

Ć Right Here Waiting

ŚRICHARD MARX

Oceans apart day after day
And I slowly go insane
I hear your voice on the line
But it doesn't stop the pain

I wonder how we can survive
This romance
But in the end if I'm with you
I'll take the chance

If I see you next to never
How can we say forever

Oh, can't you see it baby
You've got me goin' crazy

Wherever you go
Whatever you do
I will be right here waiting for you
Whatever it takes
Or how my heart breaks
I will be right here waiting for you

Wherever you go
Whatever you do
I will be right here waiting for you
Whatever it takes
Or how my heart breaks
I will be right here waiting for you

I took for granted, all the times
That I though would last somehow
I hear the laughter, I taste the tears
But I can't get near you now

Oh, can't you see it baby
You've got me goin' crazy

Wherever you go
Whatever you do
I will be right here waiting for you
Whatever it takes
Or how my heart breaks
I will be right here waiting for you

WITHOUT YOU

HARRY NILSSON

No, I can't forget this evening
Or your face as you were leaving
But I guess that's just the way the story goes
You always smile but in your eyes your sorrow shows
Yes, it shows

No, I can't forget tomorrow
When I think of all my sorrow
When I had you there but then I let you go
And now it's only fair that I should let you know
What you should know

I can't live if living is without you
I can't live, I can't give any more
I can't live if living is without you
I can't give, I can't give any more

No, I can't forget this evening
Or your face as you were leaving
But I guess that's just the way the story goes
You always smile but in your eyes your sorrow shows
Yes, it shows

I can't live if living is without you
I can't live, I can't give anymore
I can't live if living is without you
I can't live, I can't give anymore

Into the West

Annie Lennox

Lay down
Your sweet and weary head
Night is falling
You have come to journey's end

Sleep now
And dream of the ones who came before
They are calling
From across the distant shore

Why do you weep?
What are these tears upon your face?
Soon you will see
All of your fears will pass away

Safe in my arms
You're only sleeping

What can you see
On the horizon?
Why do the white gulls call?

Across the sea
A pale moon rises
The ships have come
To carry you home

And all will turn to silver glass
Lights on the water
All souls pass

Hope fades
Into the world of night
Through shadows falling
Out of memory and time

Don't say
We have come now to the end
White shores are calling
You and I will meet again

And you'll be here in my arms
Just sleeping

What can you see
On the horizon?
Why do the white gulls call?

Across the sea
A pale moon rises
The ships have come
To carry you home
And all will turn to silver glass
Lights on the water
Grey ships pass
Into the West

POISON

ALICE COOPER

Your cruel device
Your blood, like ice
One look, could kill
My pain, your thrill

I wanna love you but I better not touch (don't touch)
I wanna hold you, but my senses tell me to stop
I wanna kiss you but I want it too much (too much)
I wanna taste you but your lips are venomous poison
You're poison, running through my veins
You're poison, I don't wanna break these chains

Your mouth, so hot
Your web, I'm caught
Your skin, so wet
Black lace, on sweat

I hear you calling and it's needles and pins (and pins)
I wanna hurt you just to hear you screaming my name
Don't wanna touch you but you're under my skin (deep in)
I wanna kiss you but your lips are venomous poison
You're poison, running through my veins
Your poison
I don't wanna break these chains
Poison...

One look, could kill
My pain, your thrill

I wanna love you...
Poison...

This Is The Life

Amy MacDonald

Oh the wind whistles down
The cold dark street tonight
And the people, they were dancing
To the music vibe
And the boys chase the girls
With the curls in their hair
While the shy tormented youth
Sit way over there
And the songs they get louder
Each one better than before

And you're singing the songs
Thinking this is the life
And you wake up in the morning
And your head feels twice the size
Where you gonna go,
Where you gonna go?
Where you gonna sleep tonight?

And you're singing the songs
Thinking this is the life
And you wake up in the morning
And your head feels twice the size
Where you gonna go,
Where you gonna go?
Where you gonna sleep tonight?
Where you gonna sleep tonight?

So you're heading down the road
In your taxi for four
And your waiting
Outside Jimmy's front door
But nobody's in, nobody's home till four
So you're sitting there with nothing to do
Talking about Robert Riger
And his motley crew
And where you're gonna go?
Where you're gonna sleep tonight?

And you're singing the songs...

And you're singing the songs...

And you're singing the songs...

HOUSE OF THE RISING SUN

ANIMALS

There is a house in New Orleans
They call the Rising Sun
And it's been the ruin of many a poor boy
And God, I know I'm one

My mother was a tailor
Sewed my new blue jeans
My father was a gamblin' man
Down in New Orleans

Now the only thing a gambler needs
Is a suitcase and a trunk
And the only time he'll be satisfied
Is when he's all drunk

Oh, mother, tell your children
Not to do what I have done
Spend your lives in sin and misery
In the house of the Rising Sun

Well I've got one foot on the platform
The other foot on the train
I'm going back to New Orleans
To wear that ball and chain

Well there is a house in New Orleans
They call the Rising Sun
And it's been the ruin of many a poor boy
And God, I know I'm one

Memory

Barbra Streisand

Midnight,
Not a sound from the pavement.
Has the moon lost her memory?
She is smiling alone.
In the lamp light the withered leaves
collect at my feet.
And the wind begins to moan.

Memory!
All alone in the moonlight
I can dream of the old days,
Life was beautiful then.
I remember the time I knew
what happiness was,
Let the memory live again.

Every street lamp seems to beat
a fatalistic warning.
Someone mutters
And the street lamp gutters
and soon it will be morning.

Daylight
I must wait for the sunrise,
I must think of a new life
And I mustn't give in.
When the dawn comes
tonight will be a memory too
And a new day will begin.

