

# RIGHT HERE WAITING

*RICHAD MARX*

Oceans apart day after day  
And I slowly go insane  
I hear your voice on the line  
But it doesn't stop the pain

If I see you next to never  
How can we say forever

Wherever you go  
Whatever you do  
I will be right here waiting for you  
Whatever it takes  
Or how my heart breaks  
I will be right here waiting for you

I took for granted, all the times  
That I thought would last somehow  
I hear the laughter, I taste the tears  
But I can't get near you now

Oh, can't you see it baby  
You've got me goin' crazy

Wherever you go  
Whatever you do  
I will be right here waiting for you  
Whatever it takes  
Or how my heart breaks  
I will be right here waiting for you

I wonder how we can survive  
This romance  
But in the end if I'm with you  
I'll take the chance

Oh, can't you see it baby  
You've got me goin' crazy

Wherever you go  
Whatever you do  
I will be right here waiting for you  
Whatever it takes  
Or how my heart breaks  
I will be right here waiting for you

# WITHOUT YOU

## *HARRY NILSSON*

No, I can't forget this evening  
Or your face as you were leaving  
But I guess that's just the way the story goes  
You always smile but in your eyes your sorrow shows  
Yes, it shows

No, I can't forget tomorrow  
When I think of all my sorrow  
When I had you there but then I let you go  
And now it's only fair that I should let you know  
What you should know

I can't live if living is without you  
I can't live, I can't give any more  
I can't live if living is without you  
I can't give, I can't give any more

No, I can't forget this evening  
Or your face as you were leaving  
But I guess that's just the way the story goes  
You always smile but in your eyes your sorrow shows  
Yes, it shows

I can't live if living is without you  
I can't live, I can't give anymore  
I can't live if living is without you  
I can't live, I can't give anymore

# INTO THE WEST

*ANNIE LENNOX*

Lay down  
Your sweet and weary head  
Night is falling  
You have come to journey's end

Sleep now  
And dream of the ones who came before  
They are calling  
From across the distant shore

Why do you weep?  
What are these tears upon your face?  
Soon you will see  
All of your fears will pass away

Safe in my arms  
You're only sleeping

What can you see  
On the horizon?  
Why do the white gulls call?

Across the sea  
A pale moon rises  
The ships have come  
To carry you home  
And all will turn to silver glass  
Lights on the water  
All souls pass

Hope fades  
Into the world of night  
Through shadows falling  
Out of memory and time

Don't say  
We have come now to the end  
White shores are calling  
You and I will meet again

And you'll be here in my arms  
Just sleeping

What can you see  
On the horizon?  
Why do the white gulls call?

Across the sea  
A pale moon rises  
The ships have come  
To carry you home  
And all will turn to silver glass  
Lights on the water  
Grey ships pass  
Into the West

# POISON

## *ALICE COOPER*

Your cruel device  
Your blood like ice  
One look could kill  
My pain, your thrill

I wanna love you but I better not touch (don't touch)  
I wanna hold you, but my senses tell me to stop  
I wanna kiss you but I want it too much (too much)  
I wanna taste you but your lips are venomous poison  
You're poison, running through my veins  
You're poison, I don't wanna break these chains

Your mouth so hot  
Your web, I'm caught  
Your skin so wet  
Black lace on sweat

I hear you calling and it's needles and pins (and pins)  
I wanna hurt you just to hear you screaming my name  
Don't wanna touch you but you're under my skin (deep in)  
I wanna kiss you but your lips are venomous poison  
You're poison, running through my veins  
Your poison  
I don't wanna break these chains  
Poison...

One look, could kill  
My pain, your thrill

I wanna love you...  
Poison...

# THIS IS THE LIFE

*AMY MACDONALD*

Oh, the wind whistles down  
The cold dark street tonight  
And the people, they were dancing  
To the music vibe  
And the boys chase the girls  
With the curls in their hair  
While the shy tormented youth  
Sit way over there  
And the songs they get louder  
Each one better than before

And you're singing the songs  
Thinking this is the life  
And you wake up in the morning  
And your head feels twice the size  
Where you gonna go,  
Where you gonna go?  
Where you gonna sleep tonight?

And you're singing the songs...

So you're heading down the road  
In your taxi for four  
And your waiting  
Outside Jimmy's front door  
But nobody's in, nobody's home till four  
So you're sitting there with nothing to do  
Talking about Robert Riger  
And his motley crew  
And where you're gonna go?  
Where you're gonna sleep tonight?

And you're singing the songs...

# HOUSE OF THE RISING SUN

## *ANIMALS*

There is a house in New Orleans  
They call The Rising Sun  
And it's been the ruin of many a poor boy  
And God, I know I'm one

My mother was a tailor  
Sewed my new blue jeans  
My father was a gamblin' man  
Down in New Orleans

Now the only thing a gambler needs  
Is a suitcase and a trunk  
And the only time he'll be satisfied  
Is when he's all drunk

Oh, mother, tell your children  
Not to do what I have done  
Spend your lives in sin and misery  
In the house of The Rising Sun

Well I've got one foot on the platform  
The other foot on the train  
I'm going back to New Orleans  
To wear that ball and chain

Well there is a house in New Orleans  
They call the Rising Sun  
And it's been the ruin of many a poor boy  
And God, I know I'm one

# MEMORY

*BARBRA STREISAND*

Midnight, not a sound from the pavement.  
Has the moon lost her memory?  
She is smiling alone.  
In the lamp light the withered leaves collect at my feet.  
And the wind begins to moan.

Memory! All alone in the moonlight  
I can dream of the old days,  
Life was beautiful then.  
I remember the time  
I knew what happiness was,  
Let the memory live again.

Every street lamp seems to beat a fatalistic warning.  
Someone mutters  
And the street lamp gutters  
And soon it will be morning.

Daylight, I must wait for the sunrise,  
I must think of a new life  
And I mustn't give in.  
When the dawn comes, tonight will be a memory too  
And a new day will begin.

