

RIGHT HERE WAITING

RICHARD MARX

Oceans apart day after day
And I slowly go insane
I hear your voice on the line
But it doesn't stop the pain

I wonder how we can survive
This romance
But in the end if I'm with you
I'll take the chance

If I see you next to never
How can we say forever

Oh, can't you see it baby
You've got me goin' crazy

Wherever you go
Whatever you do
I will be right here waiting for you
Whatever it takes
Or how my heart breaks
I will be right here waiting for you

Wherever you go
Whatever you do
I will be right here waiting for you
Whatever it takes
Or how my heart breaks
I will be right here waiting for you

I took for granted, all the times
That I thought would last somehow
I hear the laughter, I taste the tears
But I can't get near you now

Oh, can't you see it baby
You've got me goin' crazy

Wherever you go
Whatever you do
I will be right here waiting for you
Whatever it takes
Or how my heart breaks
I will be right here waiting for you

WITHOUT YOU

HARRY NILSSON

No, I can't forget this evening
Or your face as you were leaving
But I guess that's just the way the story goes
You always smile but in your eyes your sorrow shows
Yes, it shows

No, I can't forget tomorrow
When I think of all my sorrow
When I had you there but then I let you go
And now it's only fair that I should let you know
What you should know

I can't live if living is without you
I can't live, I can't give any more
I can't live if living is without you
I can't give, I can't give any more

No, I can't forget this evening
Or your face as you were leaving
But I guess that's just the way the story goes
You always smile but in your eyes your sorrow shows
Yes, it shows

I can't live if living is without you
I can't live, I can't give anymore
I can't live if living is without you
I can't live, I can't give anymore

INTO THE WEST

ANNIE LENNOX

Lay down
Your sweet and weary head
Night is falling
You have come to journey's end

Hope fades
Into the world of night
Through shadows falling
Out of memory and time

Sleep now
And dream of the ones who came before
They are calling
From across the distant shore

Don't say
We have come now to the end
White shores are calling
You and I will meet again

Why do you weep?
What are these tears upon your face?
Soon you will see
All of your fears will pass away

And you'll be here in my arms
Just sleeping

Safe in my arms
You're only sleeping

What can you see
On the horizon?
Why do the white gulls call?

What can you see
On the horizon?
Why do the white gulls call?

Across the sea
A pale moon rises
The ships have come
To carry you home
And all will turn to silver glass
Lights on the water
Grey ships pass
Into the West

Across the sea
A pale moon rises
The ships have come
To carry you home

And all will turn to silver glass
Lights on the water
All souls pass

POISON

ALICE COOPER

Your cruel device
Your blood, like ice
One look, could kill
My pain, your thrill

I wanna love you but I better not touch (don't touch)
I wanna hold you, but my senses tell me to stop
I wanna kiss you but I want it too much (too much)
I wanna taste you but your lips are venomous poison
You're poison, running through my veins
You're poison, I don't wanna break these chains

Your mouth, so hot
Your web, I'm caught
Your skin, so wet
Black lace, on sweat

I hear you calling and it's needles and pins (and pins)
I wanna hurt you just to hear you screaming my name
Don't wanna touch you but you're under my skin (deep in)
I wanna kiss you but your lips are venomous poison
You're poison, running through my veins
Your poison
I don't wanna break these chains
Poison...

One look, could kill
My pain, your thrill

I wanna love you...
Poison...

THIS IS THE LIFE

AMY MACDONALD

Oh the wind whistles down
The cold dark street tonight
And the people, they were dancing
To the music vibe
And the boys chase the girls
With the curls in their hair
While the shy tormented youth
Sit way over there
And the songs they get louder
Each one better than before

And you're singing the songs
Thinking this is the life
And you wake up in the morning
And your head feels twice the size
Where you gonna go,
Where you gonna go?
Where you gonna sleep tonight?

And you're singing the songs
Thinking this is the life
And you wake up in the morning
And your head feels twice the size
Where you gonna go,
Where you gonna go?
Where you gonna sleep tonight?
Where you gonna sleep tonight?

So you're heading down the road
In your taxi for four
And your waiting
Outside Jimmy's front door
But nobody's in, nobody's home till four
So you're sitting there with nothing to do
Talking about Robert Riger
And his motley crew
And where you're gonna go?
Where you're gonna sleep tonight?