Burnt out ends of smoky days,
the still cold smell of morning.
A street lamp dies,
another night is over,
another day is dawning.

Touch me.
It's so easy to leave me
All alone with the memory
Of my days in the sun.
If you touch me
you'll understand what happiness is.
Look – a new day has begun.

Woman in Love

Barbra Streisand

Life is a moment in space,
When the dream is gone
It's a lonelier place.
I kiss the morning goodbye,
But down inside you know
We never know why.

The road is narrow and long
When eyes meet eyes
And the feeling is strong.
I turn away from the wall.
I stumble and fall,
But I give you it all.

I am a woman in love
And I'd do anything
To get you into my world,
And hold you within.
It's a right I defend
Over and over again.
What do I do?

With you eternally mine,
In love there is
No measure of time.
We planned it all at the start
That you and I live
In each others heart.

We may be oceans away,
You feel my love
I hear what you say.
No truth is ever a lie.
I stumble and fall,
But I give you it all.

I am a woman in love
And I'd do anything
To get you into my world,
And hold you within.
It's a right I defend
Over and over again.
What do I do?

I am a woman in love
And I'm talkin' to you.
You know (I know) how you feel
What a woman can do.
It's a right I defend
Over and over again

I am a woman in love
And I'd do anything
To get you into my world,
And hold you within.
It's a right I defend
Over and over again.
What do I do?

STAYIN' ALIVE

BEE GEES

Well, you can tell by the way I use my walk,
I'm a woman's man, no time to talk.
Music loud and women warm
I've been kicked around since I was born.
And now it's all right. It's OK.
And you may look the other way.
We can try to understand the New York Time's effect on man.

Whether you're a brother or whether you're a mother,
you're stayin' alive, stayin' alive.
Feel the city breakin' and everybody shakin',
and we're stayin' alive, stayin' alive.
Ah, ha, ha, ha, stayin' alive, stayin' alive.
Ah, ha, ha, ha, stayin' alive.

Well now, I get low and I get high,
and if I can't get either, I really try.
Got the wings of heaven on my shoes.
I'm a dancin' man and I just can't lose.
You know it's all right. It's OK.
I'll live to see another day.
We can try to understand
the New York Time's effect on man.

Whether you're a brother or whether you're a mother...

Life goin' nowhere.
Somebody help me.
Somebody help me, yeah.
Life goin' nowhere. Somebody help me.
Somebody help me yeah. Stayin' alive.

Well, you can tell by the way I use my walk...

LEAVE A LIGHT ON

BELINDA CARLISLE

Take my hand
Tell me what you are feeling
Understand
This is just the beginning
Although I have to go
It makes me feel like crying
I don't know when I'll see you again

Darling leave a light on for me
I'll be there before you close the door
To give you all the love that you need
Darling leave a light on for me
'cause when the world takes me away
You are still the air that I breathe

I can't explain I don't know
Just how far I have to go
But darling I'll keep the key
Just leave a light on for me

Yes, I know
What I'm asking is crazy
You could go
Just get tired of waiting
But if I lose your love
Torn out by my desire
That would be the one regret of my life

Darling leave a light on for me...

Just like a spark lights up the dark
Baby that's your heart, baby that's your heart, baby that's your
heart!

THE TIME OF MY LIFE

BILL MEDLEY & JENNIFER WARNES

Now I've had the time of my life
No, I never felt like this before
Yes I swear it's the truth
And I owe it all to you

'Cause I've had the time of my life
And I owe it all to you

I've been waiting for so long
Now I've finally found someone
to stand by me
We saw the writing on the wall
And we felt this magical fantasy
Now with passion in our eyes
There's no way we could disguise it secretly
So we take each others hand
'Cause we seem to understand the urgency

Just remember
You're the one thing
I can't get enough of
So I'll tell you something
This could be love

Because I've had the time of my life
No, I never felt this way before
Yes I swear it's the truth
And I owe it all to you
'Cause I've had the time of my life
And I've searched through every open door
Till I found the truth
And I owe it all to you

Hey baby, oh yeah yeah yeah

With my body and soul
I want you more than you'll ever know
So we'll just let it go
Don't be afraid to lose control, no

Yes, I know what's on your mind when you
say

"Stay with me tonight" (stay with me)

Just remember

You're the one thing

I can't get enough of

So I'll tell you something

This could be love

Because I've had the time of my life

No, I never felt this way before

Yes I swear it's the truth

And I owe it all to you

'Cause I've had the time of my life

And I've searched through every open door
(Never felt this way)

Till I found the truth

And I owe it all to you

Yeah, yeah, yeah, yeah

Oh, whoa, oh, oh

Now I've had the time of my life...

I've had the time of my life...

IT'S MY LIFE

BON JOVI

This ain't a song for the broken hearted.
No silent prayer for the faith departed.
I ain't gonna be just the face in the crowd,
You're gonna hear my voice
when I shout it out loud!

It's my life!
And it's now or never!
I ain't gonna live forever!
I just want to live while I'm alive!
It's my life!
My heart is like an open highway!
Like Frankie said: I did it my way!
I just wanna live while I'm alive!
It's my life!

This is for the ones who stood their ground.
For Tommy and Gina who never backed down.
Tomorrow's getting harder make no mistake,
Luck ain't even lucky,
got to make your own breaks!

It's my life...

Better stand tall when they're calling you out.
Don't bend, don't break,
baby, don't back down.

It's my life...

It's my life...

holding out for a hero

bonnie tyler

Where have all the good men gone
And where are all the gods?
Where's the streetwise Hercules
To fight the rising odds?