Burnt out ends of smoky days, the still cold smell of morning.  
A street lamp dies,  
Another night is over,  
Another day is dawning.

Touch me. It's so easy to leave me  
All alone with the memory  
Of my days in the sun.  
If you touch me, you'll understand what happiness is.  
Look – a new day has begun.

# WOMAN IN LOVE

## *BARBRA STREISAND*

Life is a moment in space,  
When the dream is gone  
It's a lonelier place.  
I kiss the morning goodbye,  
But down inside,  
You know we never know why.

The road is narrow and long  
When eyes meet eyes  
And the feeling is strong.  
I turn away from the wall.  
I stumble and fall,  
But I give you it all.

I am a woman in love  
And I'd do anything  
To get you into my world,  
And hold you within.  
It's a right I defend  
Over and over again.  
What do I do?

With you eternally mine,  
In love there is  
No measure of time.  
We planned it all at the start  
That you and I live  
In each others heart.

We may be oceans away,  
You feel my love  
I hear what you say.  
No truth is ever a lie.  
I stumble and fall,  
But I give you it all.

I am a woman in love  
And I'd do anything  
To get you into my world,  
And hold you within.  
It's a right I defend  
Over and over again.  
What do I do?

Ooo!

I am a woman in love  
And I'm talkin' to you.  
You know (I know) how you feel  
What a woman can do.  
It's a right I defend  
Over and over again

I am a woman in love  
And I'd do anything  
To get you into my world,  
And hold you within.  
It's a right I defend  
Over and over again.  
What do I do?

# STAYIN' ALIVE

*BEE GEES*

Well, you can tell by the way I use my walk,  
I'm a woman's man, no time to talk.  
Music loud and women warm  
I've been kicked around since I was born.  
And now it's all right. It's OK.  
And you may look the other way.  
We can try to understand the New York Time's effect on man.

Whether you're a brother or whether you're a mother,  
You're stayin' alive, stayin' alive.  
Feel the city breakin' and everybody shakin',  
And we're stayin' alive, stayin' alive.  
Ah, ha, ha, ha, stayin' alive, stayin' alive.  
Ah, ha, ha, ha, stayin' alive.

Well now, I get low and I get high,  
And if I can't get either, I really try.  
Got the wings of heaven on my shoes.  
I'm a dancin' man and I just can't lose.  
You know it's all right. It's OK.  
I'll live to see another day.  
We can try to understand the New York Time's effect on man.

Whether you're a brother or whether you're a mother...

Life goin' nowhere.  
Somebody help me.  
Somebody help me, yeah.  
Life goin' nowhere.  
Somebody help me, yeah.

Well, you can tell by the way I use my walk...

Whether you're a brother or whether you're a mother...

# LEAVE A LIGHT ON

*BELINDA CARLISLE*

Take my hand  
Tell me what you are feeling  
Understand  
This is just the beginning  
Although I have to go  
It makes me feel like crying  
I don't know when I'll see you again

Darling leave a light on for me  
I'll be there before you close the door  
To give you all the love that you need  
Darling leave a light on for me  
'cause when the world takes me away  
You are still the air that I breathe

I can't explain  
I don't know  
Just how far I have to go  
But darling, I'll keep the key  
Just leave a light on for me

Yes, I know  
What I'm asking is crazy  
You could go  
Just get tired of waiting  
But if I lose your love  
Torn out by my desire  
That would be the one regret of my life

Darling leave a light on for me...

Just like a spark lights up the dark  
Baby that's your heart  
Baby that's your heart  
Baby that's your heart!

# THE TIME OF MY LIFE

*BILL MEDLEY & JENNIFER WARNES*

Now I've had the time of my life  
No, I never felt like this before  
Yes, I swear it's the truth  
And I owe it all to you

'Cause I've had the time of my life  
And I owe it all to you

I've been waiting for so long  
Now I've finally found someone  
To stand by me

We saw the writing on the wall  
And we felt this magical fantasy

Now with passion in our eyes  
There's no way we could disguise it secretly  
So we take each others hand  
'Cause we seem to understand the urgency

Just remember  
You're the one thing  
I can't get enough of  
So I'll tell you something  
This could be love

Because I've had the time of my life  
No, I never felt this way before  
Yes, I swear it's the truth  
And I owe it all to you  
'Cause I've had the time of my life  
And I've searched through every open door  
Till I found the truth  
And I owe it all to you

Hey baby, oh yeah yeah yeah

With my body and soul  
I want you more than you'll ever know  
So we'll just let it go  
Don't be afraid to lose control, no

Yes, I know what's on your mind  
When you say "Stay with me tonight"  
(Stay with me)

Just remember  
You're the one thing  
I can't get enough of  
So I'll tell you something  
This could be love

Because I've had the time of my life  
No, I never felt this way before  
Yes I swear it's the truth  
And I owe it all to you  
'Cause I've had the time of my life  
And I've searched through every open door  
(Never felt this way)  
Till I found the truth  
And I owe it all to you

Yeah, yeah, yeah, yeah  
Oh, whoa, oh, oh

Now I've had the time of my life...

I've had the time of my life...

# IT'S MY LIFE

*BON JOVI*

This ain't a song for the broken hearted.  
No silent prayer for the faith departed.  
I ain't gonna be just the face in the crowd,  
You're gonna hear my voice when I shout it out loud!

It's my life!  
And it's now or never!  
I ain't gonna live forever!  
I just want to live while I'm alive!  
It's my life!  
My heart is like an open highway!  
Like Frankie said, I did it my way!  
I just wanna live while I'm alive!  
It's my life!

This is for the ones who stood their ground.  
For Tommy and Gina who never backed down.  
Tomorrow's getting harder make no mistake,  
Luck ain't even lucky,  
Got to make your own breaks!

It's my life...

Better stand tall when they're calling you out.  
Don't bend, don't break, baby, don't back down.

It's my life...

