iron on his hip  
Big iron on his hip

It was over in a moment  
And the folks had gathered round  
There before them lay the body  
Of the outlaw on the ground  
Oh, he might have went on livin'  
But he made one fatal slip  
When he tried to match the ranger  
With the big iron on his hip  
Big iron on his hip

# ANOTHER ONE BITES THE DUST

*QUEEN*

Steve walks warily down the street  
With his brim pulled way down low  
Ain't no sound but the sound of his feet  
Machine guns ready to go

Are you ready, hey, are you ready for this?  
Are you hanging on the edge of your seat?  
Out of the doorway the bullets rip  
To the sound of the beat yeah

Another one bites the dust  
Another one bites the dust  
And another one gone  
And another one gone  
Another one bites the dust  
Hey, I'm gonna get you too  
Another one bites the dust

How do you think I'm going to get along  
Without you when you're gone  
You took me for everything that I had  
And kicked me out on my own

Are you happy, are you satisfied?  
How long can you stand the heat  
Out of the doorway the bullets rip  
To the sound of the beat look out

Another one bites the dust  
Another one bites the dust  
And another one gone  
And another one gone  
Another one bites the dust  
Hey, I'm gonna get you too  
Another one bites the dust

Hey  
Oh, take it  
Bite the dust  
Bite the dust

Hey  
Another one bites the dust  
Another one bites the dust, ow  
Another one bites the dust, he, he  
Another one bites the dust, haaaa  
Ooh, shoot out

There are plenty of ways  
That you can hurt a man  
And bring him to the ground  
You can beat him  
You can cheat him  
You can treat him bad and leave him  
When he's down  
But I'm ready yes I'm ready for you  
I'm standing on my own two feet  
Out of the doorway the bullets rip  
Repeating to the sound of the beat

Another one bites the dust  
Another one bites the dust  
And another one gone  
And another one gone  
Another one bites the dust, yeah  
Hey, I'm gonna get you too  
Another one bites the dust  
Shoot out

# BOHEMIAN RHAPSODY

*QUEEN*

Is this the real life?  
Is this just fantasy?  
Caught in a landslide  
No escape from reality  
Open your eyes  
Look up to the skies and see  
I'm just a poor boy, I need no sympathy  
Because I'm easy come, easy go  
Little high, little low  
Anyway the wind blows  
Doesn't really matter to me, to me

Mama just killed a man  
Put a gun against his head  
Pulled my trigger, now he's dead  
Mama, life had just begun  
But now I've gone and thrown it all away  
Mama, ooh, didn't mean to make you cry  
If I'm not back again this time tomorrow  
Carry on, carry on  
As if nothing really matters

Too late, my time has come  
Sends shivers down my spine  
Body's aching all the time  
Good bye, everybody, I've got to go  
Gotta leave you all behind  
And face the truth

Mama, ooh (anyway the winds blow)  
I don't wanna die  
I sometimes wish I'd never been born at all

I see a little silhouette of a man  
Scaramouche, scaramouche  
Will you do the Fandango  
Thunderbolt and Lightning  
Very very fright'ning me

(Galileo), Galileo, (Galileo), Galileo  
Galileo figaro, magnifico

I'm just a poor boy  
And nobody loves me  
He's just a poor boy from a poor family  
Spare him his life from this monstrosity

Easy come, easy go, will you let me go?  
Bis-mil-lah !

No, we will not let you go (Let him go)  
Bis-mil-lah !

We will not let you go (Let me go)  
Bis-mil-lah !