Isn't there a white knight
upon a fiery steed?
Late at night I toss and I turn
And I dream of what I need

I need a hero
I'm holding out for a hero
Till the end of the night
He's gotta be strong and he's gotta be fast
And he's gotta be fresh from the fight

I need a hero
I'm holding out for a hero
Till the morning light
He's gotta be sure and he's gotta be soon
And he's gotta be larger than life
Larger than life

Somewhere after midnight
In my wildest fantasies
Somewhere just beyond my reach
There's someone reaching back for me

Racing on the thunder
And rising with the heat
It's gonna take a Superman
to sweep me off my feet

I need a hero
I'm holding out for a hero
Till the end of the night
He's gotta be strong and he's gotta be fast
And he's gotta be fresh from the fight

I need a hero
I'm holding out for a hero
Till the morning light
He's gotta be sure and he's gotta be soon
And he's gotta be larger than life

I need a hero
I'm holding out for a hero
Till the end of the night

Upwhere the mountains
meet the heavens above
Out where the lightning splits the sea
I could swear that there's
Someone somewhere watching me

Through the wind and the chill
and the rain
And the storm and the flood
I can feel his approach like a fire in my blood

I need a hero...

DUST IN THE WIND

KANSAS

I close my eyes, only for a moment, and the moment's gone
All my dreams, pass before my eyes, a curiosity

Dust in the wind, all they are is dust in the wind.

Same old song, just a drop of water in an endless sea
All we do, crumbles to the ground, though we refuse to see

Dust in the wind, all we are is dust in the wind

Don't hang on, nothing lasts forever but the earth and sky
It slips away, and all your money won't another minute buy.

Dust in the wind, all we are is dust in the wind
Dust in the wind, everything is dust in the wind.

Stairway To Heaven

Led Zeppelin

There's a lady who's sure
all that glitters is gold
And she's buying a stairway to heaven.
When she gets there she knows,
if the stores are all closed
With a word she can get what she came for.

Ooh, ooh...
And she's buying a stairway to heaven.

There's a sign on the wall
but she wants to be sure
'Cause you know
sometimes words have two meanings.
In a tree by the brook,
there's a songbird who sings,
Sometimes all of our thoughts are misgiven.

Ooh, it makes me wonder ×2

There's a feeling I get
when I look to the West,
And my spirit is crying for leaving.
In my thoughts I have seen rings of smoke
through the trees,
And the voices of those who stand looking.

Ooh, it makes me wonder,
Ooh, really makes me wonder.

And it's whispered that soon
if we all call the tune
Then the piper will lead us to reason.
And a new day will dawn for those
who stand long
And the forests will echo with laughter.
Ooh...

If there's a bustle in your hedgerow,
don't be alarmed now,
It's just a spring clean for the May queen.
Yes, there are two paths you can go by,
but in the long run
There's still time
to change the road you're on.

And it makes me wonder. Ooh...

Your head is humming and it won't go,
in case you don't know,
The piper's calling you to join him,
Dear lady, can you hear the wind blow,
and did you know
Your stairway lies on the whispering wind.

And as we wind on down the road
Our shadows taller than our soul.
There walks a lady we all know
Who shines white light and wants to show
How everything still turns to gold.
And if you listen very hard
The tune will come to you at last.
When all are one and one is all
To be a rock and not to roll.

And she's buying a stairway to heaven...

HELLO

LIONEL RICHIE

I've been alone with you
Inside my mind
And in my dreams I've kissed your lips
A thousand times
I sometimes see you
Pass outside my door

Hello!
Is it me you're looking for?
I can see it in your eyes
I can see it in your smile
You're all I've ever wanted
And my arms are open wide
'Cause you know just what to say
And you know just what to do
And I want to tell you so much
I love you

I long to see the sunlight in your hair
And tell you time and time again
How much I care
Sometimes I feel my heart will overflow

Hello!
I've just got to let you know
'Cause I wonder where you are
And I wonder what you do
Are you somewhere feeling lonely?
Or is someone loving you?
Tell me how to win your heart
For I haven't got a clue
But let me start by saying
I love you

PERFECT DAY

LOU REED

Just a perfect day
Drink Sangria in the park
And then later
When it gets dark, we go home

Just a perfect day
Feed animals in the zoo
Then later
A movie, too, and then home

Oh, it's such a perfect day
I'm glad I spend it with you
Oh, such a perfect day
You just keep me hanging on
You just keep me hanging on

Just a perfect day
Problems all left alone
Weekenders on our own
It's such fun

Just a perfect day
You made me forget myself
I thought I was
Someone else, someone good

Oh, it's such a perfect day
I'm glad I spent it with you
Oh, such a perfect day
You just keep me hanging on
You just keep me hanging on

You're going to reap just what you sow ×4

Runaway train

Soul Asylum

Call you up in the middle of the night
Like a firefly without a light
You were there like a blowtorch burning
I was a key that could use a little turning

So tired that I couldn't even sleep
So many secrets I couldn't keep
I promised myself I wouldn't weep
One more promise I couldn't keep

It seems no one can help me now,
I'm in too deep; there's no way out
This time I have really led myself astray

Runaway train, never going back
Wrong way on a one-way track
Seems like I should be getting somewhere
Somehow I'm neither here nor there

Can you help me remember how to smile?
Make it somehow all seem worthwhile
How on earth did I get so jaded?
Life's mystery seems so faded

I can go where no one else can go
I know what no one else knows
Here I am just a-drownin' in the rain
With a ticket for a runaway train

And everything seems cut and dried,
Day and night, earth and sky,
Somehow I just don't believe it

Runaway train, never going back
Wrong way on a one-way track
Seems like I should be getting somewhere
Somehow I'm neither here nor there