And you're singing the songs...

And you're singing the songs...

And you're singing the songs...

HOUSE OF THE RISING SUN

ANIMALS

There is a house in New Orleans
They call the Rising Sun
And it's been the ruin of many a poor boy
And God, I know I'm one

My mother was a tailor
Sewed my new blue jeans
My father was a gamblin' man
Down in New Orleans

Now the only thing a gambler needs
Is a suitcase and a trunk
And the only time he'll be satisfied
Is when he's all drunk

Oh, mother, tell your children
Not to do what I have done
Spend your lives in sin and misery
In the house of the Rising Sun

Well I've got one foot on the platform
The other foot on the train
I'm going back to New Orleans
To wear that ball and chain

Well there is a house in New Orleans
They call the Rising Sun
And it's been the ruin of many a poor boy
And God, I know I'm one

MEMORY

BARBRA STREISAND

Midnight,
Not a sound from the pavement.
Has the moon lost her memory?
She is smiling alone.
In the lamp light the withered leaves
collect at my feet.
And the wind begins to moan.

Memory!
All alone in the moonlight
I can dream of the old days,
Life was beautiful then.
I remember the time I knew
what happiness was,
Let the memory live again.

Every street lamp seems to beat
a fatalistic warning.
Someone mutters
And the street lamp gutters
and soon it will be morning.

Daylight
I must wait for the sunrise,
I must think of a new life
And I mustn't give in.
When the dawn comes
tonight will be a memory too
And a new day will begin.

Burnt out ends of smoky days,
the still cold smell of morning.
A street lamp dies,
another night is over,
another day is dawning.

Touch me.
It's so easy to leave me
All alone with the memory
Of my days in the sun.
If you touch me
you'll understand what happiness is.
Look – a new day has begun.

WOMAN IN LOVE

BARBRA STREISAND

Life is a moment in space,
When the dream is gone
It's a lonelier place.
I kiss the morning goodbye,
But down inside you know
We never know why.

The road is narrow and long
When eyes meet eyes
And the feeling is strong.
I turn away from the wall.
I stumble and fall,
But I give you it all.

I am a woman in love
And I'd do anything
To get you into my world,
And hold you within.
It's a right I defend
Over and over again.
What do I do?

With you eternally mine,
In love there is
No measure of time.
We planned it all at the start
That you and I live
In each others heart.

We may be oceans away,
You feel my love
I hear what you say.
No truth is ever a lie.
I stumble and fall,
But I give you it all.

I am a woman in love
And I'd do anything
To get you into my world,
And hold you within.
It's a right I defend
Over and over again.
What do I do?

I am a woman in love
And I'm talkin' to you.
You know (I know) how you feel
What a woman can do.
It's a right I defend
Over and over again

I am a woman in love
And I'd do anything
To get you into my world,
And hold you within.
It's a right I defend
Over and over again.
What do I do?

Then everybody'd be surfin'

STAYIN' ALIVE

BEE GEES

Well, you can tell by the way I use my walk,
I'm a woman's man, no time to talk.
Music loud and women warm
I've been kicked around since I was born.
And now it's all right. It's OK.
And you may look the other way.
We can try to understand the New York Time's effect on man.

Whether you're a brother or whether you're a mother,
you're stayin' alive, stayin' alive.
Feel the city breakin' and everybody shakin',
and we're stayin' alive, stayin' alive.
Ah, ha, ha, ha, stayin' alive, stayin' alive.
Ah, ha, ha, ha, stayin' alive.

Well now, I get low and I get high,
and if I can't get either, I really try.
Got the wings of heaven on my shoes.
I'm a dancin' man and I just can't lose.
You know it's all right. It's OK.
I'll live to see another day.
We can try to understand
the New York Time's effect on man.

Whether you're a brother or whether you're a mother...

Life goin' nowhere.
Somebody help me.
Somebody help me, yeah.
Life goin' nowhere. Somebody help me.
Somebody help me yeah. Stayin' alive.

Well, you can tell by the way I use my walk...