We will not let you go (Let me go)  
Will not let you go (Let me go)  
Will not let you go (Let me go)

Ah. No, no, no, no, no, no, no  
(Oh mamma mia, mamma mia)  
Mamma mia, let me go  
Belzebug has a devil put aside for me  
For me, for me

So you think you can stone me  
And spit in my eye  
So you think you can love me  
And leave me to die  
Oh, baby, can't do this to me, baby  
Just gotta get out  
Just gotta get right outta here

Nothing really matters  
Anyone can see  
Nothing really matters  
Nothing really matters to me  
Anyway the wind blows

# MY HEART WILL GO ON

*CELINE DION*

Every night in my dreams  
I see you, I feel you  
That is how I know you go on  
Far across the distance  
And spaces between us  
You have come to show you go on

Near, far, wherever you are  
I believe that the heart does go on  
Once more you open the door  
And you're here in my heart and  
My heart will go on and on

Love can touch us one time  
And last for a lifetime  
And never let go till we're gone  
Love was when I loved you  
One true time I hold to  
In my life we'll always go on

Near, far, wherever you are  
I believe that the heart does go on  
Once more you open the door  
And you're here in my heart and  
My heart will go on and on

You're here, there's nothing I fear  
And I know that my heart will go on  
We'll stay forever this way  
You are safe in my heart and  
My heart will go on and on

# LOST HIGHWAY

*BON JOVI*

In my rearview mirror  
My life is getting clearer  
The sunset sighs and slowly disappears  
These trinkets once were treasure  
Life changes like the weather  
You grow up, grow old, or you hit the road 'round here  
So I drive (drive, drive)  
Watching white lines passing by  
With my plastic dashboard Jesus  
Waiting there to greet us

Hey, Hey, I finally found my way  
Said goodbye to yesterday  
Hit the gas, there ain't no brakes on this lost highway  
Yeah, I'm busting loose, I'm lettin go  
Out on this open road  
It's independence day on this lost highway  
Hey hey, hey hey

Don't know where I'm going  
But I know where I've been  
I'm afraid of going back again  
So I drive (drive, drive)  
Years and miles are flying by  
And waiting there to greet us  
Is my plastic dashboard Jesus

Hey, Hey, I finally found my way...

Oh patron saint of lonely souls  
Tell this boy which way to go  
Guide the car, you've got the keys  
Farewell to mediocrity  
Kicking off the cruise control  
And turning up the radio  
Got just enough religion  
And a half a tank of gas  
Come on  
Let's go

I finally found my way...

# NOTHING COMPARES TO YOU

*SINEAD O'CONNOR*

It's been seven hours and fifteen days  
Since you took your love away  
I go out every night and sleep all day  
Since you took your love away  
Since you been gone I can do whatever I want  
I can see whomever I choose  
I can eat my dinner in a fancy restaurant  
But nothing  
I said nothing can take away these blues

'Cause nothing compares  
Nothing compares to you

It's been so lonely without you here  
Like a bird without a song  
Nothing can stop these lonely tears from falling  
Tell me, baby, where did I go wrong  
I could put my arms around every boy I see  
But they'd only remind me of you  
I went to the doctor and guess what he told me  
Guess what he told me  
He said girl you better try to have fun  
No matter what you do  
But he's a fool

'Cause nothing compares  
Nothing compares to you

All the flowers that you planted, mama  
In the back yard  
All died when you went away  
I know that living with you baby was sometimes hard  
But I'm willing to give it another try

Nothing compares, nothing compares to you...

# DANCING WITH TEARS IN MY EYES

## *ULTRAVOX*

Dancing with tears in my eyes  
Weeping for the memory of a life gone by  
Dancing with tears in my eyes  
Living out a memory of a love that died

It's five and I'm driving home again  
That's hard to believe that it's my last time  
The man on the wireless cries again  
It's over, it's over

Dancing with tears in my eyes...

It's late and I'm with my love alone  
We drink to forget the coming storm  
We love to the sound of our favourite song  
Over and over

Dancing with tears in my eyes...