Bought a ticket for a runaway train
Like a madman laughing at the rain
A little out of touch, a little insane
It's just easier than dealing with the pain

Runaway train, never going back
Wrong way on a one-way track
Seems like I should be getting somewhere
Somehow I'm neither here nor there

Runaway train, never coming back
Runaway train, tearing up the track
Runaway train, burning in my veins
I run away but it always seems the same

TONIGHT I CELEBRATE MY LOVE FOR YOU

ROBERTA FLACK & PAEBO BRYSON

Tonight I celebrate my love for you
It seems the natural thing to do
Tonight no one's gonna find us
We'll leave the world behind us
When I make love to you
Tonight I celebrate my love for you
And hope that deep inside you feel it too
Tonight our spirits will be climbing
To the sky lit up with diamonds
When I make love to you tonight

Tonight I celebrate my love for you (ooh)
And that midnight song is gonna come shining through
Tonight there'll be no distance between us
What I want most to do
Is to get close to you tonight

Tonight I celebrate my love for you
And soon this old world will seem brand new
Tonight we will both discover
How friends turn into lovers
When I make love to you

Tonight I celebrate my love for you (ooh)
And that midnight song is gonna come shining through
Tonight there'll be no distance between us
What I want most to do
Is to get close to you

Tonight I celebrate my love for you
Tonight

EYE OF THE TIGER

SURVIVOR

Risin' up, back on the street
Did my time, took my chances
Went the distance, now I'm back on my feet
Just a man and his will to survive

So many times, it happens too fast
You change your passion for glory
Don't lose your grip on the dreams of the past
You must fight just to keep them alive

It's the eye of the tiger, it's the thrill of the fight
Risin' up to the challenge of our rival
And the last known survivor stalks his prey in the night
And he's watchin' us all with the eye of the tiger

Face to face, out in the heat
Hangin' tough, stayin' hungry
They stack the odds 'till we take to the street
For we kill with the skill to survive

It's the eye of the tiger, it's the thrill of the fight...

Risin' up, straight to the top
Have the guts, got the glory
Went the distance, now I'm not gonna stop
Just a man and his will to survive

It's the eye of the tiger, it's the thrill of the fight...

The eye of the tiger... ×4

Unbreak my heart

Toni Braxton

Don't leave me in all this pain
Don't leave me out in the rain
Come back and bring back my smile
Come and take these tears away
I need your arms to hold me now
The nights are so unkind
Bring back those nights
When I held you beside me

Un-break my heart
Say you'll love me again
Undo this hurt you caused
When you walked out the door
And walked outta my life
Un-cry these tears
I cried so many nights
Un-break my heart
My heart

Take back that sad word good-bye
Bring back the joy to my life
Don't leave me here with these tears
Come and kiss this pain away
I can't forget the day you left
Time is so unkind
And life is so cruel
Without you here beside me

Un-break my heart...

Don't leave me in all this pain
Don't leave me out in the rain
Bring back the nights
When I held you beside me

Un-break my heart...

Un-break my heart
Come back and say you love me
Un-break my heart
Sweet darlin'
Without you I just can't go on
Can't go on

It's A Sin

Pet Shop Boys

When I look back upon my life
It's always with a sense of shame
I've always been the one to blame

For everything I long to do
No matter when or where or who
Has one thing in common, too
It's a, it's a, it's a, it's a sin
It's a sin
Everything I've ever done
Everything I ever do
Every place I've ever been
Everywhere I'm going to
It's a sin

At school they taught me how to be
So pure in thought and word and deed
They didn't quite succeed

For everything I long to do...

Father, forgive me, I tried not to do it
Turned over a new leaf,
then tore right through it
Whatever you taught me,
I didn't believe it
Father, you fought me, 'cause I didn't care
And I still don't understand

So I look back upon my life
Forever with a sense of shame
I've always been the one to blame

For everything I long to do...

It's a, it's a, it's a, it's a sin
It's a, it's a, it's a, it's a sin

(Confiteor Deo omnipotenti vobis fratres,
quia peccavi nimis cogitatione,
verbo, opere et omissione,
mea culpa, mea culpa,
mea maxima culpa)

Don't stop me now

Queen

Tonight I'm gonna have myself
A real good time
I feel alive
And the world turning inside out, yeah!
And floating around in ecstasy
So don't stop me now, don't stop me
'Cause I'm having a good time
Having a good time

I'm a shooting star
leaping through the sky
Like a tiger defying the laws of gravity
I'm a racing car passing by
like Lady Godiva
I'm gonna go go go
There's no stopping me

I'm burning through the sky, yeah!
Two hundred degrees
That's why they call me Mister Fahrenheit
I'm trav'ling at the speed of light
I wanna make a supersonic man out of you
Don't stop me now
I'm having such a good time
I'm having a ball
Don't stop me now
If you wanna have a good time
Just give me a call
Don't stop me now
('Cause I'm havin' a good time)
Don't stop me now
(Yes, I'm havin' a good time)
I don't want to stop at all

I'm a rocket ship on my way to Mars
On a collision course
I am a satellite I'm out of control
I am a sex machine ready to reload
Like an atom bomb about to
Oh oh oh oh oh explode

I'm burning through the sky, yeah!
Two hundred degrees
That's why they call me Mister Fahrenheit
I'm trav'ling at the speed of light
I wanna make a supersonic woman of you
Don't stop me don't stop me
Don't stop me hey hey hey!
Don't stop me don't stop me
Ooh, ooh, ooh (I like it!)
Don't stop me, don't stop me
Have a good time, good time
Don't stop me, don't stop me, ah!