LEAVE A LIGHT ON

BELINDA CARLISLE

Take my hand
Tell me what you are feeling
Understand
This is just the beginning
Although I have to go
It makes me feel like crying
I don't know when I'll see you again

Darling leave a light on for me
I'll be there before you close the door
To give you all the love that you need
Darling leave a light on for me
'cause when the world takes me away
You are still the air that I breathe

I can't explain I don't know
Just how far I have to go
But darling I'll keep the key
Just leave a light on for me

Yes, I know
What I'm asking is crazy
You could go
Just get tired of waiting
But if I lose your love
Torn out by my desire
That would be the one regret of my life

Darling leave a light on for me...

Just like a spark lights up the dark
Baby that's your heart, baby that's your heart, baby that's your
heart!

THE TIME OF MY LIFE

BILL MEDLEY & JENNIFER WARNES

Now I've had the time of my life
No, I never felt like this before
Yes I swear it's the truth
And I owe it all to you

'Cause I've had the time of my life
And I owe it all to you

I've been waiting for so long
Now I've finally found someone
to stand by me
We saw the writing on the wall
And we felt this magical fantasy
Now with passion in our eyes
There's no way we could disguise it secretly
So we take each others hand
'Cause we seem to understand the urgency

Just remember
You're the one thing
I can't get enough of
So I'll tell you something
This could be love

Because I've had the time of my life
No, I never felt this way before
Yes I swear it's the truth
And I owe it all to you
'Cause I've had the time of my life
And I've searched through every open door
Till I found the truth
And I owe it all to you

Hey baby, oh yeah yeah yeah

With my body and soul
I want you more than you'll ever know
So we'll just let it go
Don't be afraid to lose control, no

Yes, I know what's on your mind when
you say

"Stay with me tonight" (stay with me)

Just remember
You're the one thing
I can't get enough of
So I'll tell you something
This could be love

Because I've had the time of my life
No, I never felt this way before
Yes I swear it's the truth
And I owe it all to you
'Cause I've had the time of my life
And I've searched through every open door
(Never felt this way)
Till I found the truth
And I owe it all to you

Yeah, yeah, yeah, yeah
Oh, whoa, oh, oh

Now I've had the time of my life...

I've had the time of my life...

IT'S MY LIFE

BON JOVI

This ain't a song for the broken hearted.
No silent prayer for the faith departed.
I ain't gonna be just the face in the crowd,
You're gonna hear my voice
when I shout it out loud!

It's my life!
And it's now or never!
I ain't gonna live forever!
I just want to live while I'm alive!
It's my life!
My heart is like an open highway!
Like Frankie said: I did it my way!
I just wanna live while I'm alive!
It's my life!

This is for the ones who stood their ground.
For Tommy and Gina who never backed down.
Tomorrow's getting harder make no mistake,
Luck ain't even lucky,
got to make your own breaks!

It's my life...

Better stand tall when they're calling you out.
Don't bend, don't break,
baby, don't back down.

It's my life...

It's my life...

HOLDING OUT FOR A HERO

BONNIE TYLER

Where have all the good men gone
And where are all the gods?
Where's the streetwise Hercules
To fight the rising odds?

Isn't there a white knight
upon a fiery steed?
Late at night I toss and I turn
And I dream of what I need

I need a hero
I'm holding out for a hero
Till the end of the night
He's gotta be strong and he's gotta be fast
And he's gotta be fresh from the fight

I need a hero
I'm holding out for a hero
Till the morning light
He's gotta be sure and he's gotta be soon
And he's gotta be larger than life
Larger than life

Somewhere after midnight
In my wildest fantasies
Somewhere just beyond my reach
There's someone reaching back for me

Racing on the thunder
And rising with the heat
It's gonna take a Superman
to sweep me off my feet

I need a hero
I'm holding out for a hero
Till the end of the night
He's gotta be strong and he's gotta be fast
And he's gotta be fresh from the fight

I need a hero
I'm holding out for a hero
Till the morning light
He's gotta be sure and he's gotta be soon
And he's gotta be larger than life

I need a hero
I'm holding out for a hero
Till the end of the night

Upwhere the mountains
meet the heavens above
Out where the lightning splits the sea
I could swear that there's
Someone somewhere watching me

Through the wind and the chill
and the rain
And the storm and the flood
I can feel his approach like a fire in my blood

I need a hero...