It's time and we're in each others arms  
It's time but I don't think we really care

Dancing with tears in my eyes  
Weeping for the memory of a life gone by  
Dancing with tears in my eyes  
Weeping for the memory of a life gone by  
Dancing with tears in my eyes

# SOUS LE VENT

## *GAROU & CELINE DION*

Et si tu crois que j'ai eu peur  
C'est faux  
Je donne des vacances à mon coeur  
Un peu de repos  
Et si tu crois que j'ai eu tort  
Attends  
Respire un peu le souffle d'or  
Qui me pousse en avant  
Et

Fais comme si j'avais pris la mer  
J'ai sorti la grand'voile  
Et j'ai glissé sous le vent  
Fais comme si je quittais la terre  
J'ai trouvé mon étoile  
Je l'ai suivie un instant  
Sous le vent

Et si tu crois que c'est fini  
Jamais  
C'est juste une pause un répit  
Après les dangers  
Et si tu crois que je t'oublie  
Écoute  
Ouvre ton corps aux vents de la nuit  
Ferme les yeux  
Et

Fais comme si j'avais pris la mer...

Et si tu crois que c'est fini  
Jamais (Sous le vent)  
C'est juste une pause un répit  
Après les dangers

Fais comme si j'avais pris la mer...

# LIVING NEXT DOOR TO ALICE

*SMOKIE*

Sally called when she got the word  
And she said: 'I suppose you've heard about Alice'  
When I rushed to the window and I looked outside  
And I could hardly believe my eyes  
As a big limousine rolled up into Alice's drive

Oh, I don't know why she's leaving  
Or where she's gonna go  
I guess she's got her reasons  
But I just don't want to know  
'Cos for twenty-four years I've been living next door to Alice  
Twenty-four years just waiting for the chance  
To tell her how I feel and maybe get a second glance  
Now I've got to get used to not living next door to Alice

We grew up together  
Two kids in the park  
We carved our initials deep in the bark  
Me and Alice  
Now she walks through the door with her head held high  
Just for a moment, I caught her eye  
As a big limousine pulled slowly out of Alice's drive

I don't know why she's leaving...

And Sally called back and asked how I felt  
And she said: 'I know how to help – get over Alice'  
She said: 'Now Alice is gone but I'm still here  
You know I've been waiting for twenty-four years'  
And a big limousine disappeared

I don't know why she's leaving...

No, I'll never get used to not living next door to Alice

# ET SI TU N'EXISTAIS PAS

*JOE DASSIN*

Et si tu n'existais pas  
Dis-moi pourquoi j'existerais  
Pour traîner dans un monde sans toi  
Sans espoir et sans regret  
Et si tu n'existais pas  
J'essaierais d'inventer l'amour  
Comme un peintre qui voit sous ses doigts  
Naître les couleurs du jour  
Et qui n'en revient pas

Et si tu n'existais pas  
Dis-moi pour qui j'existerais  
Des passantes endormies dans mes bras  
Que je n'aimerais jamais  
Et si tu n'existais pas  
Je ne serais qu'un point de plus  
Dans ce monde qui vient et qui va  
Je me sentirais perdu  
J'aurais besoin de toi

Et si tu n'existais pas  
Dis-moi comment j'existerais  
Je pourrais faire semblant d'être moi  
Mais je ne serais pas vrai  
Et si tu n'existais pas  
Je crois que je l'aurais trouvé  
Le secret de la vie, le pourquoi  
Simplement pour te créer  
Et pour te regarder

Et si tu n'existais pas  
Dis-moi pourquoi j'existerais  
Pour traîner dans un monde sans toi  
Sans espoir et sans regret  
Et si tu n'existais pas  
J'essaierais d'inventer l'amour  
Comme un peintre qui voit sous ses doigts  
Naître les couleurs du jour  
Et qui n'en revient pas

# ONE OF US

*ABBA*

They passed me by all of those great romances  
You were, I felt, robbing me of my rightful chances  
My picture clear, everything seemed so easy  
And so I dealt you the blow  
One of us had to go  
Now it's different  
I want you to know

One of us is crying  
One of us is lying  
In her lonely bed  
Staring at the ceiling  
Wishing she was somewhere else instead  
One of us is lonely  
One of us is only  
Waiting for a call  
Sorry for herself  
Feeling stupid  
Feeling small  
Wishing she had never left at all

I saw myself as a concealed attraction  
I felt you kept me away from the heat and the action  
Just like a child stubborn and misconceiving  
That's how I started the show  
One of us had to go  
Now I've changed and  
I want you to know

One of us is crying...