I'm burning through the sky, yeah!
Two hundred degrees
That's why they call me Mister Fahrenheit
I'm trav'ling at the speed of light
I wanna make a supersonic man out of you

Don't stop me now...

American Pie

Don McLean

A long, long time ago...
I can still remember
How that music used to make me smile.
And I knew if I had my chance
That I could make those people dance
And, maybe, they'd be happy for a while.

But february made me shiver
With every paper I'd deliver.
Bad news on the doorstep;
I couldn't take one more step.

I can't remember if I cried
When I read about his widowed bride,
But something touched me deep inside
The day the music died.

So
Bye-bye, miss american pie.
Drove my chevy to the levee,
But the levee was dry.
And them good old boys
Were drinkin' whiskey and rye
Singin', "this'll be the day that I die."
"This'll be the day that I die."

Did you write the book of love,
And do you have faith in God above,
If the Bible tells you so?
Do you believe in rock'n'roll,
Can music save your mortal soul,
And can you teach me
How to dance real slow?

Well, I know that you're in love with him
'Cause I saw you dancin' in the gym.
You both kicked off your shoes.
Man, I dig those rhythm and blues.

I was a lonely teenage broncin' buck
With a pink carnation and a pickup truck,
But I knew I was out of luck
The day the music died.

I started singin',
Bye-bye, miss american pie...

Now for ten years we've been on our own
And moss grows fat on a rollin' stone,
But that's not how it used to be.
When the jester sang
For the king and queen,
In a coat he borrowed from james dean
And a voice that came from you and me

Oh, and while the king was looking down,
The jester stole his thorny crown.
The courtroom was adjourned;
No verdict was returned.
And while Lennon read a book of marx,
The quartet practiced in the park,
And we sang dirges in the dark
The day the music died.

We were singing,
Bye-bye, miss american pie...

Helter skelter in a summer swelter.
The birds flew off with a fallout shelter,
Eight miles high and falling fast.
It landed foul on the grass.
The players tried for a forward pass,

With the jester on the sidelines in a cast.

Now the half-time air was sweet perfume

While the sergeants

Played a marching tune.

We all got up to dance,

Oh, but we never got the chance!

‘Cause the players tried to take the field;

The marching band refused to yield.

Do you recall what was revealed

The day the music died?

We started singing

Bye-bye, miss american pie...

Oh, and there we were all in one place,

A generation lost in space

With no time left to start again.

So come on: jack be nimble, jack be quick!

Jack flash sat on a candlestick

Cause fire is the devil’s only friend.

Oh, and as I watched him on the stage

My hands were clenched in fists of rage.

No angel born in hell

Could break that satan’s spell.

And as the flames

Climbed high into the night

To light the sacrificial rite,

I saw satan laughing with delight

The day the music died

He was singing

Bye-bye, miss american pie...

I met a girl who sang the blues

And I asked her for some happy news,

But she just smiled and turned away.

I went down to the sacred store

Where I’d heard the music years before,

But the man there said

The music wouldn’t play.

And in the streets: the children screamed,

The lovers cried, and the poets dreamed.

But not a word was spoken;

The church bells all were broken.

And the three men I admire most:

The father, son, and the holy ghost,

They caught the last train for the coast

The day the music died.

And they were singing

Bye-bye, miss american pie...

They were singing

Bye-bye, miss american pie...

SEALED WITH A KISS

BRIAN HYLAND

Though we've got to say goodbye
For the summer
Darling, I promise you this
I'll send you all my love
Everyday in a letter
Sealed with a kiss

Yes it's gonna be cold, lonely summer
But I'll fill the emptiness
I'll send you all my dreams
Everyday in a letter
Sealed with a kiss

I'll see you in the sunlight
I'll hear your voice everywhere
I'll run to tenderly hold you
But, Darlin' you won't be there

I don't wanna say goodbye
For the summer
Knowing the love we'll miss
Oh, let us make a pledge
To meet in September
And seal it with a kiss

Yes it's gonna be cold, lonely summer...

Sealed with a kiss
Sealed with a kiss
Sealed with a kiss

Hotel California

The Eagles

On a dark desert highway, Some dance to forget
Cold wind in my hair
Warm smell of colitas
Rising up through the air
Up ahead in the distance
I saw a shimmering light
My head grew heavy
And my sight grew dim.
I had to stop for the night.

There she stood in the doorway
I heard the mission bell
And I was thinkin' to myself
This could be heaven or this could be hell
Then she lit up a candle
And she showed me the way
There were voices down the corridor
I thought I heard them say

Welcome to the Hotel California
Such a lovely place (Such a lovely place)
Such a lovely face
Plenty of room at the Hotel California
Any time of year (Any time of year)
You can find it here

Her mind is Tiffany-twisted
She got the Mercedes Bends
She got a lot of pretty, pretty boys
She calls friends
How they dance in the courtyard
Sweet summer sweat
Some dance to remember

So I called up the Captain
"Please bring me my wine"
He said "We haven't had that spirit here
Since nineteen sixty-nine"
And still those voices are calling
From far away
Wake you up in the middle of the night
Just to hear them say

Welcome to the Hotel California
Such a lovely place (Such a lovely place)
Such a lovely face
They livin' it up at the Hotel California
What a nice surprise (What a nice surprise)
Bring your alibis

Mirrors on the ceiling
The pink champagne on ice
And she said "We are all just prisoners here
Of our own device"
And in the masters chambers
They gathered for the feast
They stab it with their steely knives
But they just can't kill the beast

Last thing I remember
I was running for the door
I had to find the passage
back to the place I was before
"Relax," said the night man,
"We are programmed to receive
You can check out anytime you like
But you can never leave."