DUST IN THE WIND

KANSAS

I close my eyes, only for a moment, and the moment's gone
All my dreams, pass before my eyes, a curiosity

Dust in the wind, all they are is dust in the wind.

Same old song, just a drop of water in an endless sea
All we do, crumbles to the ground, though we refuse to see

Dust in the wind, all we are is dust in the wind

Don't hang on, nothing lasts forever but the earth and sky
It slips away, and all your money won't another minute buy.

Dust in the wind, all we are is dust in the wind
Dust in the wind, everything is dust in the wind.

STAIRWAY TO HEAVEN

LED ZEPPELIN

There's a lady who's sure
all that glitters is gold
And she's buying a stairway to heaven.
When she gets there she knows,
if the stores are all closed
With a word she can get what she came for.

Ooh, ooh...
And she's buying a stairway to heaven.

There's a sign on the wall
but she wants to be sure
'Cause you know
sometimes words have two meanings.
In a tree by the brook,
there's a songbird who sings,
Sometimes all of our thoughts are misgiven.

Ooh, it makes me wonder ×2

There's a feeling I get
when I look to the West,
And my spirit is crying for leaving.
In my thoughts I have seen rings of smoke
through the trees,
And the voices of those who stand looking.

Ooh, it makes me wonder,
Ooh, really makes me wonder.

And it's whispered that soon
if we all call the tune
Then the piper will lead us to reason.

And a new day will dawn for those
who stand long
And the forests will echo with laughter.
Ooh...

If there's a bustle in your hedgerow,
don't be alarmed now,
It's just a spring clean for the May queen.
Yes, there are two paths you can go by,
but in the long run
There's still time
to change the road you're on.

And it makes me wonder. Ooh...

Your head is humming and it won't go,
in case you don't know,
The piper's calling you to join him,
Dear lady, can you hear the wind blow,
and did you know
Your stairway lies on the whispering wind.

And as we wind on down the road
Our shadows taller than our soul.
There walks a lady we all know
Who shines white light and wants to show
How everything still turns to gold.
And if you listen very hard
The tune will come to you at last.
When all are one and one is all
To be a rock and not to roll.

And she's buying a stairway to heaven...

HELLO

LIONEL RICHIE

I've been alone with you
Inside my mind
And in my dreams I've kissed your lips
A thousand times
I sometimes see you
Pass outside my door

Hello!
Is it me you're looking for?
I can see it in your eyes
I can see it in your smile
You're all I've ever wanted
And my arms are open wide
'Cause you know just what to say
And you know just what to do
And I want to tell you so much
I love you

I long to see the sunlight in your hair
And tell you time and time again
How much I care
Sometimes I feel my heart will overflow

Hello!
I've just got to let you know
'Cause I wonder where you are
And I wonder what you do
Are you somewhere feeling lonely?
Or is someone loving you?
Tell me how to win your heart
For I haven't got a clue
But let me start by saying
I love you

PERFECT DAY

LOU REED

Just a perfect day
Drink Sangria in the park
And then later
When it gets dark, we go home

Just a perfect day
Feed animals in the zoo
Then later
A movie, too, and then home

Oh, it's such a perfect day
I'm glad I spend it with you
Oh, such a perfect day
You just keep me hanging on
You just keep me hanging on

Just a perfect day
Problems all left alone
Weekenders on our own
It's such fun

Just a perfect day
You made me forget myself
I thought I was
Someone else, someone good

Oh, it's such a perfect day
I'm glad I spent it with you
Oh, such a perfect day
You just keep me hanging on
You just keep me hanging on

You're going to reap just what you sow ×4

RUNAWAY TRAIN

SOUL ASYLUM

Call you up in the middle of the night
Like a firefly without a light
You were there like a blowtorch burning
I was a key that could use a little turning

Runaway train, never going back
Wrong way on a one-way track
Seems like I should be getting somewhere
Somehow I'm neither here nor there

So tired that I couldn't even sleep
So many secrets I couldn't keep
I promised myself I wouldn't weep
One more promise I couldn't keep

Bought a ticket for a runaway train
Like a madman laughing at the rain
A little out of touch, a little insane
It's just easier than dealing with the pain