# STRONG ENOUGH

*CHER*

I don't need your sympathy  
There's nothing you can say or do for me  
And I don't want a miracle  
You'll never change for no one  
I hear your reasons why  
Where did you sleep last night?  
And was she worth it, was she worth it?

'Cos I'm strong enough to live without you  
Strong enough and I quit crying  
Long enough, now I'm strong enough  
To know you gotta go  
There's no more to say  
So, save your breath  
And then walk away  
No matter what I hear you say  
I'm strong enough to know you gotta go

So, you feel misunderstood  
Baby, have I got news for you  
On being used I could write the book  
What you don't wanna hear about it  
I've been losing sleep  
You've been going cheap  
She ain't worth half of me, it's true  
Now I'm telling you

Now I'm strong enough to live without you  
Strong enough and I quit crying  
Long enough, now I'm strong enough  
To know you've got to go

Come hell or waters high  
You'll never see me cry  
This is our last goodbye, it's true  
I'm telling you...

Now I'm strong enough to live without you...

# KARMA CHAMELEON

## *CULTURE CLUB*

There's a loving in your eyes all the way  
If I listen to your lies would you say  
I'm a man without conviction  
I'm a man who doesn't know  
How to sell a contradiction  
You come and go  
You come and go

Karma, karma, karma, karma, karma chameleon  
You come and go  
You come and go  
Loving would be easy if your colors were like my dream  
Red, gold and green  
Red, gold and green

Didn't hear your wicked words every day  
And you used to be so sweet I heard you say  
That my love was an addiction  
When we cling our love is strong  
When you go, you're gone forever  
You string along  
You string along

Karma, karma, karma, karma, karma chameleon...

Every day is like a survival  
You're my lover, not my rival  
Every day is like a survival  
You're my lover, not my rival

I'm a man without conviction  
I'm a man who doesn't know  
How to sell a contradiction  
You come and go  
You come and go

Karma, karma, karma, karma, karma chameleon...

# I WILL SURVIVE

*GLORIA GAYNOR*

At first I was afraid, I was petrified  
Kept thinkin' I could never live without you by my side  
But then I spent so many nights thinkin' how you did me wrong  
And I grew strong, and I learned how to get along

And so your back, from outerspace  
I just walked in to find you here with that sad look upon your face  
I should've changed that stupid lock  
I should've made you leave your key  
If I had known for just one second you'd be back to bother me

Go on now go, walk out the door  
Just turn around now, 'cause you're not welcome anymore  
Weren't you the one who tried to hurt me with goodbye  
You think I'd crumble? You think I'd lay down and die?  
Oh no not I, I will survive  
Oh as long as I know how to love I know I'll stay alive  
I've got all my life to live; I've got all my love to give  
And I'll survive, I will survive  
Hey, hey!

It took all the strength I had not to fall apart  
And trying hard to mend the pieces of my broken heart  
And I spent oh so many nights just feeling sorry for myself  
I used to cry, but now I hold my head up high  
And you'll see me, somebody new  
I'm not that chained up little person still in love with you  
And so you felt like droppin' in and just expect me to be free  
Now I'm savin' all my lovin' for someone who's lovin' me

Go on now go, walk out the door...

# HIT THE ROAD JACK

*RAY CHARLES*

Hit the Road Jack and don't you come back  
No more, no more, no more, no more  
Hit the Road Jack and don't you come back no more  
What'd you say?  
Hit the Road Jack and don't you come back  
No more, no more, no more, no more  
Hit the Road Jack and don't you come back no more

Oh, woman, oh, woman, don't treat me so mean  
You're the meanest old woman I have ever seen

I guess if you say so  
I have to pack my things and go (that's right!)

Hit the Road Jack and don't you come back...

Now, baby, listen, baby, don't you treat me this a way  
Cause I'll be back on my feet some day  
Don't care if you do, cause it's understood  
You ain't got no money and you just ain't no good

Well, I guess if you say so  
I have to pack my things and go (that's right!)

Hit the Road Jack and don't you come back...