ENJOY THE SILENCE

DEPECHE MODE

Words like violence
Break the silence
Come crashing in
Into my little world
Painful to me
Pierce right through me
Can't you understand
Oh my little girl

All I ever wanted
All I ever needed
Is here in my arms
Words are very unnecessary
They can only do the harm

Vows are spoken
To be broken
Feelings are intense
Words are trivial
Pleasures remain
So does the pain
Words are meaningless
And forgettable

All I ever wanted... ×3

Enjoy the silence

ALL FOR ONE, ALL FOR LOVE
BRYAN ADAMS & ROD STEWARD & STING

When it's love you give
I'll be your man of good faith
Then in love you live
I'll make a stand, I won't break
I'll be the rock you can build on
Be there when you're old
To have and to hold

When there's love inside
I swear I'll always be strong
Then there's a reason why
I'll prove to you we belong
I'll be the wall that protects you
From the wind and the rain
From the hurt and the pain

Let's make it all for one and all for love
Let the one you hold be the one you want
The one you need
'Cause when it's all for one it's one for all
When there's someone that should know
Then just let your feelings show
And make it all for one and all for love

When it's love you make
I'll be the fire in our night
Then it's love you take
I will defend, I will fight
I'll be there when you need me
When honor's at stake
This vow I will make

That it's all for one and all for love
Let the one you hold be the one you want
The one you need
'Cause when it's all for one it's one for all
When there's someone that should know
Then just let your feelings show
And make it all for one and all for love

Don't lay our love to rest
'Cause we could stand up to the test
We got everything and more
Than we had planned
More than the rivers that run the land
We've got it all in our hands

Now it's all for one and all for love
It's all for love
Let the one you hold be the one you want
The one you need
'Cause when it's all for one it's one for all
It's one for all
When there's someone that should know
Then just let your feelings show
When there's someone that you want
When there's someone that you need
Let's make it all, all for one and all for love...

500 MILES

THE HOOTERS

If you miss the train I'm on
You will know that I am gone
You can hear the whistle blow a hundred miles
A hundred miles, a hundred miles,
A hundred miles, a hundred miles
You can hear the whistle blow a hundred miles

Not a shirt on my back
Not a penny to my name
And the land that I once loved is not my own
Lord, I'm one, Lord, I'm two,
Lord, I'm three, Lord, I'm four
Lord, I'm five hundred miles away from home

A hundred tanks along the square
One man stands and stops them there
Someday soon the tide will turn and I'll be free
I'll be free, I'll be free
I'll come home to my country
Someday soon the tide will turn and I'll be free

If you missed the train I'm on
You will know that I am gone
You can hear the whistle blow a hundred miles
Lord, I'm one, Lord, I'm two,
Lord, I'm three, Lord, I'm four
Lord, I'm five hundred miles away from home
Lord, I'm five hundred miles away from home

I'll be free, I'll be free, I'll come home to my country
Lord, I'm five hundred miles away from home
You can hear the whistle blow a hundred miles
Lord, I'm five hundred miles away from home

Wind of change

Scorpions

Follow the Moskva
Down to Gorky Park
Listening to the wind
Of change
August summer night
Soldiers passing by
Listening to the win
Of change

The world is closing in
And did you ever think
That we could be so close
Like brothers
The future's in the air
Can feel it everywhere
I'm blowing with the wind
Of change

Take me
To the magic of the moment
On a glory night
Where the children of tomorrow
Dream away
In the wind of change

Walking down the street
And distant memories
Are buried in the past
Forever
I follow the Moskva
Down to Gorky Park
Listening to the wind
Of change

Take me
To the magic of the moment
On a glory night
Where the children of tomorrow
Share their dreams (dream away)
With you and me
Take me
To the magic of the moment
On a glory night
Where the children of tomorrow
Dream away
In the wind of change

The wind of change blows straight
Into the face of time
Like a stormwind that will ring
The freedom bell for peace of mind
Let your balalaika sing
What my guitar wants to say

Take me
To the magic of the moment
On a glory night
Where the children of tomorrow
Share their dreams (dream away)
With you and me
Take me
To the magic of the moment
On a glory night
Where the children of tomorrow
Dream away
In the wind of change

I JUST CALLED TO SAY I LOVE YOU

STEVIE WONDER

No new years's day to celebrate
No chocolate covered candy hearts to give away
No first of spring, no song to sing
In fact here's just another ordinary day
No April rain, no flowers bloom
No wedding Saturday within the month of June
But what it is, is something true
Made up of these three words that I must say to you

I just called to say I love you
I just called to say how much I care
I just called to say I love you
And I mean it from the bottom of my heart

No summer's high, no warm July
No harvest moon to light one tender August night
No autumn breeze, no falling leaves
Not even time for birds to fly to southern skies
No libra sun, no Halloween
No giving thanks to all the Christmas joy you bring
But what it is, though old so new
To fill your heart like no three words could ever do

I just called to say I love you
I just called to say how much I care about you
I just called to say I love you
And I mean it from the bottom of my heart

I just called to say I love you...

Of my heart
Of my heart

I WILL ALWAYS LOVE YOU

WHITNEY HOUSTON

If I should stay,
I would only be in your way
So I'll go, but I know
I'll think of you every step of the way

And I will always love you
I will always love you
You, my darling, you, hmm...

Bittersweet memories
that is all I'm taking with me
So, goodbye. Please, don't cry
We both know I'm not what you, you need

And I will always love you
I will always love you

I hope life treats you kind
And I hope you have all you've dreamed of
And I wish to you, joy and happiness
But above all this, I wish you love

And I will always love you
I will always love you
I will always love you
I will always love you
I will always love you
I, I will always love you

You, darling, I love you
Ooh, I'll always, I'll always love you

Lady In Black

Uriah Heep

She came to me one morning
One lonely Sunday morning
Her long hair flowing
In the midwinter wind
I know not how she found me
For in darkness I was walking
And destruction lay around me
From a fight I could not win
Aaa...