It seems no one can help me now,
I'm in too deep; there's no way out
This time I have really led myself astray

Runaway train, never going back
Wrong way on a one-way track
Seems like I should be getting somewhere
Somehow I'm neither here nor there

Runaway train, never going back
Wrong way on a one-way track
Seems like I should be getting somewhere
Somehow I'm neither here nor there

Runaway train, never coming back
Runaway train, tearing up the track
Runaway train, burning in my veins
I run away but it always seems the same

Can you help me remember how to smile?
Make it somehow all seem worthwhile
How on earth did I get so jaded?
Life's mystery seems so faded

I can go where no one else can go
I know what no one else knows
Here I am just a-drownin' in the rain
With a ticket for a runaway train

And everything seems cut and dried,
Day and night, earth and sky,
Somehow I just don't believe it

TONIGHT I CELEBRATE MY LOVE FOR YOU

ROBERTA FLACK & PAEBO BRYSON

Tonight I celebrate my love for you
It seems the natural thing to do
Tonight no one's gonna find us
We'll leave the world behind us
When I make love to you
Tonight I celebrate my love for you
And hope that deep inside you feel it too
Tonight our spirits will be climbing
To the sky lit up with diamonds
When I make love to you tonight

Tonight I celebrate my love for you (ooh)
And that midnight song is gonna come shining through
Tonight there'll be no distance between us
What I want most to do
Is to get close to you tonight

Tonight I celebrate my love for you
And soon this old world will seem brand new
Tonight we will both discover
How friends turn into lovers
When I make love to you

Tonight I celebrate my love for you (ooh)
And that midnight song is gonna come shining through
Tonight there'll be no distance between us
What I want most to do
Is to get close to you

Tonight I celebrate my love for you
Tonight

EYE OF THE TIGER

SURVIVOR

Risin' up, back on the street
Did my time, took my chances
Went the distance, now I'm back on my feet
Just a man and his will to survive

So many times, it happens too fast
You change your passion for glory
Don't lose your grip on the dreams of the past
You must fight just to keep them alive

It's the eye of the tiger, it's the thrill of the fight
Risin' up to the challenge of our rival
And the last known survivor stalks his prey in the night
And he's watchin' us all with the eye of the tiger

Face to face, out in the heat
Hangin' tough, stayin' hungry
They stack the odds 'till we take to the street
For we kill with the skill to survive

It's the eye of the tiger, it's the thrill of the fight...

Risin' up, straight to the top
Have the guts, got the glory
Went the distance, now I'm not gonna stop
Just a man and his will to survive

It's the eye of the tiger, it's the thrill of the fight...

The eye of the tiger... ×4

UNBREAK MY HEART

TONI BRAXTON

Don't leave me in all this pain
Don't leave me out in the rain
Come back and bring back my smile
Come and take these tears away
I need your arms to hold me now
The nights are so unkind
Bring back those nights
When I held you beside me

Un-break my heart
Say you'll love me again
Undo this hurt you caused
When you walked out the door
And walked outta my life
Un-cry these tears
I cried so many nights
Un-break my heart
My heart

Take back that sad word good-bye
Bring back the joy to my life
Don't leave me here with these tears
Come and kiss this pain away
I can't forget the day you left
Time is so unkind
And life is so cruel
Without you here beside me

Un-break my heart...

Don't leave me in all this pain
Don't leave me out in the rain
Bring back the nights
When I held you beside me

Un-break my heart...

Un-break my heart
Come back and say you love me
Un-break my heart
Sweet darlin'
Without you I just can't go on
Can't go on

IT'S A SIN
PET SHOP BOYS

When I look back upon my life
It's always with a sense of shame
I've always been the one to blame

For everything I long to do...

It's a, it's a, it's a, it's a sin
It's a, it's a, it's a, it's a sin

For everything I long to do
No matter when or where or who
Has one thing in common, too
It's a, it's a, it's a, it's a sin
It's a sin
Everything I've ever done
Everything I ever do
Every place I've ever been
Everywhere I'm going to
It's a sin

(Confiteor Deo omnipotenti vobis fratres,
quia peccavi nimis cogitatione,
verbo, opere et omissione,
mea culpa, mea culpa,
mea maxima culpa)

At school they taught me how to be
So pure in thought and word and deed
They didn't quite succeed

For everything I long to do...