# HOLDING OUT FOR A HERO

*BONNIE TYLER*

Where have all the good men gone  
And where are all the gods?  
Where's the streetwise Hercules  
To fight the rising odds?

Isn't there a white knight  
Upon a fiery steed?  
Late at night I toss and I turn  
And I dream of what I need

I need a hero  
I'm holding out for a hero  
Till the end of the night  
He's gotta be strong  
And he's gotta be fast  
And he's gotta be fresh from the fight

I need a hero  
I'm holding out for a hero  
Till the morning light  
He's gotta be sure  
And he's gotta be soon  
And he's gotta be larger than life  
Larger than life

Somewhere after midnight  
In my wildest fantasies  
Somewhere just beyond my reach  
There's someone reaching back for me

Racing on the thunder  
And rising with the heat  
It's gonna take a Superman  
To sweep me off my feet

I need a hero  
I'm holding out for a hero  
Till the end of the night  
He's gotta be strong  
And he's gotta be fast  
And he's gotta be fresh from the fight

I need a hero  
I'm holding out for a hero  
Till the morning light  
He's gotta be sure  
And he's gotta be soon  
And he's gotta be larger than life

I need a hero  
I'm holding out for a hero  
Till the end of the night

Upwhere the mountains  
Meet the heavens above  
Out where the lightning splits the sea  
I could swear  
That there's someone  
Somewhere watching me

Through the wind  
And the chill  
And the rain  
And the storm  
And the flood  
I can feel his approach  
Like a fire in my blood

I need a hero...

# DUST IN THE WIND

## *KANSAS*

I close my eyes  
Only for a moment  
And the moment's gone  
All my dreams  
Pass before my eyes  
A curiosity

Dust in the wind  
All they are is dust in the wind

Same old song  
Just a drop of water  
In an endless sea  
All we do  
Crumbles to the ground  
Though we refuse to see

Dust in the wind  
All we are is dust in the wind

Now, don't hang on  
Nothing lasts forever  
But the earth and sky  
It slips away  
And all your money  
Won't another minute buy

Dust in the wind  
All we are is dust in the wind  
Dust in the wind  
Everything is dust in the wind

# STAIRWAY TO HEAVEN

## *LED ZEPPELIN*

There's a lady who's sure  
All that glitters is gold  
And she's buying a stairway to heaven.  
When she gets there she knows,  
If the stores are all closed  
With a word she can get  
What she came for. Ooh, ooh.  
And she's buying  
A stairway to heaven.

There's a sign on the wall  
But she wants to be sure  
'Cause you know  
Sometimes words have two meanings.  
In a tree by the brook,  
There's a songbird who sings,  
Sometimes all of our thoughts  
Are misgiven.  
Ooh, it makes me wonder.  
Ooh, it makes me wonder.

There's a feeling I get  
When I look to the west,  
And my spirit is crying for leaving.  
In my thoughts I have seen  
Rings of smoke through the trees,  
And the voices of those  
Who stand looking.  
Ooh, it makes me wonder.  
Ooh, really makes me wonder.

And it's whispered that soon  
If we all call the tune  
Then the piper will lead us to reason.  
And a new day will dawn  
For those who stand long  
And the forests will echo with laughter.

If there's a bustle in your hedgerow,  
Don't be alarmed now,  
It's just a spring clean for the May queen.  
Yes, there are two paths you can go by,  
But in the long run  
There's still time  
to change the road you're on.  
And it makes me wonder. Ooh...

Your head is humming and it won't go,  
In case you don't know,  
The piper's calling you to join him,  
Dear lady, can you hear the wind blow,  
And did you know  
Your stairway lies on the whispering wind.

And as we wind on down the road  
Our shadows taller than our souls.  
There walks a lady we all know  
Who shines white light and wants to show  
How everything still turns to gold.  
And if you listen very hard  
The tune will come to you at last.  
When all are one and one is all  
To be a rock and not to roll.

And she's buying  
A stairway to heaven...

# HELLO

## *LIONEL RICHIE*

I've been alone with you inside my mind  
And in my dreams I've kissed your lips a thousand times  
I sometimes see you pass outside my door

Hello!  
Is it me you're looking for?  
I can see it in your eyes  
I can see it in your smile  
You're all I've ever wanted  
And my arms are open wide  
'Cause you know just what to say  
And you know just what to do  
And I want to tell you so much  
I love you

I long to see the sunlight in your hair  
And tell you time and time again how much I care  
Sometimes I feel my heart will overflow

Hello!  
I've just got to let you know  
'Cause I wonder where you are  
And I wonder what you do  
Are you somewhere feeling lonely?  
Or is someone loving you?  
Tell me how to win your heart  
For I haven't got a clue  
But let me start by saying  
I love you

# PERFECT DAY

*LOU REED*

Just a perfect day, drink Sangria in the park  
And then later, when it gets dark, we go home

Just a perfect day, feed animals in the zoo  
Then later a movie, too, and then home

Oh, it's such a perfect day  
I'm glad I spend it with you  
Oh, such a perfect day  
You just keep me hanging on  
You just keep me hanging on

Just a perfect day, problems all left alone  
Weekenders on our own – it's such fun

Just a perfect day, you made me forget myself  
I thought I was someone else, someone good

Oh, it's such a perfect day  
I'm glad I spent it with you  
Oh, such a perfect day  
You just keep me hanging on  
You just keep me hanging on

You're going to reap just what you sow  
You're going to reap just what you sow  
You're going to reap just what you sow  
You're going to reap just what you sow

# RUNAWAY TRAIN

## *SOUL ASYLUM*

Call you up in the middle of the night  
Like a firefly without a light  
You were there like a blowtorch burning  
I was a key that could use a little turning

So tired that I couldn't even sleep  
So many secrets I couldn't keep  
I promised myself I wouldn't weep  
One more promise I couldn't keep

It seems no one can help me now,  
I'm in too deep; there's no way out  
This time I have really led myself astray