Well, oh, what you say? I didn't understand you  
You can't mean that... Oh now, baby, please  
What you tryin to do to me?

# ALL STAR

## *SMASH MOUTH*

Somebody once told me  
The world is gonna roll me  
I ain't the sharpest tool in the shed  
She was looking kind of dumb  
With her finger and her thumb  
In the shape, of an 'L' on her forehead

Well, the years start coming  
And they don't stop coming  
Fed to the rules  
And I hit the ground running  
Didn't make sense not to live for fun  
Your brain gets smart  
But your head gets dumb

So much to do, so much to see  
So what's wrong  
With taking the back streets  
You'll never know if you don't go  
You'll never shine if you don't glow

Hey now, you're an All Star  
Get your game on and go play  
Hey now, you're a Rock Star  
Get the show on and get paid  
And all that glitters is gold  
Only shooting stars break the mold

It's a cool place  
And they say it gets colder  
You're bundled up now  
But wait 'til you get older  
But the meteor men beg to differ  
Judging by the hole  
In the satellite picture

The ice we skate  
Is getting pretty thin  
The waters getting warm  
So you might as well swim  
My world's on fire, how about yours?  
That's the way I like it  
And I never get bored

Hey now, you're an All Star...

Hey now, you're an All Star...

Somebody once asked  
'Could I spare some change for gas  
I need to get myself away from this place'  
I said yep, what a concept  
I could use a little fuel myself  
And we could all use a little change

Well, the years start coming  
And they don't stop coming  
Fed to the rules  
And I hit the ground running  
Didn't make sense not to live for fun  
Your brain gets smart  
But your head gets dumb

So much to do, so much to see  
So what's wrong  
With taking the back streets  
You'll never know if you don't go  
You'll never shine if you don't glow

Hey now, you're an All Star...

# I'M A BELIEVER

## *SMASH MOUTH*

I thought love was only true in fairy tales  
Meant for someone else but not for me  
Love was out to get to me  
That's the way it seems  
Disappointment haunted all my dreams

And then I saw her face  
Now I'm a believer  
Not a trace  
Of doubt in my mind  
I'm in love  
I'm a believer  
I couldn't leave her  
If I tried

I thought love was more or less a given thing  
But the more I gave the less I got, oh yeah  
What's the use in trying  
All you get is pain  
When I wanted sunshine I got rain

And then I saw her face...

What's the use in trying  
All you get is pain  
When I wanted sunshine I got rain

And then I saw her face...

# BROTHERS IN ARMS

## *DIRE STRAITS*

These mist covered mountains  
Are a home now for me  
But my home is the lowlands  
And always will be  
Some day you'll return to  
Your valleys and your farms  
And you'll no longer burn  
To be brothers in arms

Through these fields of destruction  
Baptism of fire  
I've witnessed your suffering  
As the battles raged higher  
And though they did hurt me so bad  
In the fear and alarm  
You did not desert me  
My brothers in arms

There's so many different worlds  
So many different suns  
And we have just one world  
But we live in different ones

Now the sun's gone to hell  
And the moon's riding high  
Let me bid you farewell  
Every man has to die  
But it's written in the starlight  
And every line on your palm  
We're fools to make war  
On our brothers in arms

# HIGH ON EMOTION

*CHRIS DE BURGH*

Oh, my heart is spinning like a wheel  
Only she can see the way that I fell  
Eyes are holding right across the room  
High explosion coming out of the blue

Well, here we go again  
Living in a world that others cannot share  
Yea, here we go again  
We are moving from a spark to a flame

I am high, high, high on emotion  
High, high, high again  
High, high, high on emotion  
your love will find the way

Oh, my heart is burning like a fire  
Closer now and she is breathing desire  
Take my hand and give it all your light  
Take command I am your rhythm tonight

Well, here we go again...

I am high, high, high on emotion...