Father, forgive me, I tried not to do it
Turned over a new leaf,
then tore right through it
Whatever you taught me,
I didn't believe it
Father, you fought me, 'cause I didn't care
And I still don't understand

So I look back upon my life
Forever with a sense of shame
I've always been the one to blame

DON'T STOP ME NOW

QUEEN

Tonight I'm gonna have myself
A real good time
I feel alive
And the world turning inside out, yeah!
And floating around in ecstasy
So don't stop me now, don't stop me
'Cause I'm having a good time
Having a good time

I'm a shooting star
leaping through the sky
Like a tiger defying the laws of gravity
I'm a racing car passing by
like Lady Godiva
I'm gonna go go go
There's no stopping me

I'm burning through the sky, yeah!
Two hundred degrees
That's why they call me Mister Fahrenheit
I'm trav'ling at the speed of light
I wanna make a supersonic man out of you
Don't stop me now
I'm having such a good time
I'm having a ball
Don't stop me now
If you wanna have a good time
Just give me a call
Don't stop me now
('Cause I'm havin' a good time)
Don't stop me now
(Yes, I'm havin' a good time)
I don't want to stop at all

I'm a rocket ship on my way to Mars
On a collision course
I am a satellite I'm out of control
I am a sex machine ready to reload
Like an atom bomb about to
Oh oh oh oh oh explode

I'm burning through the sky, yeah!
Two hundred degrees
That's why they call me Mister Fahrenheit
I'm trav'ling at the speed of light
I wanna make a supersonic woman of you
Don't stop me don't stop me
Don't stop me hey hey hey!
Don't stop me don't stop me
Ooh, ooh, ooh (I like it!)
Don't stop me, don't stop me
Have a good time, good time
Don't stop me, don't stop me, ah!

I'm burning through the sky, yeah!
Two hundred degrees
That's why they call me Mister Fahrenheit
I'm trav'ling at the speed of light
I wanna make a supersonic man out of you
Don't stop me now...

AMERICAN PIE

DON MCLEAN

A long, long time ago...
I can still remember
How that music used to make me smile.
And I knew if I had my chance
That I could make those people dance
And, maybe, they'd be happy for a while.

But february made me shiver
With every paper I'd deliver.
Bad news on the doorstep;
I couldn't take one more step.

I can't remember if I cried
When I read about his widowed bride,
But something touched me deep inside
The day the music died.

So
Bye-bye, miss american pie.
Drove my chevy to the levee,
But the levee was dry.
And them good old boys
Were drinkin' whiskey and rye
Singin', "this'll be the day that I die."
"This'll be the day that I die."

Did you write the book of love,
And do you have faith in God above,
If the Bible tells you so?
Do you believe in rock'n'roll,
Can music save your mortal soul,
And can you teach me
How to dance real slow?

Well, I know that you're in love with him
'Cause I saw you dancin' in the gym.
You both kicked off your shoes.
Man, I dig those rhythm and blues.

I was a lonely teenage broncin' buck
With a pink carnation and a pickup truck,
But I knew I was out of luck
The day the music died.

I started singin',
Bye-bye, miss american pie...

Now for ten years we've been on our own
And moss grows fat on a rollin' stone,
But that's not how it used to be.

When the jester sang
For the king and queen,
In a coat he borrowed from james dean
And a voice that came from you and me

Oh, and while the king was looking down,
The jester stole his thorny crown.

The courtroom was adjourned;
No verdict was returned.

And while Lennon read a book of marx,
The quartet practiced in the park,
And we sang dirges in the dark
The day the music died.

We were singing,
Bye-bye, miss american pie...

Helter skelter in a summer swelter.
The birds flew off with a fallout shelter,
Eight miles high and falling fast.
It landed foul on the grass.
The players tried for a forward pass,
With the jester on the sidelines in a cast.

Now the half-time air was sweet perfume
While the sergeants
Played a marching tune.
We all got up to dance,
Oh, but we never got the chance!
'Cause the players tried to take the field;
The marching band refused to yield.
Do you recall what was revealed
The day the music died?

We started singing
Bye-bye, miss american pie...