She asked me name my foe then
I said the need within some men
To fight and kill their brothers
Without thought of love or God
And I begged her give me horses
To trample down my enemies
So eager was my passion
To devour this waste of life
Aaa...

But she wouldn't think of battle that
Reduces men to animals
So easy to begin
And yet impossible to end
For she's the mother of all men
Who counselled me so wisely then
I feared to walk alone again
And asked if she would stay
Aaa...

Oh lady lend your hand outright
And let me rest here at your side
Have faith and trust
In peace she said
And filled my heart with life
There is no strength in numbers
Have no such misconception
But when you need me
Be assured I won't be far away
Aaa...

Thus having spoke she turned away
And though I found no words to say
I stood and watched until I saw
Her black coat disappear
My labour is no easier
But now I know I'm not alone
I find new heart each time
I think upon that windy day
And if one day she comes to you
Drink deeply from her words so wise
Take courage from her
As your prize
And say hello from me
Aaa...

SHAPE OF MY HEART

STING

He deals the cards as a meditation
And those he plays never suspect
He doesn't play for the money he wins
He don't play for respect
He deals the cards to find the answer
The secret geometry of chance
The hidden law of probable outcome
The numbers lead a dance

I know that the spades are the swords of a soldier
I know that the clubs are weapons of war
I know that diamonds mean money for this art
But that's not the shape of my heart

He may play the jack of diamonds
He may lay the queen of spades
He may conceal a king in his hand
While the memory of it fades

I know that the spades are the swords of a soldier...
That's not the shape, shape of my heart

And if I told you that I loved you
You'd maybe think there's something wrong
I'm not a man of too many faces
The mask I wear is one
Those who speak know nothing
And find out to their cost
Like those who curse their luck in too many places
And those who fear are lost

I know that the spades are the swords of a soldier...

I'M STILL STANDING

ELTON JOHN

You could never know what it's like.
Your blood like winter freezes just like ice
And there's a cold lonely light that shines from you.
You'll wind up like the wreck you hide
behind that mask you use.

And did you think this fool could never win?
Well look at me, I'm coming back again!
I got a taste of love in a simple way,
And if you need to know while I'm still standing
you just fade away!

Don't you know I'm still standing
better than I ever did?
Looking like a true survivor,
feeling like a little kid!
I'm still standing after all this time,
Picking up the pieces of my life without you on my mind!

I'm still standing, yeah, yeah, yeah.
I'm still standing, yeah, yeah, yeah.

Once I never could hope to win,
You starting down the road leaving me again.
The threats you made were meant to cut me down;
And if our love was just a circus you'd be a clown by now

Don't you know I'm still standing...

CAN'T HELP FALLING IN LOVE

ELVIS PRESLEY

Wise men say only fools rush in
But I can't help falling in love with you
Shall I stay
Would it be a sin
If I can't help falling in love with you

Like a river flows surely to the sea
Darling so it goes
Some things are meant to be
Take my hand, take my whole life too
For I can't help falling in love with you

Like a river flows surely to the sea
Darling so it goes
Some things are meant to be
Take my hand, take my whole life too
For I can't help falling in love with you
For I can't help falling in love with you

THE FINAL COUNTDOWN

EUROPE

We're leaving together,
But still it's farewell
And maybe we'll come back,
To earth, who can tell ?
I guess there is no one to blame
We're leaving ground (leaving ground)
Will things ever be the same again?

It's the final countdown!
The final countdown, ooo!

We're heading for Venus
And still we stand tall
Cause maybe they've seen us
And welcome us all, yeah
With so many light years to go
And things to be found (to be found)
I'm sure that we'll all miss her so.

It's the final countdown!
The final countdown, ooo...

SWEET DREAMS

EURYTHMICS

Sweet dreams are made of this
Who am I to disagree?
I've traveled all world and the seven seas
Everybody's looking for something
Some of them want to use you
Some of them want to get used by you
Some of them want to abuse you
Some of them want to be abused

Sweet dreams are made of this
Who am I to disagree?
I've traveled all world and the seven seas
Everybody's looking for something

Hold your head up
Keep your head up, movin' on
Hold your head up, movin' on
Keep your head up, movin' on
Hold your head up, movin' on
Keep your head up, movin' on
Hold your head up, movin' on
Keep your head up

Some of them want to use you
Some of them want to get used by you
Some of them want to abuse you
Some of them want to be abused

Hold your head up...

Sweet dreams are made of this...

SOMETHING STUPID

FRANK SINATRA & NANCY SINATRA

I know I stand in line until you think you have the time
To spend an evening with me
And if we go some place to dance
I know that there's a chance you won't be leaving with me

Then afterwards we drop into a quiet little place
And have a drink or two
And then I go and spoil it all by saying something stupid
Like I love you

I can see it in your eyes
That you despise the same old lines
You heard the night before and though it's just a line to you
For me it's true
And never seemed so right before

I practice every day to find some clever lines to say
To make the meaning come through
But then I think I'll wait until the evening gets late
And I'm alone with you

The time is right
Your perfume fills my head
The stars get red
And, oh, the night's so blue
And then I go and spoil it all
By saying something stupid
Like I love you

The time is right...
I love you, I love you, I love you

Don't cry for me Argentina

Madonna

It won't be easy, you'll think it strange
When I try to explain how I feel
That I still need your love
After all that I've done