# I JUST DIED IN YOUR ARMS

## *CUTTING CREW*

Oh I, I just died in your arms tonight  
It must have been something you said  
I just died in your arms tonight

I keep looking for something I can't get  
Broken hearts lie all around me  
And I don't see an easy way to get out of this  
Her diary sits by the bedside table  
The curtains are closed, the cat's in the cradle  
Who would have thought that a boy like me could come to this

Oh I, I just died in your arms tonight  
It must have been something you said  
I just died in your arms tonight  
Oh I, I just died in your arms tonight  
It must have been some kind of kiss  
I should have walked away, I should have walked away

Is there any just cause for feeling like this?  
On the surface I'm a name on a list  
I've tried to be discreet, but then I'd blow it again  
I've lost and found, it's my final mistake  
She's loving by proxy, no give and all take  
Cause I've been thrilled to fantasy one too many times

Oh I, I just died in your arms tonight...

It was a long hot night  
And she made it easy, she made it feel right  
But now it's over, the moment has gone  
I followed my hands not my head, I know I was wrong

Oh I, I just died in your arms tonight...

# MONEY FOR NOTHING

*DIRE STRAITS*

Now look at them yo-yo's, that's the way you do it  
You play the guitar on the MTV  
That ain't workin', that's the way you do it  
Money for nothin' and chicks for free  
Now that ain't workin', that's the way you do it  
Lemme tell, ya, them guys ain't dumb  
Maybe get a blister on your little finger  
Maybe get a blister on your thumb

We gotta install microwave ovens  
Custom kitchen deliveries  
We gotta move these refrigerators  
We gotta move these colour TV's

See the little faggot with the earring and the makeup  
Yeah, buddy, that's his own hair  
That little faggot got his own jet airplane  
That little faggot he's a millionaire

We gotta install microwave ovens...

I shoulda learned to play the guitar  
I shoulda learned to play them drums  
Look at that mama, she got it stickin' in the camera  
Man, we could have some fun  
And he's up there, what's that? Hawaiian noises?  
Bangin' on the bongoes like a chimpanzee  
That ain't workin', that's the way you do it  
Get your money for nothin' get your chicks for free

We gotta install microwave ovens...

# PRIDE (IN THE NAME OF LOVE)

*U2*

One man come in the name of love  
One man come and go  
One man come he to justify  
One man to overthrow

In the name of love  
What more in the name of love  
In the name of love  
What more in the name of love

One man caught on a barbed wire fence  
One man he resist  
One man washed on an empty beach  
One man betrayed with a kiss

In the name of love  
What more in the name of love  
In the name of love  
What more in the name of love

Early morning, April 4  
Shot rings out in the Memphis sky  
Free at last they're took your life  
They're could not take your pride

In the name of love  
What more in the name of love  
In the name of love  
What more in the name of love  
In the name of love  
What more in the name of love  
In the name of love  
What more in the name of love

# SULTANS OF SWING

## *DIRE STRAITS*

You get a shiver in the dark  
It's raining in the park but meantime  
South of the river you stop and you hold everything  
A band is blowing Dixie double four time  
You feel alright when you hear the music ring

And now you step inside but you don't see too many faces  
Coming in out of the rain to hear the jazz go down  
Competition in other places  
Oh, but the horns they blowing that sound  
Way on down south, way on down south London town

You check out Guitar George, he knows all the chords  
But he's strictly rhythm he doesn't wanna make it cry or sing  
Yes and an old guitar is all he can afford  
When he gets up under the lights to play his thing

And Harry doesn't mind, if he doesn't make the scene  
He's got a daytime job, he's doing alright  
He can play the honky tonk like anything  
Saving it up for Friday night  
With the Sultans, with the Sultans of Swing

And a crowd of young boys, they're fooling around in the corner  
Drunk and dressed in their best brown baggies and their platform soles  
They don't give a damn about any trumpet playing band  
It ain't what they call rock and roll  
And the Sultans, yeah, the Sultans play Creole  
Creole

And then the man he steps right up to the microphone  
And says at last just as the time bell rings  
'Goodnight, now it's time to go home'  
And he makes it fast with one more thing  
'We are the Sultans, we are the Sultans of Swing'