Oh, and there we were all in one place,
A generation lost in space
With no time left to start again.
So come on: jack be nimble, jack be quick!
Jack flash sat on a candlestick
Cause fire is the devil's only friend.

Oh, and as I watched him on the stage
My hands were clenched in fists of rage.
No angel born in hell
Could break that satan's spell.
And as the flames
Climbed high into the night
To light the sacrificial rite,
I saw satan laughing with delight
The day the music died

He was singing
Bye-bye, miss american pie...

I met a girl who sang the blues
And I asked her for some happy news,
But she just smiled and turned away.
I went down to the sacred store
Where I'd heard the music years before,
But the man there said
The music wouldn't play.

And in the streets: the children screamed,
The lovers cried, and the poets dreamed.
But not a word was spoken;
The church bells all were broken.
And the three men I admire most:
The father, son, and the holy ghost,
They caught the last train for the coast
The day the music died.

And they were singing
Bye-bye, miss american pie...

They were singing
Bye-bye, miss american pie...

SEALED WITH A KISS

BRIAN HYLAND

Though we've got to say goodbye
For the summer
Darling, I promise you this
I'll send you all my love
Everyday in a letter
Sealed with a kiss

Yes it's gonna be cold, lonely summer
But I'll fill the emptiness
I'll send you all my dreams
Everyday in a letter
Sealed with a kiss

I'll see you in the sunlight
I'll hear your voice everywhere
I'll run to tenderly hold you
But, Darlin' you won't be there

I don't wanna say goodbye
For the summer
Knowing the love we'll miss
Oh, let us make a pledge
To meet in September
And seal it with a kiss

Yes it's gonna be cold, lonely summer...

Sealed with a kiss
Sealed with a kiss
Sealed with a kiss

HOTEL CALIFORNIA

THE EAGLES

On a dark desert highway,
Cold wind in my hair
Warm smell of colitas
Rising up through the air
Up ahead in the distance
I saw a shimmering light
My head grew heavy
And my sight grew dim.
I had to stop for the night.

There she stood in the doorway
I heard the mission bell
And I was thinkin' to myself
This could be heaven or this could be hell
Then she lit up a candle
And she showed me the way
There were voices down the corridor
I thought I heard them say

Welcome to the Hotel California
Such a lovely place (Such a lovely place)
Such a lovely face
Plenty of room at the Hotel California
Any time of year (Any time of year)
You can find it here

Her mind is Tiffany-twisted
She got the Mercedes Bends
She got a lot of pretty, pretty boys
She calls friends
How they dance in the courtyard
Sweet summer sweat
Some dance to remember
Some dance to forget

So I called up the Captain
"Please bring me my wine"
He said "We haven't had that spirit here
Since nineteen sixty-nine"
And still those voices are calling
From far away
Wake you up in the middle of the night
Just to hear them say

Welcome to the Hotel California
Such a lovely place (Such a lovely place)
Such a lovely face
They livin' it up at the Hotel California
What a nice surprise (What a nice surprise)
Bring your alibis

Mirrors on the ceiling
The pink champagne on ice
And she said "We are all just prisoners here
Of our own device"
And in the masters chambers
They gathered for the feast
They stab it with their steely knives
But they just can't kill the beast

Last thing I remember
I was running for the door
I had to find the passage
back to the place I was before
"Relax," said the night man,
"We are programmed to receive
You can check out anytime you like
But you can never leave."

ENJOY THE SILENCE

DEPECHE MODE

Words like violence
Break the silence
Come crashing in
Into my little world
Painful to me
Pierce right through me
Can't you understand
Oh my little girl

All I ever wanted
All I ever needed
Is here in my arms
Words are very unnecessary
They can only do the harm

Vows are spoken
To be broken
Feelings are intense
Words are trivial
Pleasures remain
So does the pain
Words are meaningless
And forgettable

All I ever wanted... ×3

Enjoy the silence

ALL FOR ONE, ALL FOR LOVE

BRYAN ADAMS & ROD STEWARD & STING

When it's love you give
I'll be your man of good faith
Then in love you live
I'll make a stand, I won't break
I'll be the rock you can build on
Be there when you're old
To have and to hold

When there's love inside
I swear I'll always be strong
Then there's a reason why
I'll prove to you we belong
I'll be the wall that protects you
From the wind and the rain
From the hurt and the pain