Runaway train, never going back  
Wrong way on a one-way track  
Seems like I should be getting somewhere  
Somehow I'm neither here nor there

Can you help me remember how to  
smile?  
Make it somehow all seem worthwhile  
How on earth did I get so jaded?  
Life's mystery seems so faded

I can go where no one else can go  
I know what no one else knows  
Here I am just a-drownin' in the rain  
With a ticket for a runaway train

And everything seems cut and dried,  
Day and night, earth and sky,  
Somehow I just don't believe it

Runaway train, never going back  
Wrong way on a one-way track  
Seems like I should be getting somewhere  
Somehow I'm neither here nor there

Bought a ticket for a runaway train  
Like a madman laughing at the rain  
A little out of touch, a little insane  
It's just easier than dealing with the pain

Runaway train, never going back  
Wrong way on a one-way track  
Seems like I should be getting somewhere  
Somehow I'm neither here nor there

Runaway train, never coming back  
Runaway train, tearing up the track  
Runaway train, burning in my veins  
I run away but it always seems the same

# TONIGHT I CELEBRATE MY LOVE FOR YOU

*ROBERTA FLACK & PAEBO BRYSON*

Tonight I celebrate my love for you  
It seems the natural thing to do  
Tonight no one's gonna find us  
We'll leave the world behind us  
When I make love to you

Tonight I celebrate my love for you  
And hope that deep inside you feel it too  
Tonight our spirits will be climbing  
To the sky lit up with diamonds  
When I make love to you  
Tonight

Tonight I celebrate my love for you (ooh)  
And that midnight song is gonna come shining through  
Tonight there'll be no distance between us  
What I want most to do  
Is to get close to yo  
Tonight

Tonight I celebrate my love for you  
And soon this old world will seem brand new  
Tonight we will both discover  
How friends turn into lovers  
When I make love to you

Tonight I celebrate my love for you (ooh)  
And that midnight song is gonna come shining through  
Tonight there'll be no distance between us  
What I want most to do  
Is to get close to you

Tonight I celebrate my love for you  
Tonight

# EYE OF THE TIGER

## *SURVIVOR*

Risin' up, back on the street  
Did my time, took my chances  
Went the distance, now I'm back on my feet  
Just a man and his will to survive

So many times, it happens too fast  
You change your passion for glory  
Don't lose your grip on the dreams of the past  
You must fight just to keep them alive

It's the eye of the tiger, it's the thrill of the fight  
Risin' up to the challenge of our rival  
And the last known survivor stalks his prey in the night  
And he's watchin' us all with the eye of the tiger

Face to face, out in the heat  
Hangin' tough, stayin' hungry  
They stack the odds 'till we take to the street  
For we kill with the skill to survive

It's the eye of the tiger, it's the thrill of the fight...  
Risin' up, straight to the top  
Have the guts, got the glory  
Went the distance, now I'm not gonna stop  
Just a man and his will to survive

It's the eye of the tiger, it's the thrill of the fight...

The eye of the tiger...

# UNBREAK MY HEART

*TONI BRAXTON*

Don't leave me in all this pain  
Don't leave me out in the rain  
Come back and bring back my smile  
Come and take these tears away  
I need your arms to hold me now  
The nights are so unkind  
Bring back those nights  
When I held you beside me

Unbreak my heart  
Say you'll love me again  
Undo this hurt you caused  
When you walked out the door  
And walked outta my life  
Uncry these tears  
I cried so many nights  
Unbreak my heart  
My heart

Take back that sad word goodbye  
Bring back the joy to my life  
Don't leave me here with these tears  
Come and kiss this pain away  
I can't forget the day you left  
Time is so unkind  
And life is so cruel  
Without you here beside me

Unbreak my heart  
Say you'll love me again  
Undo this hurt you caused  
When you walked out the door  
And walked outta my life  
Uncry these tears  
I cried so many nights  
Unbreak my heart  
My heart

Don't leave me in all this pain  
Don't leave me out in the rain  
Bring back the nights  
When I held you beside me

Unbreak my heart  
Say you'll love me again  
Undo this hurt you caused  
When you walked out the door  
And walked outta my life  
Uncry these tears  
I cried so many nights  
Unbreak my heart  
My heart

Unbreak my heart, oh baby  
Come back and say you love me  
Unbreak my heart, sweet darlin'  
Without you I just can't go on  
Can't go on

# IT'S A SIN

## *PET SHOP BOYS*

When I look back upon my life  
It's always with a sense of shame  
I've always been the one to blame

For everything I long to do  
No matter when or where or who  
Has one thing in common too  
It's a, it's a, it's a, it's a sin  
It's a sin  
Everything I've ever done  
Everything I ever do  
Every place I've ever been  
Everywhere I'm going to  
It's a sin

At school they taught me how to be  
So pure in thought and word and deed  
They didn't quite succeed

For everything I long to do...

Father, forgive me, I tried not to do it  
Turned over a new leaf,  
Then tore right through it  
Whatever you taught me,  
I didn't believe it  
Father, you fought me, 'cause I didn't care  
And I still don't understand

So I look back upon my life  
Forever with a sense of shame  
I've always been the one to blame

For everything I long to do...

# DON'T STOP ME NOW

*QUEEN*

Tonight I'm gonna have myself a real good time  
I feel alive and the world turning inside out, yeah!  
And floating around in ecstasy  
So don't stop me now, don't stop me  
'Cause I'm having a good time, having a good time

I'm a shooting star leaping through the sky  
Like a tiger defying the laws of gravity  
I'm a racing car passing by like Lady Godiva  
I'm gonna go go go  
There's no stopping me

I'm burning through the sky, yeah!  
Two hundred degrees  
That's why they call me Mister Fahrenheit  
I'm trav'ling at the speed of light  
I wanna make a supersonic man out of you

Don't stop me now, I'm having such a good time  
I'm having a ball, don't stop me now  
If you wanna have a good time, just give me a call  
Don't stop me now ('cause I'm havin' a good time)  
Don't stop me now (yes I'm havin' a good time)  
I don't want to stop at all

I'm a rocket ship on my way to Mars  
On a collision course  
I am a satellite, I'm out of control  
I am a sex machine ready to reload  
Like an atom bomb about to  
Oh oh oh oh oh explode

I'm burning through the sky, yeah...