You won't believe me
All you will see is a girl you once knew
Although she's dressed up to the nines
At sixes and sevens with you

I had to let it happen, I had to change
Couldn't stay all my life down at heel
Looking out of the window,
Staying out of the sun

So I chose freedom
Running around, trying everything new
But nothing impressed me at all
I never expected it to

Don't cry for me Argentina
The truth is I never left you
All through my wild days
My mad existence
I kept my promise
Don't keep your distance

And as for fortune, and as for fame
I never invited them in
Though it seemed to the world
They were all I desired

They are illusions
They're not
The solutions they promised to be
The answer was here all the time
I love you and hope you love me

Don't cry for me Argentina

Don't cry for me Argentina
The truth is I never left you
All through my wild days
My mad existence
I kept my promise
Don't keep your distance

Have I said too much?
There's nothing more I can think of
To say to you.
But all you have to do
Is look at me to know
That every word is true

KAYLEIGH

MARILLION

Do you remember chalk hearts melting on a playground wall
Do you remember dawn escapes from moon washed college halls
Do you remember the cherry blossom in the market square
Do you remember I thought it was confetti in our hair

By the way, didn't I break your heart?
Please excuse me, I never meant to break your heart
So sorry, I never meant to break your heart
But you broke mine

Kayleigh, is it too late to say I'm sorry?
And, Kayleigh, could we get it together again?
I just can't go on pretending that it came to a natural end
Kayleigh, oh, I never thought I'd miss you
And, Kayleigh, I thought that we'd always be friends
We said our love would last forever
So how did it come to this bitter end?

Do you remember barefoot on the lawn with shooting stars
Do you remember loving on the floor in Belsize Park
Do you remember dancing in stilettos in the snow
Do you remember you never understood I had to go

By the way, didn't I break your heart...

Kayleigh, I just wanna say I'm sorry
But, Kayleigh, I'm too scared to pick up the phone
To hear you've found another lover to patch up our broken home...

Kayleigh, I'm still trying to write that love song
Kayleigh, it's more important to me now you're gone
Maybe it will prove that we were right
Or it'll prove that I was wrong ?

BANG BANG (MY BABY SHOT ME DOWN)

NANCY SINATRA

I was five and he was six
We rode on horses made of sticks
He wore black and I wore white
He would always win the fight

Bang bang, he shot me down
Bang bang, I hit the ground
Bang bang, that awful sound
Bang bang, my baby shot me down

Seasons came and changed the time
When I grew up, I called him mine
He would always laugh and say
Remember when we used to play

Bang bang, I shot you down
Bang bang, you hit the ground
Bang bang, that awful sound
Bang bang , I used to shoot you down

Music played and people sang
Just for me the church bells rang

Now he's gone, I don't know why
Until this day, sometimes I cry
He didn't even say 'Goodbye'
He didn't take the time to lie

Bang bang, he shot me down
Bang bang, I hit the ground
Bang bang, that awful sound
Bang bang, my baby shot me down

WHERE THE WILD ROSES GROW

KYLIE MINOGUE & NICK CAVE

They call me the Wild Rose
But my name was Elisa Day
Why they call me it, I do not know
For my name was Elisa Day

From the first day I saw her
I knew she was the one
She stared in my eyes and smiled
For her lips were the color of the roses
They grew down the river,
All bloody and wild

When he knocked on my door
And entered the room
My trembling subsided in his sure embrace
He would be my first man
And with a careful hand
He wiped up the tears
That ran down my face

They call me the Wild Rose...

On the second day I brought her a flower
She's more beautiful
Than any woman I've seen
And I said: "Do you know
Where the wild roses grow
So sweet and scarlet and free?"

On the second day he came
With a single rose
He said: "Give me your loss
And your sorrow"
I nodded my head as I laid on the bed
'If I show you the roses, will you follow?"

They call me the Wild Rose...

On the third day
He took me to the river
He showed me the roses and we kissed
And the last thing I heard
Was a muttered word
As he knelt above me with a rock in his fist

On the last day I took her
Where the wild roses grow
She lay on the bank,
The wind light as a thief
And I kissed her goodbye,
Said: "All beauty must die"
And I knelt down
And planted a rose between her teeth

They call me the Wild Rose...

My name was Elisa Day
For my name was Elisa Day

KILLING ME SOFTLY

ROBERTA FLACK

Strumming my pain with his fingers
Singing my life with his words
Killing me softly with his song,
Killing me softly with his songs
Telling my whole life with his words
Killing me softly with his song

I heard he sang a good song
I heard he had a style
And so I came to see him to listen for a while
And there he was this young boy
A stranger to my eyes

Strumming my pain with his fingers...

I felt all flushed with fever
Embarrassed by the crowd
I felt he found my letters and read each out loud
I prayed that he would finish
But he just kept right on

Strumming my pain with his fingers...

He sang as if he knew me in all my dark despair
And then he looked right through me
As if I wasn't there
And he just kept on singing
Singing clear and strong

Strumming my pain with his fingers...

SAILING

ROD STEWART

I am sailing
I am sailing
Home again 'cross the sea
I am sailing stormy waters
To be near you to be free

I am flying
I am flying
Like a bird 'cross the sky
I am flying passing high clouds
To be with you to be free

Can you hear me?
Can you hear me
Thro' the dark night far away
I am dying, forever crying
To be with you who can say.

Can you hear me?
Can you hear me
Thro' the dark night far away
I am dying, forever crying
To be with you who can say

We are sailing
we are sailing
Home again 'cross the sea
We are sailing stormy waters
To be near you to be free

Oh, Lord, to be near you to be free...
Oh, Lord, to be near you to be free...