Let's make it all for one and all for love
Let the one you hold be the one you want
The one you need
'Cause when it's all for one it's one for all
When there's someone that should know
Then just let your feelings show
And make it all for one and all for love

When it's love you make
I'll be the fire in our night
Then it's love you take
I will defend, I will fight
I'll be there when you need me
When honor's at stake
This vow I will make

That it's all for one and all for love
Let the one you hold be the one you want
The one you need
'Cause when it's all for one it's one for all
When there's someone that should know
Then just let your feelings show
And make it all for one and all for love

Don't lay our love to rest
'Cause we could stand up to the test
We got everything and more
Than we had planned
More than the rivers that run the land
We've got it all in our hands

Now it's all for one and all for love
It's all for love
Let the one you hold be the one you want
The one you need
'Cause when it's all for one it's one for all
It's one for all
When there's someone that should know
Then just let your feelings show
When there's someone that you want
When there's someone that you need
Let's make it all, all for one and all for love...

500 MILES

THE HOOTERS

If you miss the train I'm on
You will know that I am gone
You can hear the whistle blow a hundred miles
A hundred miles, a hundred miles,
A hundred miles, a hundred miles
You can hear the whistle blow a hundred miles

Not a shirt on my back
Not a penny to my name
And the land that I once loved is not my own
Lord, I'm one, Lord, I'm two,
Lord, I'm three, Lord, I'm four
Lord, I'm five hundred miles away from home

A hundred tanks along the square
One man stands and stops them there
Someday soon the tide will turn and I'll be free
I'll be free, I'll be free
I'll come home to my country
Someday soon the tide will turn and I'll be free

If you missed the train I'm on
You will know that I am gone
You can hear the whistle blow a hundred miles
Lord, I'm one, Lord, I'm two,
Lord, I'm three, Lord, I'm four
Lord, I'm five hundred miles away from home
Lord, I'm five hundred miles away from home

I'll be free, I'll be free, I'll come home to my country
Lord, I'm five hundred miles away from home
You can hear the whistle blow a hundred miles
Lord, I'm five hundred miles away from home

WIND OF CHANGE

SCORPIONS

Follow the Moskva
Down to Gorky Park
Listening to the wind
Of change
August summer night
Soldiers passing by
Listening to the win
Of change

The world is closing in
And did you ever think
That we could be so close
Like brothers
The future's in the air
Can feel it everywhere
I'm blowing with the wind
Of change

Take me
To the magic of the moment
On a glory night
Where the children of tomorrow
Dream away
In the wind of change

Walking down the street
And distant memories
Are buried in the past
Forever
I follow the Moskva
Down to Gorky Park
Listening to the wind
Of change

Take me
To the magic of the moment
On a glory night
Where the children of tomorrow
Share their dreams (dream away)
With you and me
Take me
To the magic of the moment
On a glory night
Where the children of tomorrow
Dream away
In the wind of change

The wind of change blows straight
Into the face of time
Like a stormwind that will ring
The freedom bell for peace of mind
Let your balalaika sing
What my guitar wants to say

Take me
To the magic of the moment
On a glory night
Where the children of tomorrow
Share their dreams (dream away)
With you and me
Take me
To the magic of the moment
On a glory night
Where the children of tomorrow
Dream away
In the wind of change

I JUST CALLED TO SAY I LOVE YOU

STEVIE WONDER

No new years's day to celebrate
No chocolate covered candy hearts to give away
No first of spring, no song to sing
In fact here's just another ordinary day
No April rain, no flowers bloom
No wedding Saturday within the month of June
But what it is, is something true
Made up of these three words that I must say to you

I just called to say I love you
I just called to say how much I care
I just called to say I love you
And I mean it from the bottom of my heart

No summer's high, no warm July
No harvest moon to light one tender August night
No autumn breeze, no falling leaves
Not even time for birds to fly to southern skies
No libra sun, no Halloween
No giving thanks to all the Christmas joy you bring
But what it is, though old so new
To fill your heart like no three words could ever do

I just called to say I love you
I just called to say how much I care about you
I just called to say I love you
And I mean it from the bottom of my heart

I just called to say I love you...

Of my heart
Of my heart