# AMERICAN PIE

*DON MCLEAN*

A long, long time ago  
I can still remember  
How that music used to make me smile  
And I knew if I had my chance  
That I could make those people dance  
And, maybe, they'd be happy for a while

But february made me shiver  
With every paper I'd deliver  
Bad news on the doorstep  
I couldn't take one more step

I can't remember if I cried  
When I read about his widowed bride  
But something touched me deep inside  
The day the music died

So  
Bye-bye, miss american pie  
Drove my chevy to the levee  
But the levee was dry  
And them good old boys  
Were drinkin' whiskey and rye  
Singin', 'this'll be the day that I die'  
'This'll be the day that I die'

Did you write the book of love  
And do you have faith in God above  
If the Bible tells you so?  
And do you believe in rock'n'roll  
Can music save your mortal soul  
And can you teach me  
How to dance real slow?

Well, I know that you're in love with him  
'Cause I saw you dancin' in the gym  
You both kicked off your shoes  
Man, I dig those rhythm and blues

I was a lonely teenage broncin' buck  
With a pink carnation and a pickup truck  
But I knew I was out of luck  
The day the music died.

I started singin'  
Bye-bye, miss american pie...

Now for ten years we've been on our own  
And moss grows fat on a rollin' stone  
But that's not how it used to be  
When the jester sang  
For the king and queen,  
In a coat he borrowed from james dean  
And a voice that came from you and me

Oh, and while the king was looking down  
The jester stole his thorny crown  
The courtroom was adjourned  
No verdict was returned  
And while Lennon read a book of marx  
The quartet practiced in the park  
And we sang dirges in the dark  
The day the music died

We were singing  
Bye-bye, miss american pie...

Helter skelter in a summer swelter  
The birds flew off with a fallout shelter  
Eight miles high and falling fast  
It landed foul on the grass  
The players tried for a forward pass  
With the jester on the sidelines in a cast

Now the half-time air  
Was sweet perfume  
While the sergeants  
Played a marching tune  
We all got up to dance  
Oh, but we never got the chance!  
'Cause the players tried to take the field  
The marching band refused to yield  
Do you recall what was revealed  
The day the music died?

We started singing  
Bye-bye, miss american pie...

Oh, and there we were all in one place  
A generation lost in space  
With no time left to start again  
So come on: jack be nimble, jack be quick!  
Jack flash sat on a candlestick  
Cause fire is the devil's only friend

Oh, and as I watched him on the stage  
My hands were clenched in fists of rage  
No angel born in hell  
Could break that satan's spell  
And as the flames  
Climbed high into the night  
To light the sacrificial rite  
I saw satan laughing with delight  
The day the music died

He was singing  
Bye-bye, miss american pie...

I met a girl who sang the blues  
And I asked her for some happy news  
But she just smiled and turned away  
I went down to the sacred store  
Where I'd heard the music years before  
But the man there said  
The music wouldn't play

And in the streets  
The children screamed  
The lovers cried, and the poets dreamed  
But not a word was spoken  
The church bells all were broken  
And the three men I admire most  
The father, son, and the holy ghost  
They caught the last train for the coast  
The day the music died

And they were singing  
Bye-bye, miss american pie...

They were singing  
Bye-bye, miss american pie...

# SEALED WITH A KISS

*BRIAN HYLAND*

Though we've got to say goodbye for the summer  
Darling, I promise you this  
I'll send you all my love  
Everyday in a letter  
Sealed with a kiss

Yes it's gonna be cold, lonely summer  
But I'll fill the emptiness  
I'll send you all my dreams  
Everyday in a letter  
Sealed with a kiss

I'll see you in the sunlight  
I'll hear your voice everywhere  
I'll run to tenderly hold you  
But, Darlin', you won't be there

I don't wanna say goodbye for the summer  
Knowing the love we'll miss  
Oh, let us make a pledge  
To meet in September  
And seal it with a kiss

Yes it's gonna be cold, lonely summer...

Sealed with a kiss  
Sealed with a kiss  
Sealed with a kiss

# HOTEL CALIFORNIA

## *THE EAGLES*

On a dark desert highway  
Cold wind in my hair  
Warm smell of colitas  
Rising up through the air  
Up ahead in the distance  
I saw a shimmering light  
My head grew heavy  
And my sight grew dim  
I had to stop for the night

There she stood in the doorway  
I heard the mission bell  
And I was thinkin' to myself  
This could be heaven or this could be hell  
Then she lit up a candle  
And she showed me the way  
There were voices down the corridor  
I thought I heard them say

Welcome to the Hotel California  
Such a lovely place  
(Such a lovely place)  
Such a lovely face  
Plenty of room at the Hotel California  
Any time of year  
(Any time of year)  
You can find it here

Her mind is Tiffany-twisted  
She got the Mercedes Bends  
She got a lot of pretty, pretty boys  
She calls friends  
How they dance in the courtyard  
Sweet summer sweat  
Some dance to remember  
Some dance to forget

So I called up the Captain  
'Please bring me my wine  
He said 'We haven't had that spirit here  
Since nineteen sixty-nine'  
And still those voices are calling  
From far away  
Wake you up in the middle of the night  
Just to hear them say

Welcome to the Hotel California  
Such a lovely place  
(Such a lovely place)  
Such a lovely face  
They livin' it up at the Hotel California  
What a nice surprise  
(What a nice surprise)  
Bring your alibis

Mirrors on the ceiling  
The pink champagne on ice  
And she said  
'We are all just prisoners here  
Of our own device'  
And in the masters chambers  
They gathered for the feast  
They stab it with their steely knives  
But they just can't kill the beast

Last thing I remember  
I was running for the door  
I had to find the passage  
back to the place I was before  
'Relax,' said the night man,  
'We are programmed to receive  
You can check out anytime you like  
But you can never leave.'