# YOUNG TURKS

*ROD STEWART*

Billy left his home with a dollar in his pocket and a head full of dreams  
He said somehow, some way, it's gotta get better than this  
Patti packed her bags, left a note for her mom, she was just seventeen  
There were tears in her eyes, when she kissed her little sister on goodbye

They held each other tight as they drove on through the night  
They were so exited  
We got just one shot of life, lets take it while were still not afraid  
Because life is so brief and time is a thief when you're undecided  
And like a fistful of sand, it can slip right through your hands

Young hearts be free tonight  
Time is on your side  
Don't let them put you down, dont let 'em push you around  
Don't let 'em ever change your point of view

Paradise was closed so they headed for the coast in a blissful manner  
They took a tworoom apartment that was jumping every night of the week  
Happiness was found in each others arms as expected, yeah  
Billy pierced his ears, drove a pickup like a lunatic, ooo-oh!

Young hearts be free tonight...

Billy wrote a letter back home to pattis parents tryin to explain  
He said were both real sorry that it had to turn out this way  
But there ain't no point in talking when there is nobody listning  
So we just ran away  
Patti gave birth to a ten pound baby boy, oh yeah!

Young hearts be free tonight...

# DOES YOUR MOTHER KNOW

*ABBA*

You're so hot, teasing me  
So you're blue but I can't take a chance on a chick like you  
That's something I couldn't do  
There's that look in your eyes  
I can read in your face that your feelings are driving you wild  
Ah, but girl you're only a child

Well, I can dance with you honey  
If you think it's funny  
Does your mother know that you're out?  
And I can chat with you baby  
Flirt a little maybe  
Does your mother know that you're out?

Take it easy (take it easy)  
Better slow down girl  
That's no way to go  
Does your mother know?  
Take it easy (take it easy)  
Try to cool it girl  
Take it nice and slow  
Does your mother know?

I can see what you want  
But you seem pretty young to be searching for that kind of fun  
So maybe I'm not the one  
Now you're so cute, I like your style  
And I know what you mean  
When you give me a flash of that smile (smile)  
But girl you're only a child

Well, I can dance with you honey...

Take it easy (take it easy)...

# THANK YOU FOR THE MUSIC

*ABBA*

I'm nothing special  
In fact, I'm a bit of a bore  
If I tell a joke  
You've probably heard it before  
But I have a talent  
A wonderful thing  
'Cause everyone listens  
When I start to sing  
I'm so grateful and proud  
All I want is to sing it out loud  
So I say

Thank you for the music, the songs I'm singing  
Thanks for all the joy they're bringing  
Who can live without it? I ask in all honesty  
What would life be? Without a song or a dance what are we?  
So I say thank you for the music, for giving it to me

Mother says I was  
A dancer before I could walk  
She says I began  
To sing long before I could talk  
And I've often wondered  
How did it all start  
Who found out that nothing  
Can capture a heart  
Like a melody can  
Well, whoever it was, I'm a fan  
So I say

Thank you for the music, the songs I'm singing...

I've been so lucky  
I am the girl with golden hair  
I wanna sing it out to everybody  
What a joy, what a life, what a chance

Thank you for the music, the songs I'm singing...

# WATERLOO

*ABBA*

My, my, at Waterloo Napoleon did surrender  
Oh yeah, and I have met my destiny in quite a similar way  
The history book on the shelf  
Is always repeating itself

Waterloo – I was defeated, you won the war  
Waterloo – promise to love you for ever more  
Waterloo – couldn't escape if I wanted to  
Waterloo – knowing my fate is to be with you  
Oh, oh, oh, oh!  
Waterloo – finally facing my Waterloo

My, my, I tried to hold you back but you were stronger  
Oh yeah, and now it seems my only chance is skipping up the fight  
And how could I ever refuse?  
I feel like I win when I lose

Waterloo – I was defeated, you won the war  
Waterloo – promise to love you for ever more  
Waterloo – couldn't escape if I wanted to  
Waterloo – knowing my fate is to be with you  
Oh, oh, oh, oh!  
Waterloo – finally facing my Waterloo