# ENJOY THE SILENCE

## *DEPECHE MODE*

Words like violence  
Break the silence  
Come crashing in  
Into my little world  
Painful to me  
Pierce right through me  
Can't you understand  
Oh my little girl

All I ever wanted  
All I ever needed  
Is here in my arms  
Words are very unnecessary  
They can only do the harm

Vows are spoken  
To be broken  
Feelings are intense  
Words are trivial  
Pleasures remain  
So does the pain  
Words are meaningless  
And forgettable

All I ever wanted...

Enjoy the silence

# ALL FOR ONE, ALL FOR LOVE

*BRYAN ADAMS & ROD STEWARD & STING*

When it's love you give  
I'll be your man of good faith  
Then in love you live  
I'll make a stand, I won't break  
I'll be the rock you can build on  
Be there when you're old  
To have and to hold

When there's love inside  
I swear I'll always be strong  
Then there's a reason why  
I'll prove to you we belong  
I'll be the wall that protects you  
From the wind and the rain  
From the hurt and the pain, yeah!

Let's make it all for one and all for love  
Let the one you hold be the one you want  
The one you need  
'Cause when it's all for one it's one for all  
When there's someone that should know  
Then just let your feelings show  
And make it all for one and all for love

When it's love you make  
I'll be the fire in our night  
Then it's love you take  
I will defend, I will fight  
I'll be there when you need me  
When honor's at stake  
This vow I will make, yeah!

That it's all for one and all for love...

Don't lay our love to rest  
'Cause we could stand up to the test  
We got everything and more  
Than we had planned  
More than the rivers that run the land  
We've got it all in our hands

Now it's all for one and all for love...

## 500 MILES

### *THE HOOTERS*

If you miss the train I'm on  
You will know that I am gone  
You can hear the whistle blow a hundred miles  
A hundred miles, a hundred miles,  
A hundred miles, a hundred miles  
You can hear the whistle blow a hundred miles

Not a shirt on my back  
Not a penny to my name  
And the land that I once curved is not my own  
Lord, I'm one, Lord, I'm two,  
Lord, I'm three, Lord, I'm four  
Lord, I'm five hundred miles away from home

A hundred tanks along the square  
One man stands and stops them there  
Someday soon the tide will turn and I'll be free  
I'll be free, I'll be free  
I'll come home to my country  
Someday soon the tide will turn and I'll be free

If you missed the train I'm on  
You will know that I am gone  
You can hear the whistle blow a hundred miles  
Lord, I'm one, Lord, I'm two,  
Lord, I'm three, Lord, I'm four  
Lord, I'm five hundred miles away from home  
Lord, I'm five hundred miles away from home

I'll be free, I'll be free, I'll come home to my country  
Lord, I'm five hundred miles away from home

You can hear the whistle blow a hundred miles  
Lord, I'm five hundred miles away from home

# WIND OF CHANGE

## *THE SCORPIONS*

Follow the Moskva down to Gorky Park  
Listening to the wind of change  
August summer night, soldiers passing by  
Listening to the win of change

The world is closing in and did you ever think  
That we could be so close like brothers  
The future's in the air, can feel it everywhere  
I'm blowing with the wind of change

Take me to the magic of the moment on a glory night  
Where the children of tomorrow dream away  
In the wind of change

Walking down the street and distant memories  
Are buried in the past forever  
I follow the Moskva down to Gorky Park  
Listening to the wind of change

Take me to the magic of the moment on a glory night  
Where the children of tomorrow share their dreams  
With you and me

Take me to the magic of the moment on a glory night  
Where the children of tomorrow dream away  
In the wind of change

The wind of change blows straight into the face of time  
Like a stormwind that will ring the freedom bell for peace of mind  
Let your balalaika sing what my guitar wants to say

Take me to the magic of the moment on a glory night...

# I JUST CALLED TO SAY I LOVE YOU

*STEVIE WONDER*

No new years's day to celebrate  
No chocolate covered candy hearts to give away  
No first of spring, no song to sing  
In fact here's just another ordinary day  
No April rain, no flowers bloom  
No wedding Saturday within the month of June  
But what it is, is something true  
Made up of these three words that I must say to you

I just called to say I love you  
I just called to say how much I care  
I just called to say I love you  
And I mean it from the bottom of my heart

No summer's high, no warm July  
No harvest moon to light one tender August night  
No autumn breeze, no falling leaves  
Not even time for birds to fly to southern skies  
No libra sun, no Halloween  
No giving thanks to all the Christmas joy you bring  
But what it is, though old so new  
To fill your heart like no three words could ever do

I just called to say I love you  
I just called to say how much I care about you  
I just called to say I love you  
And I mean it from the bottom of my heart

I just called to say I love you...

Of my heart  
Of my heart

# I WILL ALWAYS LOVE YOU

*WHITNEY HOUSTON*

If I should stay,  
I would only be in your way  
So I'll go, but I know  
I'll think of you every step of the way

And I will always love you  
I will always love you  
You, my darling, you, hmm...

Bittersweet memories  
that is all I'm taking with me  
So, goodbye. Please, don't cry  
We both know I'm not what you, you need

And I will always love you  
I will always love you

I hope life treats you kind  
And I hope you have all you've dreamed of  
And I wish to you, joy and happiness  
But above all this, I wish you love

And I will always love you  
I will always love you  
I will always love you  
I will always love you  
I will always love you  
I, I will always love you

You, darling, I love you  
Ooh, I'll always, I'll always love you

# LADY IN BLACK

*URIAH HEEP*

She came to me one morning  
One lonely Sunday morning  
Her long hair flowing  
In the midwinter wind  
I know not how she found me  
For in darkness I was walking  
And destruction lay around me  
From a fight I could not win  
Aaa...