So how could I ever refuse?  
I feel like I win when I lose

Waterloo – couldn't escape if I wanted to  
Waterloo – knowing my fate is to be with you  
Oh, oh, oh, oh! Waterloo – finally facing my Waterloo  
Waterloo – knowing my fate is to be with you  
Oh, oh, oh, oh!  
Waterloo – finally facing my Waterloo

# FOREVER YOUNG

## *ALPHAVILLE*

Let's dance in style, let's dance for a while  
Heaven can wait, we're only watching the skies  
Hoping for the best but expecting the worst  
Are you going drop the bomb or not?

Let us die young, let us live forever  
We don't have the power but we never say never  
Sitting in a sandpit, life is a short trip  
The music's for the sad men

Can you imagine when this race is won?  
Turn our golden faces into the sun  
Praising our leaders we're getting in tune  
The music's played by the, the madman

Forever young, I want to be forever young  
Do you really want to live forever?  
Forever or never  
Forever young, I want to be forever young  
Do you really want to live forever?  
Forever young

Some are like water, some are like the heat  
Some are a melody and some are the beat  
Sooner or later they all will be gone  
Why don't they stay young?

It's so hard to get old without a cause  
I don't want to perish like a fading horse  
Youth's like diamonds in the sun  
And diamonds are forever

So many adventures couldn't happen today  
So many songs we forgot to play  
So many dreams are swinging out of the blue  
We let them come true

Forever young, I want to be forever young...

# RASPUTIN

## *BONEY M*

There lived a certain man  
In Russia long ago  
He was big and strong  
In his eyes a flaming glow  
Most people looked at him  
With terror and with fear  
But to Moscow chicks  
He was such a lovely dear  
He could preach the Bible like a preacher  
Full of ecstasy and fire  
But he also was the kind of teacher  
Women would desire

Ra, Ra, Rasputin  
Lover of the Russian queen  
There was a cat that really was gone  
Ra, Ra, Rasputin  
Russia's greatest love machine  
It was a shame how he carried on

He ruled the Russian land  
And never mind the tsar  
But the kasachok he danced  
Really wunderbar  
In all affairs of state  
He was the man to please  
But he was real great  
When he had a girl to squeeze  
For the queen he was no wheeler dealer  
Though she heard the things he'd done  
She believed he was a holy healer  
Who would heal her son

Ra, Ra, Rasputin...

(But when his drinking  
And lusting and his hunger  
For power became known  
To more and more people  
The demands to do something  
About this outrageous  
Man became louder and louder...)

This man just got to go!  
Declared his enemies  
But the ladies begged  
Don't you try to do it, please  
No doubt this Rasputin  
Had lots of hidden charms  
Though he was a brute  
They just fell into his arms  
Then one night  
Some men of higher standing  
Set a trap, they're not to blame  
Come to visit us they kept demanding  
And he really came

Ra, Ra, Rasputin  
Lover of the Russian queen  
They put some poison into his wine  
Ra, Ra, Rasputin  
Russia's greatest love machine  
He drank it all and he said 'I feel fine'

Ra, Ra, Rasputin  
Lover of the Russian queen  
They didn't quit, they wanted his head  
Ra, Ra, Rasputin  
Russia's greatest love machine  
And so they shot him till he was dead

# MIRACLE OF LOVE

## *EURYTHMICS*

How many sorrows  
Do you try to hide  
In a world of illusion  
That's covering your mind?  
I'll show you something good

Oh, I'll show you something good  
When you open your mind  
You'll discover the sign  
That there's something  
You're longing to find

The miracle of love  
Will take away your pain  
When the miracle of love  
Comes your way again

Cruel is the night  
That covers up your fears  
Tender is the one  
That wipes away your tears  
There must be a bitter breeze  
To make you sting so viciously  
They say the greatest coward  
Can hurt the most ferociously

But I'll show you something good.  
Oh, I'll show you something good.  
If you open your heart  
You can make a new start  
When your crumbling world falls apart

The miracle of love...