She asked me name my foe then  
I said the need within some men  
To fight and kill their brothers  
Without thought of love or God  
And I begged her give me horses  
To trample down my enemies  
So eager was my passion  
To devour this waste of life  
Aaa...

But she wouldn't think of battle that  
Reduces men to animals  
So easy to begin  
And yet impossible to end  
For she's the mother of all men  
Who counselled me so wisely then  
I feared to walk alone again  
And asked if she would stay  
Aaa...

Oh, lady, lend your hand outright  
And let me rest here at your side  
Have faith and trust in peace she said  
And filled my heart with life  
There is no strength in numbers  
Have no such misconception  
But when you need me  
Be assured I won't be far away  
Aaa...

Thus having spoke she turned away  
And though I found no words to say  
I stood and watched until I saw  
Her black coat disappear  
My labour is no easier  
But now I know I'm not alone  
I find new heart each time  
I think upon that windy day  
And if one day she comes to you  
Drink deeply from her words so wise  
Take courage from her as your prize  
And say hello from me  
Aaa...

# SHAPE OF MY HEART

## *STING*

He deals the cards as a meditation  
And those he plays never suspect  
He doesn't play for the money he wins  
He don't play for respect  
He deals the cards to find the answer  
The secret geometry of chance  
The hidden law of probable outcome  
The numbers lead a dance

I know that the spades are the swords of a soldier  
I know that the clubs are weapons of war  
I know that diamonds mean money for this art  
But that's not the shape of my heart

He may play the jack of diamonds  
He may lay the queen of spades  
He may conceal a king in his hand  
While the memory of it fades

I know that the spades are the swords of a soldier...

That's not the shape, shape of my heart

And if I told you that I loved you  
You'd maybe think there's something wrong  
I'm not a man of too many faces  
The mask I wear is one  
Those who speak know nothing  
And find out to their cost  
Like those who curse their luck in too many places  
And those who fear are lost

I know that the spades are the swords of a soldier...

# I'M STILL STANDING

*ELTON JOHN*

You could never know what it's like  
Your blood like winter freezes just like ice  
And there's a cold lonely light that shines from you  
You'll wind up like the wreck you hide  
Behind that mask you use.

And did you think this fool could never win?  
Well look at me, I'm coming back again!  
I got a taste of love in a simple way  
And if you need to know while I'm still standing  
You just fade away!

Don't you know, I'm still standing  
Better than I ever did?  
Looking like a true survivor  
Feeling like a little kid!  
I'm still standing after all this time  
Picking up the pieces of my life without you on my mind!  
I'm still standing, yeah, yeah, yeah.  
I'm still standing, yeah, yeah, yeah.

Once I never could hope to win  
You starting down the road leaving me again  
The threats you made were meant to cut me down  
And if our love was just a circus  
You'd be a clown by now

Don't you know I'm still standing...

# CAN'T HELP FALLING IN LOVE

*ELVIS PRESLEY*

Wise men say only fools rush in  
But I can't help falling in love with you  
Shall I stay  
Would it be a sin  
If I can't help falling in love with you

Like a river flows surely to the sea  
Darling, so it goes  
Some things are meant to be  
Take my hand, take my whole life too  
For I can't help falling in love with you

Like a river flows surely to the sea  
Darling, so it goes  
Some things are meant to be  
Take my hand, take my whole life too  
For I can't help falling in love with you

For I can't help falling in love with you

# THE FINAL COUNTDOWN

## *EUROPE*

We're leaving together  
But still it's farewell  
And maybe we'll come back  
To earth, who can tell?  
I guess there is no one to blame  
We're leaving ground (leaving ground)  
Will things ever be the same again?

It's the final countdown!  
The final countdown  
Ooo!

We're heading for Venus  
And still we stand tall  
Cause maybe they've seen us  
And welcome us all, yeah  
With so many light years to go  
And things to be found (to be found)  
I'm sure that we'll all miss her so

It's the final countdown!  
The final countdown  
Ooo...

# SWEET DREAMS

## *EURYTHMICS*

Sweet dreams are made of this  
Who am I to disagree?  
I've traveled all world and the seven seas  
Everybody's looking for something  
Some of them want to use you  
Some of them want to get used by you  
Some of them want to abuse you  
Some of them want to be abused

Sweet dreams are made of this  
Who am I to disagree?  
I've traveled all world and the seven seas  
Everybody's looking for something

Hold your head up  
Keep your head up, movin' on  
Hold your head up, movin' on  
Keep your head up, movin' on  
Hold your head up, movin' on  
Keep your head up, movin' on  
Hold your head up, movin' on  
Keep your head up

Some of them want to use you  
Some of them want to get used by you  
Some of them want to abuse you  
Some of them want to be abused

Hold your head up...

Sweet dreams are made of this...

# SOMETHING STUPID

*FRANK SINATRA & NANCY SINATRA*

I know I stand in line until you think you have the time  
To spend an evening with me  
And if we go some place to dance  
I know that there's a chance you won't be leaving with me

Then afterwards we drop into a quiet little place  
And have a drink or two  
And then I go and spoil it all  
By saying something stupid  
Like I love you

I can see it in your eyes  
That you despise the same old lines  
You heard the night before and though it's just a line to you  
For me it's true and never seemed so right before

I practice every day to find some clever lines to say  
To make the meaning come through  
But then I think I'll wait until the evening gets late  
And I'm alone with you

The time is right, your perfume fills my head  
The stars get red and, oh, the night's so blue  
And then I go and spoil it all  
By saying something stupid  
Like I love you

The time is right...

I love you, I love you, I love you

# DON'T CRY FOR ME ARGENTINA

*MADONNA*

It won't be easy, you'll think it strange  
When I try to explain how I feel  
That I still need your love  
After all that I've done

You won't believe me  
All you will see is a girl you once knew  
Although she's dressed up to the nines  
At sixes and sevens with you

I had to let it happen, I had to change  
Couldn't stay all my life down at heel  
Looking out of the window,  
Staying out of the sun

So I chose freedom  
Running around, trying everything new  
But nothing impressed me at all  
I never expected it to

Don't cry for me Argentina  
The truth is I never left you  
All through my wild days  
My mad existence  
I kept my promise  
Don't keep your distance

And as for fortune, and as for fame  
I never invited them in  
Though it seemed to the world  
They were all I desired

They are illusions  
They're not the solutions  
They promised to be  
The answer was here all the time  
I love you and hope you love me

Don't cry for me Argentina

Don't cry for me Argentina  
The truth is I never left you  
All through my wild days  
My mad existence  
I kept my promise  
Don't keep your distance

Have I said too much?  
There's nothing more I can think of  
To say to you  
But all you have to do  
Is look at me to know  
That every word is true

# KAYLEIGH

## *MARILLION*

Do you remember chalk hearts melting on a playground wall  
Do you remember dawn escapes from moon washed college halls  
Do you remember the cherry blossom in the market square  
Do you remember I thought it was confetti in our hair

By the way, didn't I break your heart?  
Please excuse me, I never meant to break your heart  
So sorry, I've never meant to break your heart  
But you broke mine

Kayleigh, is it too late to say I'm sorry?  
And, Kayleigh, could we get it together again?  
I just can't go on pretending that it came to a natural end  
Kayleigh, oh, I never thought I'd miss you  
And, Kayleigh, I thought that we'd always be friends  
We said our love would last forever  
So how did it come to this bitter end?

Do you remember barefoot on the lawn with shooting stars  
Do you remember loving on the floor in Belsize Park  
Do you remember dancing in stilettos in the snow  
Do you remember you never understood I had to go

By the way, didn't I break your heart...

Kayleigh, I just wanna say I'm sorry  
But, Kayleigh, I'm too scared to pick up the phone  
To hear you've found another lover to patch up our broken home...  
Kayleigh, I'm still trying to write that love song  
Kayleigh, it's more important to me now you're gone  
Maybe it will prove that we were right  
Or it'll prove that I was wrong?

# BANG BANG (MY BABY SHOT ME DOWN)

*NANCY SINATRA*

I was five and he was six  
We rode on horses made of sticks  
He wore black and I wore white  
He would always win the fight

Bang bang, he shot me down  
Bang bang, I hit the ground  
Bang bang, that awful sound  
Bang bang, my baby shot me down

Seasons came and changed the time  
When I grew up, I called him mine  
He would always laugh and say  
Remember when we used to play

Bang bang, I shot you down  
Bang bang, you hit the ground  
Bang bang, that awful sound  
Bang bang , I used to shoot you down

Music played and people sang  
Just for me the church bells rang

Now he's gone, I don't know why  
Until this day, sometimes I cry  
He didn't even say 'Goodbye'  
He didn't take the time to lie

Bang bang, he shot me down  
Bang bang, I hit the ground  
Bang bang, that awful sound  
Bang bang, my baby shot me down

# WHERE THE WILD ROSES GROW

*KYLIE MINOGUE & NICK CAVE*

They call me the Wild Rose  
But my name was Elisa Day  
Why they call me it, I do not know  
For my name was Elisa Day

From the first day I saw her  
I knew she was the one  
She stared in my eyes and smiled  
For her lips were the color of the roses  
They grew down the river  
All bloody and wild

When he knocked on my door  
And entered the room  
My trembling subsided in his sure embrace  
He would be my first man  
And with a careful hand  
He wiped up the tears  
That ran down my face

They call me the Wild Rose...

On the second day I brought her a flower  
She's more beautiful  
Than any woman I've seen  
And I said: 'Do you know  
Where the wild roses grow  
So sweet and scarlet and free?'

On the second day he came  
With a single rose  
He said: 'Give me your loss  
And your sorrow'  
I nodded my head as I laid on the bed  
'If I show you the roses, will you follow?'

They call me the Wild Rose...

On the third day  
He took me to the river  
He showed me the roses and we kissed  
And the last thing I heard  
Was a muttered word  
As he knelt above me with a rock in his fist

On the last day I took her  
Where the wild roses grow  
She lay on the bank  
The wind light as a thief  
And I kissed her goodbye  
Said: 'All beauty must die'  
And I knelt down  
And planted a rose between her teeth

They call me the Wild Rose...

# KILLING ME SOFTLY

*ROBERTA FLACK*

Strumming my pain with his fingers  
Singing my life with his words  
Killing me softly with his song  
Killing me softly with his songs  
Telling my whole life with his words  
Killing me softly with his song

I heard he sang a good song  
I heard he had a style  
And so I came to see him to listen for a while  
And there he was this young boy  
A stranger to my eyes

Strumming my pain with his fingers...

I felt all flushed with fever  
Embarrassed by the crowd  
I felt he found my letters and read each out loud  
I prayed that he would finish  
But he just kept right on

Strumming my pain with his fingers...

He sang as if he knew me  
In all my dark despair  
And then he looked right through me as if I wasn't there  
And he just kept on singing  
Singing clear and strong

Strumming my pain with his fingers...

# SAILING

*ROD STEWART*

I am sailing  
I am sailing  
Home again 'cross the sea  
I am sailing stormy waters  
To be near you to be free

I am flying  
I am flying  
Like a bird 'cross the sky  
I am flying passing high clouds  
To be with you to be free

Can you hear me?  
Can you hear me?  
Thro' the dark night far away  
I am dying, forever crying  
To be with you who can say

Can you hear me?  
Can you hear me?  
Thro' the dark night far away  
I am dying, forever crying  
To be with you who can say

We are sailing  
we are sailing  
Home again 'cross the sea  
We are sailing stormy waters  
To be near you to be free

Oh, Lord, to be near you to be free...  
Oh, Lord, to be near you to be free...
